CIRCUIT REMAINS QUIET FOR A DAY

NO MEETING DATE SET—DR. CARSON IMPROVING.

RECEPTION FOR RAIDY

Zanesville Scribe Points Out the Superiority of Ned Crowder Over New Manager—Other Central Dope.

With the signing of Joe Raidy, the ex-Sing manager, as leader of the Zanesville club, Central league circuit dope is at a low ebb. The date of the meeting is still a question, although announcement is expected regarding the annual session within a short time. Dr. F. R. Carson is improving slowly, but surely, but his initial appearance in the role of the active league executive will not take place for some time, as his health was severely undermined by his illness.

Joe Raidy has received a strange welcome as manager by one of the Zanesville scribes. The dopester wonders, where Joe Raidy will play with Ned Crowder, Pyrodi, and Herold on the job. The shortstop and second base positions are already filled by the only two good players on the Athletics' infield, according to the writer, and where the new manager and his former Sing second baseman will play is a troublesome question.

Perhaps the dopester may be the only good infielder in the Potter line-up from the Zanesville man's point of view, but Hugo Bezdek, at first and Herold, at third, would be both good and bad, according to the boy picked up. Crowder is a better man than Joe, the scribe avers, and it would not be right to displace him. What that writer will do if Joe Raidy plays ball is a mystery, but the dandy little shortstop out of town.

Raidy in South Bend.

Raidy was in South Bend yesterday, but returned to Grand Rapids without starting anything of interest to local fandom, according to another Zanesville scribe. While in town it was thought a deal might be pulled off while Joe was in the city, but nothing happened, one of the magnates said this morning.

Joe Raidy, Zanesville's ex-Sing Mike Wheeler, is the announcement that he will play the first sack himself this year. A report from Terre Haute credits Wheeler with having held down the first sack in the Central league for years in the American association, but he would not be compelled to use the stiff right wing so frequently, at any rate.

Ollie Chill, the former Central league umpire, has signed to run A. A. Ferrell, president Chilvington, of the American association, this season. Ollie has ideas of his own regarding the training rules of umpires, and has already begun to prepare for the coming season by chopping down a cord of wood for three hours a day and does road work daily. He spends the winter months on his farm on Michigan Hill top overlooking the city.

A. B. C. OFFICIALS IN EXECUTIVE SESSION

Officers to Be Elected—High Scored Feature Bowling.

By Associated Press.

ST. LOUIS, Mo., Jan. 24.—Officials of the American Bowling congress are holding the first of their executive sessions here to-day. The sessions will continue until Friday when officers will be elected and a city decided upon to hold the 1912 tournament.

The heavier contingent of visiting bowlers will compete in the even to-day. Teams from Terre Haute, Ind., Dayton, O., Chicago, Madison, Wis., Cincinnati, Toledo, Quincy, and Granite City, Ill., and Des Moines, Ia., will be represented.

High scores featured the third day of the American Bowling tournament. Danner and Pabst, a St. Louis team, bowled 1,186 pins in the two men event with a score of 1,184.

Harry Dean, of St. Louis, was high among the individual yesterday with a score of 592.

Of the twenty five men teams, the first of the visiting squads to compete in the tournament of the American Bowling congress here, failed to shatter the tournament record of 2,718, established last year by a team from St. Louis, after some warm competition last night.

The Merion, of Cincinnati, finished with high score for the night's work with a count of 2,709.

EX-GREEN MANAGER.

Former South Bend Independent Player is Optometric.

MONMOUTH, Ill., Jan. 24.—Claude Stark, the new manager of the Monmouth Browns, of the Central association, conferred with the local association officials yesterday. Stark is enthusiastic over the outlook for a first division club, as a score of applicants for up-nine.

Official Athletic Almanac Out.

The official 1911 athletic almanac has just been issued by the editor, James E. Sullivan. This issue contains a selection of all all-America athletic team and all-America college team.

