PHIL O'NEIL FILES SUIT.

Catcher of Grand Rapids Ball Team Sues Fort Wayne Policemen.

The Tribune's Special Service.

Fort Wayne, Ind., Oct. 5.—Phil O'Neil, catcher for the Grand Rapids club, of the National league, has brought suit in the superior court here against two of the city policemen and their bondsmen for damages in the sum of $5,000 each for illegal arrest and imprisonment. The arrest was made at the ball park in this city Aug. 18, when the Grand Rapids club was expected to play two games here.

The visitors refused to play one of the games, the first called. Manager Mauser of the Grand Rapids club, in making an explanation of the fact to the spectators in the grand stand, when O'Neil interrupted him in what was claimed to be an insulting manner. Mauser ordered O'Neil from the grounds and on his failure to go instructed the police to eject him. This they did and kept him in their custody for an hour. O'Neil is a graduate of Notre Dame university and a lawyer at Anderson, Ind.

HARVARD HAS A WONDER.

Mills, Candidate for Fullback Creats a Sensation.

Cambridge, Mass., Oct. 5.—Harvard has made another good find. The find is no other than Phil Mills, who played left end on the "varsity football eleven last fall. Harvard's coaches have suddenly "discovered" that Mills has the making not of an end, but of a phenomenal full back in him and to-day they proceeded to give the benefit of the discovery to the under graduate world.

The result was startling. Having only played the position of fullback in practice games and that only in signal practice, Mills created a sensation. On the first kick-off, Mills, in his white shirt, threw off a half dozen players and advanced the ball on a run for 35 yards. On the next play he smashed through the line for 15 yards, hurdling high into the air in a way that reminded the spectators of Tommy Graydon and a few minutes later crashed through 30 yards more, all this in spite of the fact that three coaches, Barnard, Green and Dick Lawrence, were playing respectively right guard, center and right tackle on the scrub.

IT IS A PARASITE.

That Causes Itching Scalp, Dandruff, and Finally, Falling Hair.

The Itching scalp, the falling hair and the dandruff that annoys are the work of a parasite hidden in the scalp. That parasite must be killed to cure dandruff, and the only preparation that will do that is Newbro's Herpicide. "Destroy the cause, not the effect," is the idea.

"I, Mr. Newbro, of Boise, Idaho, says "myself and wife have had dandruff and falling hair several years. Two bottles of Newbro's Herpicide completely cured us. We tried several other preparations and had failed to do good." Makes hair grow glossy and soft as silk. Hundreds of other testimonials—just as strong. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. Otto C. Bastian, special agent.

ADVICE TO DEBTORS.

Don't be Persuaded to Engage in Lawsuits—The Lawyer Gets Your Money—You Pay the Expenses.

Lawyers are expensive. It is far more honorable and profitable for you to make a fair settlement and try to pay your just debts and establish a good credit record, showing yourself to be an honest, industrious employee, so that employers will be pleased to hire you. Don't let your creditors worry you little and late, thinking to secure a lawyer to help beat your creditors, ruin your credit standing, make your employer trouble and stamp you as a willful, dishonest debtor and trouble maker and cause the business public to refuse you credit, thus employers to be afraid to hire you, through fear of lawsuits.
