PEP MARKET SHORT

LITTLE OF FORMER GINGER L. SEEN IN LOCALS' WORK.

LOSE AGAIN TO THE VETS

Visiting Dayton Bunch Secures Game Through Unambitious Efforts of South Bend Team by 7 to 5 Score.

Lack of pep among the local fielders and some pretty good pitching by Pug Malloy were responsible for the loss of a rather spotty game yesterday, the second, the locals have lost to the Vets who have no license to beat the South Bend team by rights. The score was within reach a good deal of the time, but the locals reach was much shorter than usual and a lack of vim at the bat seemed to work against them as much as the same lack in the field. The score was 7 to 5 and the runs on both sides were more or less unearned, though bingles were often.

Tom Williams was on the rectangle for the home team and did not pitch quite as good a game as he did against the Babes the other day. Not quite. The other curving gent was Malloy while his efforts were slightly off color he managed to pull through. The game was a disappointment for it was needed to help the Climbers get their feet on the Vets mage and as a result of the contest the positions are about the same as before. The people love Would the to see them.

Thinking that taking "their cute" as was done Monday was a bonah, the locals went to bat first. Angus led off with a single and was sacrificed to second abouts and Mohney didn't get another home run owing to the fact that he reefed the pill just far enough out to fall into the hands of Brescher. Hitzworth stepped the ball down the left line not only good fielding on the part of the Vets but good work by Cross forced to Rich and ended the round. The visitors came back fast. Walker singled to right at the start, but was forced at second on Beecher's hit and Walker was forced at third on hit and run game was then pulled off. Brescher running and Core hitting—safe to right again. Rich fled to Mohney and one tally came over.

Second Looks Good.

In the second it looked as though Williams was in a bad way for a time but the home boys Hotlzo was passed for a starter and Holycross beat a bunt a mile, but Malloy fielded the ball to first anyway and Bailey monkeyed with a fast one and got to second. Core third. Crotkamick shoved the alcohol right at Tug and on the throw to get Hotzo who was some furlongs away from home Rich dropped the ball and Core came home. Williams then struck out on Williams'delivery. Beecher hit and run game was then pulled off. Brescher running and Core hitting—safe to right again. Rich fled to Mohney and one tally came over.

GREAT PLAYER OUT

ROGER BRESNAHAN PERHAPS FATALLY INJURED.

HAS CHURCH'S LAST RITES

One of Best All Around Men in the Game—Manager of the Giants—Was Known in South Bend.

BULLETIN.

Cincinnati, O., June 19.—Roger S. Bresnahan, catcher of the New York National league baseball club, who was hit by a pitched ball in yesterday's game with Cincinnati was this afternoon reported in a favorable condition at Seton hospital where he was taken after his injury. It has been feared that a blood clot might form, but this danger seemed to have passed and his early return to the game was regarded as assured.

Cincinnati, O., June 19.—Roger Bresnahan, backstop of the New York National league team, probably has played his last game of ball.

In the third inning of yesterday's game against the Reds he was hit by a pitched ball thrown by Pitcher Coakley and knocked down. The last sacrament of the Roman Catholic church, of which he is a member, has been administered and this is taken as an indication that his injury is considered fatal by the doctors.

The ball struck him just back of the left ear and, while the physicians have been unable to find a fracture of the skull, they fear that a blood clot will form and terminate fatally.

After several minutes had been spent in efforts to revive him without avail, he was carried from the diamond by several of the Giants and a doctor summoned from the grandstand.

Three more physicians were found in the grandstand in less than five minutes after the accident and worked actively for about 15 minutes.

His first request was for a priest and the Rev. John Hickey, pastor of a church near the ball park, responded to the call. He administered extreme unction.

Bresnahan improved rapidly for about 15 minutes, but the lump back of his ear grew to immense proportions. He expected to go down from the effects of the blow and died in an hour he became unconscious again. An ambulance was hurriedly called and Bresnahan was taken to the Seton hospital.

Backbone of New York Team.