In the selection of the latter squad J. Wasson, the Notre Dame crack, was chosen for Mr. Sullivan as the best college man for the broad jump. Copies of the almanac may be obtained by sending 10 cents to the publisher.

FAIR ASSOCIATION MEN MEET TO DISCUSS PLANS

Board of Directors to be Elected—Project Progressing.

A meeting of the South Bend and Mishawaka Fair association is definitely set for Wednesday night at 8 o'clock. The place of meeting will be announced later.

When the subscribers for stock in the association meet it is expected that a board of directors of five will be elected as well as a permanent secretary and treasurer. Dr. F. R. Carson will be unable to attend the convention, and the election of permanent officers will be delayed until he is able to take an active part in the pushing of the project. Backers of the movement to furnish South Bend and the surrounding district with a first class fair are for the most part favor immediate action in the movement, and it is thought work will begin on the park as soon as weather conditions permit.

If a board of directors is elected, three of that board will be appointed to work with the park board in the various equipments planned by the organizers.

The fair association will be a success in the general belief, and only a few of the details remain to be worked out. The park plan is a good real estate proposition, too, according to prominent real estate men who have an interest in the fair or its workings. The park board has options on land to be purchased on the master, and are willing to construct a line straight to the grounds on LaPorte avenue. This would enable persons desiring to go to the grounds to reach the park within 15 minutes, and no delay would be occasioned by the passing of other cars, as would be the case if the cars were run out Jefferson street road.

Papers of incorporation have been drawn up, and will be filed after this meeting, according to present plans.

ATTELL WINS ON POINTS.

Has No Trouble With Canadian Featherweight Champion.

By Associated Press.

SYRACUSE, N. Y., Jan. 24.—Abe Attell, featherweight champion of the world, out-pointed Billy Allen, featherweight champion of Canada in a 15 round bout here last night.

With the exception of a few rounds Allen did most of the leading, but his showing was marred by frequent slumps at covering in the fourth round. Allen was knocked out twice by coming in contact with Abe's elbow.

Attell was not forced to extend himself in any of the rounds. Manny Wolf was referee. The attendance was small. In the last round Attell quickened his pace, though not letting himself out.

News of the Minors.

STERLING, Ill., Jan. 24.—Joseph Killian, of this city, has signed to catch and manage the Winona team of the Minnesota-Wisconsin league. This will make the third season for Killian as manager of the team.

KEOKUK, Ia., Jan. 24.—The Keokuk baseball club has signed the following men: Pitchers, James J. McCafferty and Pitcher Pfiz of St. Louis, and Outfielder Salgover, of Canton, Ill., for the coming season. Jackel, of this city, has accepted a contract.

ROCKFORD, Ill., Jan. 24.—Manager Hubner, of the Rockford Wisconsin-Iowa team, has signed Pitcher Harry Hay of the Eastern league, Pitcher Hoffman, of Rochester, Outfielder Wilkins Hoffman, of Rochester.

New Auto Record.

LOS ANGELES, Cal., Jan. 24.—Howard Wilcox, driving a National set the five mile competition speedway record of the Motordrome at 3:31 yesterday. A new record for the same distance was made for cars of 300 cubic inches or less displacement by J. Nikrent in a Knox. His time was 3:35 1-4.

"Pans" Sees Freeze Out.

PHILADELPHIA, Pa., Jan. 24.—University of Pennsylvania, which was itself frozen out of the eastern "big four" by the resumption of football games between Harvard and Princeton, has added Pittsburg and Syracuse to its schedule, Michigan is a fixture.

SPORT SPARKS.

Clarke Griffith thinked several days ago that the Cub club house was burglarized by a fan. He is now convinced that somebody stole his money, as Griffith says, but because they are deemed inadequate, according to President Murphy.

Burglar-proofs failed in another burglary—a bank last night, in which he was supposed to have been cracked in an hour in Bridgeport, Conn. The Russian Lion certainly travels some, and the scribes are wasting the better he does it apparently. Several weeks ago he was seen on a mat west of Mississippi.

