Evansville won yesterday's game from South Bend by a score of 4 to 1, the batting of "Dick" Kenz being responsible for four of the six runs made by the visiting aggregation. The locals were unable to hit Williams, late of Indianapolis, that man scattering the cripples down to four scattered hits. Added to this fact was the miserable umpiring of Connick, whose decisions were decidedly severe to South Bend.

Ferguson was hit hard during five innings of the game and the 10 hits made by the old timers, who are representing the town in the pocket, gave them a chance to have considerable fun in chasing each other around the bags. Despite this fact the game was lost to the home team by the score of three to one and would have shown the relative merits of the contesting teams.

In the second frame the visitors made their run on hits by Peer and Crum, the former crossing the plate when the latter sent the ball to deep right field. Kinsella, who had replaced Bergstresser, in the fifth, before the men with the whiskers had been retired the score had been increased to three, Kenz's single to left field, a base on balls and a wild throw to first by the Evansville pitcher having stopped "this point, but "his umpire" thought otherwise and his decisions on balls and strikes in the seventh cost South Bend the game. Williams, the Evansville pitcher, was in top form, fanning the air, and while Kain did likewise Umpire Connick had his hearings and in trying to straighten out the matter he made a mistake and called Schafer to bat. Mistake was realized in a few minutes later, crossed the plate on a long hit by Knox into left. McIntyre made the last run in the eighth on his own hit and Berryhill's double.

Kain was hit in the last minute it looked as if South Bend was due to get a run of goose-egg. In the ninth, however, a hit by Williams, a sacrifice by Williams and a fumble by Kain, Williams scored. The score and summary was as follows:

*Scoring of innings.

Not Off the Bat.

With the exception of a few, the fans are loyal to the team.

Meffit and Coons will be on the mound for the home team against the Louisville boys there again and it is reported as a good game.

Tom Williams is the best pitcher that has faced the locals this season, and he is still the time and when a batter is called upon up he has to keep his wits about him.

It did the fans good to see Quinn get a hit yesterday. The ex-Evansville is not in good shape, his ankle bothering him. He is though, full of the game and is a valuable man.

Dayton comes to-morrow and judging from the article of ball that team is playing there will be great doings at Springbrook park for four days. If a blank expect to repeat the three of a few weeks ago but that alone is not enough to play ball at the time.

HOODOO STILL FOLLOWS TEAM

Coffey is Sidelined While Trying to Get a Long Hit.

South Bend's hoodoo is still at work and the cripples had another addition to the hospital list, yesterday in "Eddie" Coffey, who in the absence of Grant is running the team.

The star left fielder in trying to reach a long hit in the seventh inning, spiked himself in the leg and it may be several days before the cut heals. He will not, however, be compelled to leave the game and it is well that it is so as there is no one to put into the game under two weeks.

South Bend now has five invalids on the sailor list but during the last of the winning streak of her games. The crippled list includes Coffey, Grant, Grant and Andrews. Those who are still working, but who should be on the bench are Cogswell, Quinn and Ferguson.

Grant is unable to walk without the aid of crutches and he joined the greater part of the day in bed. His foot is run to the bone and Dr. Bailey, who is attending the player regards the injury as very serious. Grant will be at the game this afternoon and watch the playing from a carriage.

BEMENT TO INVESTIGATE CASES.

President of Central League Will Visit Terre Haute.

Evansville, Ind., June 21.—President G. W. Bement, of the Central league, has received one side of the report of the scrap at Terre Haute last Thursday between Manager Hub Knoll, of Dayton, and Umpire Kiefer. According to Knoll's story he was struck by the umpire before he assaulted the latter. Bement will visit Dayton on his trip to Terre Haute to hear both sides of the controversy before he renders his decision.

President Bement also has another case to settle, that of Umpire Connick, who was in the game at Fort Wayne. Outfielder Curtis took Umpire Connick to task for one of his decisions. The big outfielder got contrary and was ordered off the field, but refused to go. He was escorted to the bench by a policeman and fined $5.
