THREE WELL KNOWN MEN JOIN SOUTH BEND

GREENS TO PLAY TO-MORROW

Manager Grant Arranges Game With Reserves — Arrangements Being Made For Opening of Central League Season.

Pitchers Connors, of Bay City, Mich., and Scanlon, of Toledo, O., and Outfielder De Schene, of Detroit, have joined the South Bend Central league team and may take part in to-morrow's game with the South Bend Reserves at Springstown park. Manager Grant's efforts to secure the Fort Wayne Shamrocks in all the cancelled Legislature date failed.

The arrival of the above mentioned men is expected to greatly strengthen the Greens, as the trio is recommended as being composed of hitters. Connors played first base for Battle Creek last year, when not in the box and divided honors from the face with Harry Arndt. Scanlon, besides being a twirler is an infielder and may be tried at short.

Arrangements are already being made for the opening of the Central league season in South Bend. The directors of the South Bend Athletic club will issue invitations to all societies and lodges to take part in the programme of May 1 which will include a parade. Concerts by local bands will be features of the opening day and all of the first Sunday games.

Manager Grant's team will probably line-up his team for the opening game played at Terre Haute next Thursday, as follows:

Pitcher, Reed.
Catcher, Carroll.
Short stop, Beam.
First base, Spangler.
Second base, Grant.
Third base, Vorpagh.
Right field, Heller.
Center field, Robinson.
Left field, Anderson.

Besides the above men South Bend has several other men under contract. Of these men Schafer and Mott, local men, Daniels and Chamberlain have shown up in excellent shape. McLaughlin, the Toledoite and Pust, the Wolverine have not had much chance to show what they can do and may get another trial against the Reserves to-morrow. Pitchers Hines is still suffering from his sore arm and Pfeffer and Hogan who were called to their home because of illness in their families will join the team at Terre Haute. Hogan is a fast outfielder and is a hitter who will strengthen the team.

Terre Haute is Ready.

Terre Haute has completed arrangements for the opening of the Central league season in that city with South Bend next Thursday. Mayor Steg will pitch one of his celebrated personal twisters and Chief of Police Lynch will be given a home and let it be his the ball thrown by "Missouri."

Prices for admission for the season will be 25 cents at the gate, 15 cents for grand stand, with 10 cents extra for reserved seats. Seats on the covered bleachers will also cost 10 cents. Reserved seats will be on sale at least one day in advance of the game. Tuesday and Friday of each week will be given over to the fair sex will be given all privileges excepting seats in the reserved section.

Austin With Fort Wayne.

James B. Austin, released by the Greens, will be given a trial at second base by Manager Myers, of Fort Wayne. Austin has been playing independent ball for several years.

Terre Haute Wins Again.

Costly errors by Bloomington which let in four runs and the remarkable hitting of Thompson, who pounded out two home runs, gave Terre Haute a hard yesterday at Bloomington that the Illinois town could not overcome.

Dollar Drew No Interest.

In his speech at an Evanston day dinner in Boston the other evening Gen. Miles mentioned that while working in Ohio fifty years the dirt was he saved up a dollar and deposited it in a savings bank. He had not thought of it for many years, but he then determined to visit the bank. The id of dollar of the bank looked over their books and sure enough found that the dollar was there in the name of Nelson A. Miles. Unfortunately for him, however, no deposit of less than $5 draws interest, so he might as well have had his treasure hidden in a stocking.

Nicholas II., czar of all the Russias, works about six hours a day in connection with affairs of state, his salary for that time being in the neighborhood of $30 a minute. The next best paid ruler is Franz Josef of Austria, whose workday is good for about $21 per minute, just twice the sum Kaiser Wilhelm draws for a stint of similar duration. On the basis of a six-hour day King Edward must get along on about $15 per minute.

Office Got Satisfaction.

Curious issue of justice seem to prevail in Rome. A woman who was being assaulted by an officer, turned round and boxed his ears. The street challenged the woman's husband, who declined to fight; whereupon the officer brought an action against the woman for assault, and she was fined £41.