Bresnahan, one of the best known players in the game, was the backbone of the Springbroke of the New York team. Full of fire and energy during a game when playing his entire mind and soul was wrapped up in his work. Bresnahan was a member of the Baltimore team when Manager McGraw and Manager Robinson of the Orioles and McGraw took him to New York at the first opportunity. For a few weeks he was a member of the Chicago National league team where he was sold to the Giants to prevent losses with the local club.

Bresnahan was the idol of the New York fans during the world's series two years ago, sharing the honors with Christy Mathewson and "Mike" Donlin in that memorable series. He was the life of the team.

Last year he did the bulk of the work behind the bat, Meyers occupying a prominent place as a batsman.

Roger Bresnahan is well known in South Bend. He was a member of the Big Four team and played ball here often in the days when South Bend was represented on the diamond by the independent Greens. A great talker to the spectators he attracted much attention. He was one of the most popular men that ever came to this city about the commons. Bresnahan has played almost every position since he has been a member of the Giants and was a great player in each place.

WHEELING HERE TO-MORROW.

Will Play Off Postponed Game on Vacant Date.

The Wheeling series will start tomorrow afternoon instead of Friday according to the schedule, the Hinglas arriving early to play off a game which was postponed by first series on account of the cold weather. The Hinglas are to here over Sunday, playing four games.

Teddy Price's men have been on the road for the last week and the proper stunt is to get them while the going is good. There will be several new faces in the outfielders line-up and the team is capable of playing better ball than it has been doing on the present trip.

UMPIRE DAUB RELEASED.

President Carson Secures Langley, Former Association Man.

Umpire Jack Daub found the strenuous life of warfare too much for him and has been released by President Carson. The doctor has signed Umpire Langley, formerly with the American association, who will take a sub part on the staff. Langley is here to-day and will attend the game this afternoon.

Umpire Frank Kilian will work in the Dayton series beginning Friday. Mc-Kenzie will go to Springfield, Fitzpatrick to Grand Rapids, and Chill to Dayton.

E. WARNER DEFEATS GUY.

Only one game was played in the preliminary try-out tennis tournament yesterday, Eugene Warner defeating Miller Guy in two straight sets, winning the first by a score of 6 to 4 and the second by 6 to 2.

The following schedule will be played off this week, beginning:

Wednesday—H. Warner vs. Sharp, 4 p. m.; Carr vs. Summerglit, 4 p. m.; Bagard vs. Hoffman, play off a tie.

Thursday—Phillips vs. Price.

Friday—Hayward vs. Thorward.

Saturday—Wagner vs. Creed, 4 p. m.; McCollum vs. Anderson, 4 p. m.

Nutwood, 14; Lucky Farmers, 10.

Nutwood defeated the Lucky Farmers in a closely fought battle, the score being 14 to 10. The Nutwood team would like games with teams averaging 14 years. Notify Manager Frederick Bell, R., rural route No. 5.

Merriamy Gets Release.

Second Baseman Merriamy, formerly with Grand Rapids, has secured his release for sure from Manager Arnold and will play with his Lansing team in the Southern Michigan league.

Eddie Coffey Out Again.

Eddie Coffey was out in uniform again yesterday and warmed up before the ball rang. His knee is in pretty good shape and his arm will be in shape to-day, it is believed.

Sullivan Hit on Arm.

Eddie Sullivan, the rumored third sacker, was hit on the elbow in a game the other day and as his wing is out of commission he has got some rest. That's what he telephoned last night.

Concerns to Join Milwaukee.

"Buck" Connors is to join the Milwaukee team at Columbus to-day. He attended the game at Springfield yesterday.

JAP VAULTER TO VISIT THIS COUNTRY SOON.

MINORU FUJII.

With fresh laurels won in the land of cherry blossoms, Minoru Fujii, a native Japanese, student of the University of Tokio, is expected to arrive in San Francisco soon to compete for athletic honors.

The most notable feat performed by Fujii is his alleged pole vaulting record of 12 feet 6 inches. He is said to possess remarkable speed as a runner. The vault record is attested to by professors in Tokio.

Fujii is only 21 years old and is not yet fully developed. As may be seen in the picture, he is built after the fashion of the Japanese athletes that make him well adapted to sprinting. He will go to London after his visit to America.
