Today's Scheduled Games.

South Bend at Terre Haute.
Evansville at Fort Wayne.
Grand Rapids at Marion.
Dayton at Wheeling.

Elmer Moffit with curves and speed, headwork and coolness, gave "Tommy" News and eight other Newsboys another crushing defeat yesterday afternoon and lowered the percentage of the Evansvillians to such an extent that the loss of today's game at Fort Wayne and a victory by South Bend over Terre Haute, will force the southerners out of third place and then advance the Greens one more notch towards the head of the Central league. Yesterday's contest, which resulted in a score of 3 to 1 in favor of the Greens was a superb exhibition of the national game, without the thrills of excitement which made the two previous games of the series the best that have been played in South Bend since the Greens' debut as leaguers.

Moffit was in great form and had for Sager's bad throw after making a brilliant stop of Crosse' line hit to third, would have pitched a shutout game. The lad from New Carlisle allowed only three hits, Russell and Booker being the only batters who hit safely. He in his seven innings he allowed just 17 men to face him and in the entire nine innings only 31 men stepped to the plate, all except five being retired before they could reach the first sack. In the eighth inning the young twirler got into a bad hole through Sager's wild throw to first and by giving a pass to Yank, but it was here where he brought into play his coolness. With two men out and with Cross and Yank on the bags, he got two strikes on Booker, before the latter fouled out a pretty single to left which scored Cross.

Two Men Are Fined.

With the head of the batting list on Evansville expected to tie the score, but the sure hitting Quin failed to connect and his lightness, "Cozy" Klever came to the rescue with a long drive to center and he said a few things which the former Princeton student didn't like and he made the fact known by showing his hand, with fingers outspread. Out of sympathy for his teammate, Bonner, told Klever "you are punk" and the three words cost him a "free spot."

Both teams played gilt-edged ball and there was "something doing" in all of the nine innings. As both pitchers had the batsmen over the infield the outfielders had more work than in two ordinary games, Anderson and Russell of the visitors and Crosswell and Grant of the home team. Russell was in the hot for South Bend and his work was perfect. South Bend scored in the second and fifth innings. Cogswell led off in the second with a double to right and was sent to third on Grosscheck's sacrifice. Kangler hit to center and "Cozy" scored. In the fifth Grant walked and reached second on Tieman's sacrifice and Tom News' error. He stole third and scored when Coffey flew out to right! Tieman scored when Anderson hit to Bonner.

Caught Between Innings.

The Greens left for Terre Haute this morning.

It was sad news for Tommy News to send home.

Evansville made only two runs and eight hits in the three games.

THE SCORE IN TO-DAY'S CENTRAL LEAGUE GAME

	1	2	3	4	5	6	7	8	9	10	R.	H.	E.
SOUTH BEND—	0	0	0										
TERRE HAUTE—	0	0	0										

Dr. and Mrs. Carson and son, Clarke, accompanied the Greens to Terre Haute to-day.

"The Greens are still gilding and the Soldiers are still sliding," says the Dayton Journal.

Yank recommended to Evansville by Grant has been signed by News and will report at Evansville next Sunday.

Tom News said that Sunday was a day he had anything. He's sleep his boys didn't get away with everything.

"Whoever Tommy News is having his troubles out then, Tommy is equal to the occasion." Thus he sets up the view of his arrival in South Bend, "It is not as bad as he having a bare lip."

The South Bend Greens are now winning with greater regularity than any other team in the league, and are climbing the ladder with the same uniformity.—Dayton Journal.

THE CENTRAL LEAGUE DIAMOND.

Fort Wayne Has Released Pitcher Niel Mason at Latter's Request.

Pitcher Niel Mason, of Fort Wayne, has been released at his own request.

The Grand Rapids players are trying a reputation over the circuit for their habit of experimenting on the bat, their hands, the grass, etc. It is said to be the greatest spitting aggregation in the business.

Dayton has several new players. They are amateurs and will be given a trial. One of them is a left wing pitcher. Because the management of the Old Soldiers did not cater to the wishes of Mayrose, sporting editor of the Dayton News, the latter has been landing knock after knock on the Dayton team.

"Since Jake Diesel, the California league player, has been at Cincinnati O., he has been flooded with offers. Diesel, after considering all propositions accepted that of the Evansville team as was stated in The Tribune."

