CHAMPS GET VERDICT IN EXCITING COMBAT

MOORE'S WILDNESS LOSES GAME FOR SOUTH BEND.

GRANT SIGNS HENDERSON

Former Member of San Francisco Club and Northern Copper League Joins Team at Fort Wayne —Score is 1 to 0.

The Tribune's Special Service.

FORT WAYNE, Ind., July 23.—Fort Wayne took a freak engagement from South Bend as the second number of the series here on a ragged game. Moore forced over the pain with a base on balls and although the entire stadium was full of chances for fielding, sharp fielding and good hobby pitching helped both incumbents out of some tight situations.

Moore went to the bad in the second. Fromer was the first man up and walked. McDermott was sent up to sacrifice and made an attempt but things came directly for him and he pattered down to first on a present. Cast advanced Fromer. Bill Kelly bunted and advanced both men. With two men on, Grant gave orders to pass "Pepper" Clark, who long being hitting like a mule, was left to the mercy of Moore. With the same fall and one down, "Dougie" Miller pulled off a patterns stunt that netted him a walk and Proud Fromer over. After the damage had been done Moore tightened up and stuffed Blunt while Dickey popped to Grant and the inning was over.

The game was full of possibilities for both sides but the Benders suffered more from inability to hit when men were on bases and just nine of Grant's men were left on bases. Henderson, "Dougie" Miller, Joe Dickey, Bill Henderson, who formerly played with the semi-pro teams of northern Indiana, then went into Co-Operative Copper Leagues and finally released from the Pacific coast when he was one of the leagues. He made a hit and last but one chance which was an easy fly. In the first Coffey got a single and was sacrificed to second but second there until the side was retired. Moore opened the third with a hit and got second on a sacrifice. Joe Dickey on an out but was left on the bags. Henderson opened the fourth for Bells and was sacrificed to second but Fromer fled out and after Fox had grab down on a fine one Henderson was left. Moore opened the side was out. Moore gave another hit as a curtain raiser for the affair and Coffey advanced him, but Keshire and Sheehan failed him. Another chance was left on the bags when Sheehan was passed with two down and Hayworth hit but Henderson flied out. The final duty came in the ninth. With Thomas scored away. Moore opened the ninth with a hit and was put on a wild pitch but got nowhere as Grant flew to left and Henderson fanned. Fromer opened for Moore went out on a nasty chance to Henderson. Kelly with two men on, flat double place to which Grant, Kessler and Hayworth made part prevented any out getting. Fromer was on child in the fifth and Fromer was on second in the seventh but both scorching within the side was being retired. Score:

BIG PRICE FOR OWEN BUSH.

Former South Bender May be Sold This Season.

INDIANAPOLIS, July 23.—White Pitcher Bobby Marquard, the Indianapolis phenom, has been sold to the New York National league club for the record breaking sum of $12,000, the Indianapolis club will net twelve the bulk of the money until Hale has made good for New York. President Brush of the New York club will pay a small portion of the price as soon as good fetch, but Hale will have to show that he can win his games in the National league before a check is written for the whole amount. That rule applies to Marquard.

The Indianapolis club had set a price of $12,000 on Shortstop Owen Bush, but Bush's manager, Connie Mack, gave John a similar budget this week year on the condition that the sum should be paid for him on condition that he makes good. But little of the money will be paid over to Bush's manager after he has been tried and found satisfactory. There is no doubt about Bush being a good shortstop, but the question is if they could do as well in the major leagues as they have done in the A. A. No big league club owner is going to pay that price money for a shortstop unless Bush's handling is satisfactory for that.

NEWCOMBE PRACTICING DAILY.

Injured Player Will Soon be Able to Enter Game.

Baseball fans in South Bend are wondering what Manager Grant will do with Roy Newcombe when the big pitcher-fielder rounds into condition. Newcombe has been off of the game for several weeks and is now unable to walk without a crutch.

Practicing in Mishawaka, which recently underwent a slight operation, Newcombe has been walking out daily at Springbrook park. His ankle is a little better than it was but he is not able to place before the local airdrop home from the present road trip. Newcombe is a pitcher of more than ordinary ability and should be given an opportunity of demonstrating his worth in the Central league.

PLAYER SLASHES HIS MANAGER.

Outfielder Sender Attacks Clark While in Rage.

CHARLESTOWN, S. C., July 23.—Manager Wm. Clark, of the Columbia team, is in a hospital here suffering with several knife wounds inflicted by Outfielder J. C. Sender, of the same team, a brother of the famous Indian pitcher of the Carlisle and Pittsburg league teams. The assault took place on the steamer Iroquois five hours out from Jacksonville. Sender had been drinking and Clark went to him to remonstrate with him. Sender then drew a knife and in the row cut up Sender using his knife and Clark trying to protect himself with his hands.

Shannon to Join Pittsburg.

PITTSBURG, Pa., July 23.—The Pittsburg club last night announced it has paid $1,000 for "Spike" Shannon, of the New York club. Shannon will report to the Pirates in New York on Thursday and may be tried at first before the game with the Giants in New York only three hours away. Lobs for Shannon's release came from Mc-

KURKE GETS STIFFER FINE.

President Carson Assesses South Bend Catcher $50.

Instead of fining Catcher Frank Kurke of the South Bend baseball club, $25 as first reported, President Carson yesterday fined him for attacking Umpire McKenna.

To assure safe play between South Bend and Fort Wayne, President Carson yesterday fined Kurke $50 and with McKenna during the series and Lee ex-player began his duties yesterday in Fort Wayne. It is believed that no trouble will be started with Curtis on the field as he is too lusty for the average player.

BUCK FREEMAN BREAKS BONES.

Minneapolis Slugger Unable to Play for Some Time.