Rudy Unholz, no more the "Fighting Dutch" is back in Chicago, after a stay of several years in the Antipodes. Rudy intends to become a real American citizen. He is still in the ring, and will be matched with Young Ahearn, Mike McFarland, Moran or any of the many "champs."

A. J. Flanner, recently appointed assistant to August Herrmann, chairman of the National baseball commission, begins his work at Cincinnati yesterday. Flanner is expected to devote most of his time to investigating minor league cases.

The Pittsburg Pirates, annual race of sailing yachts from the United States to Bermuda. The race will start from Boston, June 3.

The St. Louis A. C. five, which recently defeated the Hyde Park team of Chicago, under the name of St. Louis Franklins has been suspended from the A. A. U.

University of Illinois rooters are rejoicing over the prospects for a winner for next fall, by which three conference teams will be met on the Illinois field. Minnesota, Northwestern and Purdue are billed for the Illinois field. Coach Zuppke has taken his team to pinehurst on hand when they leave for spring training at Marlin, Tex., to lose than five weeks. Seven of the twelvers are veterans and seven newcomers are expected to report. Coach Crisham will be McCrea's mainstay for next season.

O. CARLSON'S SPRINGS MAY RIVAL WEST BADEN

State Chemist Passes on Water From Northern Indiana Resort.

Northern Indiana may eventually have a health resort rivaling in importance West Baden or French Lick Springs. The place is Carlson's Mineral Springs and is located six miles west of Hudson lake along the South Shore railroad. W. A. Carlson, son of O. A. Carlson, proprietor of the resort, spent the South Bend yesterday in the interests of an extensive advertising campaign and with a view of getting some dealer to handle the water from the springs, which is regarded as exceptionally fine for medicinal purposes. The water is being used by sports from a well or spring on the Carlson farm.

Little attention was paid to the flowing well, except as to its convenience for purifying and drinking of water until the Carlsons were persuaded to have a sample of the water sent to the state chemist, Dr. H. E. Barnhard, of Indianapolis, for an analysis. After showing the various substances found in the water, the chemist said: "The water is good water. The results of this analysis show the water to be quite similar to pure water, except that the amount of magnesium sulphate present is considerably in excess of the normal. In is the presence of this magnesium sulphate that makes the water its laxative properties."

The lake is near the springs and many people from northern Indiana have visited the spot. A spring house and a pavilion and a few other features have been added to make the site attractive. The Carlsons have now actually organize a stock company and begin an aggressive campaign for popularizing the springs. The water has been bottled and is being used in a number of northern Indiana cities.

INSTALLS OFFICERS OF FIVE CAMPS AT ONCE

Modern Woodmen of America Held Exercises—State Lecturer Speaks.

O. E. Abshire, of Illinois, state lecturer of the Modern Woodmen of America, was the principal speaker at installation ceremonies conducted last night in Place hall by the branches of the order of South Bend and Mishawaka. The exercises were open to the public and were attended by over 200 Modern Woodmen and their friends. Officers were installed for Colfax camp, No. 4, and Washington camp, No. 8474, M. W. A. and Golden camp, Royal Neighbors of America, all of South Bend and Mishawaka camp, No. 4788, and Polton camp, No. 4788, of Mishawaka.

Officers of the Royal Neighbors were installed, followed by an address by Mr. Abshire on woodcraft and fraternalism. The officers of the remaining four lodges were installed jointly, following the address. Several hundred were present at the exercises. The evening was concluded with dancing, the music furnished by Elkhart orchestra.

TWO CASES ARE ON DOCKET

One is Dispute Over Possession of Ordinary Yellow Dog.

Two cases, one resulting from the issuing of a search warrant and the other from an arrest for intoxication, comprised an exceptionally small docket before Judge G. A. Parsbaugh in the city court this morning. The search warrant case involved a dispute over the possession of "Prince," an ordinary yellow dog, which was taken from the home of Jerry Butts, last night, John Gleason, the principal in the other case before the court, admitted a charge of drunkenness and was released.