"The Evansville club, however, will have a hard time to get Diesel, as before Deisel will be able to fulfill his contract. It seems that during the game Sunday Diesel wrenched his throwing arm in making a play which electrified the spectators."

Deisel was also wanted by Grand Rapids. Manager Ward had read of Deisel's great work and had gumshoed into the Queen City for the purpose of securing Deisel to play second base for his team. Deisel says, "my arm is in bad shape."

The Dayton Journal is one of the best baseball papers of the day. If the Dayton Journal's suggestion that the Old Soldiers would persue the policy adopted by the Journal and John Wood, Jr., the national game would receive a big boom in that city.

TROUBLE FOR BAN JOHNSON.

National League Magnates, Plan to Disrupt American.

From the inner councils of the National baseball league comes information that within ten days a coup will be exploded under President Johnson of the American league. John T. Brush, of the New York club, is thought to be the man who will touch it off, and it is said that he is planning a coup as sensational as the wrecking of the Baltimore American league club last year. It is claimed that a conference held here last week, which was attended by Brush, President Potter, of Philadelphia and President, of Pittsburg, was for the purpose of working out the Davis affair.

The reinstatement of Davis is said to be trivial in comparison to what is coming. Those on the inside would not be surprised if the National league magnates of the east should disrupt the American league and that the central states of the greater part of the league, by the formation of a competitive National league, which is now owned by sixteen millionaires, is to be greatly strengthened. That war will be reopened between the two major leagues of the country there is not much reason to doubt.

It is said that New York, Brooklyn, Boston, Philadelphia and Pittsburg will stand together as a result of the secret conference and the coup that has been planned is being worked with some smoothness. Johnson, Something of a surprise to the National magnates by Brush and Dreyfuss. The defeat of President Pulliam by August Herrmann, of Cincinnati, and the latter's positive stand against Brush has created a dynamite in New York.

Hugh Jennings, who was shortstop for the famous Orioles when they were making baseball history, is speaking of the Baltimore aggregation of players, warm enthusiastic and display in his remarks a big language.

"The old Baltimore team was the greatest team of ball players ever gathered together. There have been and are stronger individual players, but such team work will probably never be seen again. Why, you couldn't keep them out of the game. They were, maybe, a bit too aggressive sometimes, but it was only because they wanted every game. They would rather, every one of them, that you should put your hands in any one of their pockets and take a $10 bill than lose the game. Dorie Hoyle, McGraw, Keeler and all the rest played ball like fiends."

It looks like Cincinnati would be forced out of the National because Herrmann is upholding the peace commissioner.

Harry Stevens is crowding college players. He says of them, "I have seen all the eastern college ball teams in action this year, and the most impressive thing about their play is the intensity of the college spirit. There seemed to me to be more loyal enthusiasm of the spontaneous order and less of the claque at Princeton than anywhere else."

MAY REACH FIRST PLACE.

Goshen Paper Speaks Well of the Greens.

The Goshen Democrat says: "The South Bend Central league ball team has been doing some wonderful work in the past two weeks, rising from seventh place to fourth place in the column with less than a hundred points between them and the top. Out of 15 straight games they have lost 4 and tied 1. Saturday and Monday they defeated Evansville, one of the strongest teams in the league, and they are playing wonderful ball and are drawing larger crowds with every game."

Shamrocks Win a Game.

The Shamrocks defeated the Sunnyside Athletics by a score of 3 to 1 yesterday.

BIG RANGE IS INSTALLED.

Contract Secured in Competition With the Best Companies.

L. Matthews, superintendent of the Malleable Steel Range Manufacturing company has just returned from Lorenzetti, where he went with a large force of men to install an immense plant which the company recently constructed for the northern Indiana insane asylum. The range was so large that it had to be shipped in two sections and his cooking capacity for the 1,000 and over inmates and attendants.

The company secured this contract upon purely constructive points in competition with all the large range companies of the country. This is regarded as a great compliment to the company's fine as Dr. Rogers, superintendent of the asylum, is one of the most experienced and practical directors of institutions in the country.

The company is the only concern in Indiana and one of the few in the country which could take care of a contract of this size. Had the company not procured the contract, it would have gone out of the state.