INDIANAPOLIS, Ind., July 23.—Physicians attending John Freeman, of the Minneapolis American association team, who was injured in an Indianapolis game while sliding to the home plate, informed him yesterday that one of the bones in his right shoulder is broken and he will be compelled to remain in the hospital for a few days at least. Freeman's injury is a serious one as it is known as "Sprain" Freeman.

NEW PITCHER FOR FORT WAYNE

Hendricks Will Try Out Either Maguire or Romaine.

FORT WAYNE, Ind., July 23.—Manager Jack Hendricks will probably try out either Romaine or McGuire in the game against South Bend today. Both men have been earning up fairly well the club and they are confident of one of them. Romaine is said to be the idol of the entire South Bend. Brand and Grant's men will show on the local lot only one more time and soon. The closing games are dated for Aug. 21 to 23.

McGRAW BRACING PITCHING STAFF

BUYS ANOTHER PROMISING LAD FOR EMERGENCY.

Weimer, Who Signed New York Contract, Failed to Report With Team in St. Louis.

ST. LOUIS, Mo., July 23.—Manager John McGraw, of the New York Giants is fortifying his team in the pitching department for the coming hard stage of the pennant race. He began by purchasing Jack Ellis who held down Pitcher Walter Scriggs from the Charlotte, N. C., club.

Ellis is a young man with a big reputation, and one of the leading pitchers in the South Atlantic league. He is now the property of the New York team, having been purchased outright, but it is doubtful when he will join the Giants.

"If it looks like I am going to need Ellis I will call him in any time," said McGraw, "but if I don't I may let him stay in the South Atlantic for a while. Pitchers are the things which are giving us the most trouble this season. What has become of Weimer remains a mystery. He fully intended to come with the Giants to St. Louis, as he was down at the station a few minutes before the time for the train to leave New York, dressed, but all signs and everything was satisfactory, yet he was not aboard when the team left Chicago. It was only believed that he would be in St. Louis, but he did not show up as he had failed yesterday, but he has not yet put in an appearance and no word has been heard from him.

Larry Doyle got a telegram from President Pulliam telling him that he had been suspended for three days for his run-in with Hank O'Day in Cincinnati. Doyle will be suspended and sent off at once for New York. Larry will be out of only one game in the Pittsburg series the latter part of the week. Bridg will hold down second in the meantime.

Mike Donlin is popular everywhere, but he is not popular with the Giants, if rags are acting that a cop offered by a newspaper is that city is the most popular ball player, has been voted to him by a tremendous majority of the fans in that city. In the same place a vote was taken on the most popular semi-professional ball player in the city and Donlin was beaten by long odds by Pitcher Tim Jordan, of Grove in after and who may or may not join the Giants next month.

Many Pitchers Are Released.

BLOOMINGTON, Ill., July 23.—Manager Charles Boerne, of Clinton, whose team is now promoter announced the release of Pitchers Ellis and Hoffman who was recently dropped by Danville and the signing of Pitcher Brodeur, formerly of Chicago, and Pitcher Tom Hallinan, recently released from Springfield. Catcher Ryan was released to Fitz, Mich., and Pitcher Rusty Owens unconditionally released by Springfield.

Veteran Ball Player Dies.

CLEVELAND, O., July 23.—J. A. Sumner, 42 years old, a veteran major league catcher, died of paresis at his home here yesterday. Sumner played caught Amos Rusie. He played with the teams of Chicago and Boston. A widow and two children survive him.

Bobby Lowe has assisted Pitcher Walter Dearey to his team. Dearey is a resident of Dayton and of late has been managing the Pike-Bluff team in the Arkansas league.

Fleming couldn't stand it any longer and he quit the Springfield club. Fleming's service to the Fort Wayne club and released Pitchers Miller and Gerhardt, $50 and announce any new records.

President Dovey, of the Boston, in an interview, says that the Chicago world's champions are all in. "It looks to us like Pittsburg and New York will fight it out," says the president of Columbia.

Hans Wagner made his eighth home run and his twelfth three bagger of the season in the game with the Cincinnati magnate in Pittsburg and he tied with Lobert and Leidy for first place in triples.

The Zanesville team has won eight contests in a string before coming home and made the trip to the Ohio town are in the last throes of excitement. A fan sent a good watch fob to Manager Kerr before the team departed which will be presented to the first infant pitcher making a home run on foreign ground.

Frank Bettey knew as "Pat" Bettey, who played for the Toledo club last season, has been made manager of the Middlewest team in the Ohio and Pennsylvania league. He was drafted Wheeling at the end of last season by the Washington Americans and later sold to Tiffin, of the Canal league. Bettey is but 23 years of age.

President, Herrmann, of Cincinnati, has secured an option on Outfielder Slattery, of the Evansville club, who is leading the Central league in batting. He is a right handed batter. Several other men have been recommended by Scout Hellbrener, but their identity is enveiled in the secrecy of mystery in which magnates and managers delight to wallow.

LONDON, July 23.—Final practice runs were engaged in to-day by the three men who are to race to-morrow, representing the pick of the best long distance runners of 17 nations, who will re-morrow contest for international honors in the olympic Marathon run.

Very differences of opinion exist among experts as to the probable winner of the great race. Some of the sporting dailies declare that the United States has small chance of winning the Marathon, but Dorando, the Italian Indian, is looked upon fortunately by many who have seen the red man in action. John Svendsen of Sweden, who showed up well in preliminary practice, is considered by many, Dorando, Svendsen, of Copenhagen, Dr. Pitcher Tom Hallinan, recently released from Springfield. Catcher Ryan was released to Fitz, Mich., and Pitcher Rusty Owens unconditionally released by Springfield.
