Fort Wayne, Ind., May 21.—Although outplayed and outfaded by the South Bend Greens, Fort Wagne was again favored by the goddess of luck and took yesterday's game by a score of 7 to 4. The contest was called in the sixth inning, at which time the disfavored was a veritable sea of mud. The pale cheeks broke loose in the fifth and the game should have been called before that inning ended but Umpire Kenny refused to stop and the players were obliged to work in the down pour.

Moffit and Carbiener were on the mound and both men did good work. Moffit showing himself to be a gamed of the best, on several occasions pulling out of critical situations by the finest kind of pitching. The Greens supported the young twirler in excellent style and played the kind of ball which should have won the contest. The game was featured by the sharpest kind of fielding.

Calger Gets a Triple.

Spangler, the big first baseman of the visitors batted in hard luck. He hit the ball hard and often but only once was he successful in making a safety and then for two bags. Calger picked out one of Carbiener's fast balls and landed on it for a triple. The score and summary was as follows:

EVANSVILLE WINS AT HOME.

Willis Strikes Out Eighteen Terre Haute Players.

Special to The South Bend Tribune.

Evansville, Ind., May 21.—The "river rats," as the "Newsboys" are styled by Terre Haute rooters made it four straight from "Hoffentoto" yesterday, winning the game by a score of 5 to 3 after an eleven inning struggle. Terre Haute's two errors were made in the opening inning and were largely in the nature of a gift, Pitcher Willis sending four men to first with passes. After the opening inning Willis was steady and he struck out 18 men.

Terre Haute led up to the eighth when three clean hits tied the score. In the eleventh two more hits sent Donner over the plate with the winning run. Both teams put up a pretty fielding game and Walters was the only man to make an error. The score and summary was as follows.

WEDNESDAY'S GAME AS SEEN BY THE FORT WAYNE NEWS CARTOONIST.

Mr. Clogswell mistook a knot hole in the fence for the ball, and while trying to plug it off, he made our winning score.

Mr. Tiernan, catcher for South Bend, formerly with the Fort Wayne Shoemakers, was kindly remembered by his old friends.

Meyers' slide to first, putting out a runner, was a play never before seen by many who attended yesterday's game.

Mr. Spangler's extreme length slide is his value in guarding the initial bag.

CENTRAL LEAGUE DIAMOND.

Greens Have Only South Paw Battery on the Circuit.

The Greens have the only left-hand ed battery in the league. Smith and Tiernan are both southpaws, and good ones too, says the Fort Wayne Journal-Gazette.

The Shamrocks of Fort Wayne presented Tiernan with a handsome gold watch charm yesterday. Tiernan is one of the most popular players who ever appeared on the diamond.

Terre Haute has given McGuire his release. He was too slow.

Pitcher Willis, of Evansville, spoiled all hopes of the Anderson team, and a general shaking up is to be made. Pache, the Anderson kid, who has been playing third has been released and Burke, of the Milwaukee team will take the position.

The Terre Haute papers are stirred up on a story about St. Louis offering Pitcher Scott $150 a month. The ultegram was from a catcher who wanted Terre Haute to pay him that sum. Scott will remain in Terre Haute. The catcher will not go there, he is many on the money question.

ANDERSON MAY LOSE TEAM.

Three Cities Are After Central League Franchise.

There is a strong probability that the Anderson team of the Central league will be transferred to some other city. Unless there is a material increase in the attendance during the next week or so at the games there is a chance will be made. Since the beginning of the season it is estimated that there were less than 2,000 paid admissions at Anderson and none of the crowds have ever more present than the 340 guarantee.

Three cities have applications for the franchise, Grand Rapids, Mich., Zanesville, O., and Danville, Ill., all of them good live baseball towns which interest in the national game is high. President Bennett has wired the director this morning to be begin an up-to-date canvassing of the situation.

MURPHY WILL RETURN.

Notre Dame Twirler Will Not Play Professional Ball.

Captain Stephen, of the Notre Dame baseball team, has received a letter from Murphy, the star pitcher, who was recently called home by a telegram, which says that he will return to the university as soon as his mother's health improves.

No reference was made to having signed with the Chicago Nationals and it is generally believed that his signing is only a rumor. A number of Notre Dame men have received letters from him since he left and those most intimate with the tall twirler have heard nothing about his entering the professional ball. Murphy's return will be eagerly awaited, as some of the hardest games are yet to be played and he has been relied upon considerably for these dates.
