13 Batters Get 100 Hits Early in Race

By Associated Press.

CHICAGO, July 15.—Thirteen players, seven of the American league and six in the National, already have collected 100 or more safe hits this season.

Proof of the strategy of managers in placing the right batters in the right spots in the batting order was given in the first centuary listings. Three of them are lead-off men, three others batsecond, five bat third and two operate in the clean-up role.

Joe Medwick, clean-up man for the world championship St. Louis Cardinals, tops the field with 116 hits, good for a batting average of .349. Roger Cramer of the Philadelphia Athletics, tops the American league batters with 114, and to Medwick belongs the lead, which he collected in six successive trips to the plate last week to tie the modern record.

The lead-off hitters with 100 or more safe blows, by coincidence, are all left fielders—Augie Galan, Chicago Cubs; Joe Moore, New York Giants, and Pip Ruddiff, Chicago White Sox.

A table of the batters, giving their positions and batting average, totaling so far this year and final totals of 1934 follows:

Hoffmann Hotel and Publix Theaters share the upper berth in the 4-C league of The Tribune Softball association today, after winning their respective loop contests Sunday.

It was a new sensation for the Theater men, whereas Hoffmann Hotel was in a tie for the first place following the first set of games. Prior to Sunday's games all four teams in the circuit had the same rating.

Publix Theaters had to play an extra inning for its 10-5 victory over Lasalle Hotel Sunday, but it was a hard game.

Going into the extra eighth with the score tied at 5-5, the Theater team unloaded a barrel of hits and shoved five runs over home plate to double its rival's score.

The winners collected 16 blows off Korpal, while Jakosowski and Mibolich allowed Lasalle nine. Bunker led the winners with the stick, hitting three times, including a triple and a single.

A four-hit, six-run barrage in the last inning enabled Hoffmann Hotel to come from behind and defeat Oliver, 6-4. A triple by R. Smith, a double by Bowers and singles by Bishop and Gilligan turned the trick in the tempestuous seventh when combined with two Oliver errors.

Banack, hurling for Hoffman, allowed Oliver but three blows, while his pale punched eight off the Oliver hurler.

CUBS, CARDS DEFEAT FOES, GAIN ON GIANTS

Red Birds Take 10th in Row; Bruins Win Seventh Straight.

BY HUGH S. FULLERTON, JR.
Associated Press Sports Writer.

The St. Louis Cardinals and Chicago Cubs apparently have called a truce in their warfare—at least until their next series — while trying to chip a few games off the Giants' National league lead. Instead, they slaughtered each other down at regular intervals, their own clubs have stepped of on a pair of notable winning streaks and already have succeeded in cutting the New York margin to six games.

FRANK DEMAREE

The second place Cards, by walloping Philadelphia twice Sunday in celebration of the official beating of the 1934 world's championship pennant, extended their string of victories to 10 straight to equal Detroit's high mark for the season.

Draw Big Crowd.

The largest crowd of the St. Louis season, 23,000, turned out to see the Cards take a pair of easy victories, 9 to 1 and 10 to 1, behind the masterful fingers of Paul Dean and Bill Walker.

The Cubs bowled over the colorful-dwelling Braves 7 to 6 for their seventh straight triumph as Frank Demaree smacked out three hits, drove in four runs and scored three. Lon Warneke, Lefty Lee and Ken Ward collected his 10th victory in 11 starts against Boston in two games.

Meanwhile, the Giants, suffering from a shortage of pitchers, took a 4 to 2 setback from Pittsburgh as Cy Blanton held them to six hits while three reserve fingers, Al Smith, Allyn Stout and Frank Gabler, failed to check the Pirates.

The Reds, who have been doing a little winning on their own account, moved into fifth place with a double triumph over Brooklyn, 9 to 4 and 4 to 2, to sweep the five game series.

With the aid of the clouting Athletics, the Yankees managed to stave off one threat to their American league lead by splitting a double-header with the Chicago White Sox while the A's turned back the second place Tigers 4 to 3 in 10 innings. That increased the Athletics lead to one and one-half games.

Lyons Blanked Yanks.

Ted Lyons, Chicago veteran, blanked the Yankees in the first game as the Sox won the opener, 5 to 0, and gained his 10th victory, but Johnny Broaca beaten three Sox hurlers in the afterpiece and won 5 to 4 as Lou Gehrig's 14th homer supplied the odd tally.

The Red Sox reduced Cleveland's fourth place margin to single percentage point by winning the opener of their twin bill, 14 to 3, belting out 19 hits while Wes Ferrell gave nine for his 14th victory of the season.

They muffed a chance to move into the first division when the Sunday sports "curfew" halted the second encounter at 6:30 with the count tied at 2-2 after 6 innings.

The St. Louis-Washington clash was rained out.

OWLS BATTLE TO TIE WITH LAPORTE RIVAL

Game Called at End of 16th Inning; Score 5-5.

The Tribune's Special Service.

LAPORTE, Ind. July 15.—For 16 terse innings the Owls A. C. baseball team from South Bend and the Laporte Boosters took their respective turns at bat and in the end left the Fox park diamond here Sunday, and all that came of it was a 5-5 deadlock. They finally had enough of it a day with the issue left undecided.

It was a hitter baffling duel between Hagen of the Boosters and Kreth of the Owls. During those 16 innings Hagen allowed the Owls but 10 hits, while Kreth surrendered but 11 to the Boosters.

The Owls took an early lead in the second inning, scoring two runs on a hit, a walk and a nifty passed ball. The Boosters tied it up in the fifth, however, on a hit and two errors.

For seven innings the game was played on a scoreless basis, and then the Owls went ahead in the first of the 13th, scoring a run on a double by Kenz and a single by Collins. Summers, Booster left fielder, tied the score in the Laporte half of the 13th, however, to again tie the score.

Both teams scored two runs in the 15 and after going scoreless in the 16th, the rivals decided to call it a game.