The dog, which was taken from the home of Thomas Watkins, 332 West Dividing street, last night by Detectives Stichter and Egenhoff, was placed in the possession of Mrs. Stella Watkins, pending the decision of the court as her own. Authorities stated the case would not be prosecuted, as Watkins claimed to have purchased the dog from another.

PACKY BOOKED FOR TWO.

Chicago Lightweight to Fight Twice in Week.

MEMPHIS, Tenn., Jan. 24.—Announcement was made yesterday by the Armory A. C. that Packer McFarland and Jack Britton have been matched for eight rounds on Jan. 30.

KANSAS CITY, Mo., Jan. 24.—Packy McFarland, the Chicago lightweight, has been matched last night to fight 10 rounds here on the night of Feb. 6. Barada recently fought a 10-round draw here with Johnny McCarthy, of San Francisco.

IMPETUS GIVEN PLANS FOR LABOR'S HOLIDAY

Committee Appointed by Central Union Reports at Next Meet.

Plans for the celebration of Labor Day were given further impetus in action of the Central Labor union here at a meeting last night. The union voted to proceed with plans at once and a committee was appointed, with instructions to report at the next meeting. The members are C. B. Kidd, Willis Taylor, Frank Taylor, William Krueger and George F. Schafer. Committees on entertainment and arrangements were also appointed by President Bert Gilman.

The union seated two delegates from the Horse shoers' union, which has been organized here, and took up on the credentials of two other delegates. Resolutions were adopted favoring the enactment of Illinois's immigrants and the state employers' liability bill.

In other resolutions the union gave its support to the public protest against the imprisonment for contempt of court of Fred D. Warren, editor of the Appeal-to-Reason, a socialist newspaper published at Girard, Kan. The union and the Central Mishawaka will hold an indignation meeting in the Elks' temple, Feb. 12.

NEW SEMESTER OPENS WITH BIG ENROLLMENT

First Classes are Conducted in Lincoln Schools—Many Promotions.

Increased enrollment in a number of school buildings of the city marked the beginning yesterday of the second semester of the school year. In the high school, 181 new pupils enrolled, practically all promoted from the eighth grade.

The new Lincoln school held its first classes. An enrollment of about 140 was expected but this was greatly exceeded, the total number of pupils being 180. The new school is running and keeping pupils from other buildings was accomplished last week and the school opened with everything in good running order. The relieving of crowded conditions in other school buildings is a source of gratification to the school trustees.

O. B. Windell, an instructor recently employed to teach in the night school will devote a part of his time to the High school, in such departments as require his services.

BUTTS CASES DISMISSED.

Practically no Evidence Declared Prosecutor in Affidavit.

With the dismissal of four cases in the superior court, Jerry Butts, of Jerry's hotel, 114 South Michigan street, who has been accused of serious crimes, is again a free man. The remaining cases were dismissed yesterday, following the acquittal of Mr. Butts on a charge of criminal assault. Affidavits filed by Prosecuting Attorney R. Montgomery set forth there is little or no evidence in any of the cases and that Butts has been acquitted of the strongest charge against him. Judge Vail Pleas sustained the motion and dismissed all of the cases.

The indictments against Jerry Butts were returned while C. E. Pattee was prosecuting attorney, upon affidavits of the man on various charges in the city court.

OLD HORSES CAUSE SUIT.

Claim Animal "Wind Broken" and Afflicted With Heaves.

Two horses, said to be "wind broken" and afflicted with the heaves formed the cause for a replevin suit before Justice George W. Kinky. Irvin T. Worden, Bartrand street, brought suit against Daniel P. Stilwell, Mishawaka, one of the defendant claim of the qualities of the other's horse when a trade was consummated. The two agreed to trade animals a week ago. Stillwell declared he had given a $20 mortgage on other property in addition to his own horses and the animal he received in trade was worthless. Mr. Kinkyard was granted in favor of the plaintiff. Andrew N. Hildebrand was his attorney.
