DIED SATURDAY

Father of City Attorney Died in Eugene, Oregon, Saturday.

City Attorney James G. Kress, received a telegram Saturday of last week, stating that his father, Garwood E. Kress, who for the past 30 years has been a resident of Eugene, Oregon, died September 10th, at 11:55 A. M., death coming peacefully and quietly. The funeral was from his late home in Eugene Sunday last.

The deceased, with his parents, James L. and Mary Kress, came to this county in an early day, at a time when Alma had but one or two buildings. A large part of the land north of Superior street in this city, was, at one time, owned by deceased's father, who also built and run what was then known as "Kress Tavern" being located where the Presbyterian church now stands, but subsequently building and living in the residence now owned by Mr. and Mrs. Percy M. Smith, at 320 W. Superior St. In the early days of Alma, the deceased drove stage from this place to St. Johns, but on the breaking out of the Civil War he enlisted and remained in the service until nearly its close when he was honorably discharged. After his discharge from service, he married Eliza N. Hurlbut, a widow by reason of her first husband, Joshua Hurlbut, dying in the service, and whose maiden name was Eliza N. Robinson, her father being a descendant of the Robinsons who came over in the Mayflower. To this union were born two children, both living. Mrs. Nettie Kress Pennington of Eugene, and James G. Kress, Alma's City Attorney, who, with a brother and sister of the deceased, Theron A. Kress and Mrs. Rachel A. Gee, both of Sumner, survive.

The George W. Myers Post No. 132, American Legion, will meet next Tuesday evening at the rooms of the post, at which time a report of the state convention at Saginaw will be given by the delegates. New members will be initiated Tuesday evening, and a new social order within the Legion, which Commander Reece says is the "Concatedinated Order of Whiffwofs" will be instituted and candidates installed. Another matter that will be taken up will be the purchase of furniture for the post. The meeting will be called to order at 8:30 p. m.

The South Bend, Indiana, baseball team will meet the Republic Trucks on Republic field Saturday and Sunday, September 18 and 19, and the fans are assured of two of the feature games of the season, as this team is of the class of the Rail Lights of Toledo and the Staleys of Decatur, Illinois, both of which split even with the Truckmakers this season.

The Albion Red Sox, who have put up a superb game of baseball all season, compiling an enviable record, recently decided to add the pelt of the Republic Trucks to their pile, and to make certain of doing so, went out and secured all of the available diamond material, adding four real stars to the team, including a big league battery, that had Baumgartner of the Detroit Tigers on the pitching end. Proud, haughty and mighty cocky was that Red Sox team, but great was the fall thereof, as Hank Olmstead's Republic Truck team of game wreckers just toyed with the Red Sox until the eighth inning, when they stepped out and pounded nine runs around the paths, which added to two others that were annexed gave the Truckers an 11 to 3 victory.
