SUDDEN DEATH OF MRS. RANKERT THURSDAY EVE

Well Known Mishawaka Lady Passes Away—Wife of County Commissioner—Ill About Six Months.

Death came with startling suddenness to Mrs. Fred Rankert, 118 N. Spring st., Thursday evening, Mrs. Rankert has been ailing for six months, but lately she was thought to be on the way to recovery. Half an hour before her death she was sitting on the veranda of the Rankert home conversing with her sister, Mrs. Edward Forstbauer. A few minutes after she returned to the house she dropped dead. Mrs. Rankert's maiden name was Emma J. Michels. She was born Aug. 20, 1873, in Mishawaka, and is survived by her husband, who is county commissioner; her mother, Mrs. Michels, Mrs. Peter Michels, Mishawaka; Mrs. Edward Forstbauer and Mrs. William Meixell, sisters, all of this city, and by her grandmother, Mrs. Charles E. Emswiler, also of Mishawaka. The funeral will probably take place Sunday.

Mrs. Rankert suffered from a complication of diseases, but she bore these with Christian fortitude. Her husband is one of Mishawaka's best known and best liked citizens and the sympathy of the whole community goes out to him, in this, his hour of bereavement.

SPECIAL PICTURE COMING TO CENTURY.
The most exciting and thrilling photo drama that George Klein has ever produced in this country is his latest success, "Between Savage and Tiger," a magnificent six part production by the Cines-Cos. of Italy.
It presents a story of adventures and romance in the jungles of India that fairly bristles with action and keeps the spectators in a constant state of feverish interest and enthusiasm. Tigers, water-buffalo, antelope, savages and all old wild elements which the jungles of India abound are utilized in rounding out a constant tale of gripping interest. This remarkable entertainment is to be seen here for the first time in the Century theater on Monday, Tuesday and Wednesday.

It is safe to predict that George Klein's latest photo drama "Between Savage and Tiger," the wonderful Cines-Cos story of romance and adventure in the jungle of India, will prove a greater money winner than anything this astute manager has yet produced. There have been jungle pictures produced before and romantic stories located both in Africa and India, but this is positively the first instance where the most exciting adventures with wild animals that can possibly be conceived have been blended with a romantic tale of human interest and is bound to be a tremendous success. Mr. Klein's productions of "Quo Vadis," "The Last Days of Pompeii" and "Antony and Cleopatra" have appealed to lovers of classics and to particular classes of society, but "Between Savage and Tiger" has a big interest for all, young and old, educated and uneducated—everybody can comprehend it and everybody can enjoy it.

COMPLETE PROGRAM FOR MEMORIAL DAY

Plan Big Parade With Organizations and School Children—Will Have Exercises in Battell Park.

Final arrangements for Memorial day exercises have been completed by the local Houghton post, G. A. R. The main feature of the day will be the big parade with exercises in both the cemeteries and park. No other plans have been made for the day excepting by those who will visit the graves of the departed during Saturday. There was some talk of making Saturday a holiday in Mishawaka, but it was finally decided by the majority of business men that they keep open their stores. Houghton Post has issued the following program for Memorial day: Members of the local post and all ex-soldiers of the Civil and Spanish wars will meet at the headquarters in Odd Fellows temple at 1 o'clock Saturday afternoon.

At 1:30 o'clock the procession will form at the corner of Main and Third sts., under charge of the officer of the day, M. M. Fisher, and move in the following order: Platoon of police, Woolen Co. band, Houghton post, G. A. R., and auxiliary soldiers, Boy Scouts, public and parochial schools, local organizations and citizens.

The line of march will be north on Main st., halting enroute on the bridge to strew upon the bosom of the river floral offerings in memory of the Union sailors dead, and also pausing at the soldiers' monument to pay tribute to all the patriot dead whose deeds and memory the shaft perpetuates.

From the monument the line of march will proceed to the stand in the west end of the park, where the order of exercises will be as follows: Sounding assembly.

In the case of rain the exercises will be held in the Odd Fellows' temple. Upon the completion of the program the assembly will be sounded, the lines reform, and march to the Catholic and Protestant cemeteries, where the sacred and patriotic duty of strewing with flowers the graves of departed comrades will be performed by the surviving comrades.

At the conclusion of the exercises, taps will be sounded and the column will march back to headquarters and disband.

NEWS-TIMES BALL TEAM DEFEATS TRIBUNE SQUAD

The News-Times indoor baseball club defeated the Tribune indoor club by a score of 10 to 5 on the city hall diamonds Thursday afternoon. The game between the newsboys was extremely exciting and many passersby stopped to watch the interesting contest. Several good plays were made by both sides. The Tribunes were favored in appearances before the game started and it was expected that the little lads from the News-Times would be badly beaten, but the reverse of the game showed that they were the fastest in all departments of the game.

The line-up for the News-Times was: Knobloch, Miller, B. Opelt, Shirk, Weber, Opelt Dosman, Shirk and Richard. Line-up of the Tribune: McMellin, Eberhart, Smiley, Tibbory, Dosman, Thamlar and Middleton.

"BALL-BAND" TEAM WILL OPEN SEASON SATURDAY

Woolen Company Representative to Contest Studebaker Squad at North Side Ball Park.

The opening of the Manufacturers' league between South Bend and Mishawaka for this season will occur Saturday afternoon when the ball band team of the Woolen company of this city will contest the Studebaker squad on the north side diamonds. The officials state that the usual ceremonies of an opening game will be observed as it is Memorial day, and no effort will be made to detract from the memorial exercises. On June 6, however, when the Oliver squad will appear against the locals it is planned to put on a big parade and demonstration in which the supporters of both teams will participate. The Ball Bands have been making vigorous efforts to get together an unusually strong team this season and it is believed that the hopes of the Ball Band rosters, to be a pennant team, will be realized. Under the leadership of Manager Squibbs the Ball Bands have a fast bunch of youngsters and the team has been rounded into form rapidly during the past few days.

Manager Squibbs has not yet announced his line-up for Saturday's game, but it is quite probable that Rex Porter, the fast little pitcher, who has been displaying so well for the city team and who came here from Geneva, O., to try out for the South Bend team of the Southern Michigan team, will be on the mound for the Ball Bands. Much is expected of Porter this year and the team supporters are counting on his puzling the Studebaker hitters in Saturday's game. Raab will catch for the Ball Bands.

The officials of the Manufacturers' league are entertaining hopes that the league will be supported this year by Mishawaka fans and that a large crowd will turn out for the opening game. The officials also state that they seek only to pay expenses and that the low admission fee of 15 cents at the gate is charged. Ladies will be admitted free.
