SHEEHAN AND CRAVEN REPORT TO GRANT FOR WORK

FT. WAYNE GETS A CUB RECRUIT

OUTFIELDER CHANNELL WILL STRENGTHEN TEAM.

SHOWS GREAT PROMISE

Hendricks Seeking Second Baseman to Fill Donahues Place Until Latter Recovers From Appendicite Operation.

The Tribune's Special Service.

FORT WAYNE, Ind., April 7.—The announcement that Manager Frank Chance had decided to sell Outfielder Channell, one of the most promising recruits picked up by the Cubs this season, to the Fort Wayne management leaves no doubt as to who will take care of the positions in the outfield this season and the new man will add greatly to the batting strength of the club. He will be sent here at once. Last winter he was offered to Manager Jack Hendricks on an option contract but the adoption of the anti-freezing rule at South Bend would not permit of taking the player with that kind of an agreement. He batted .314 in the Ohio State league last season and was bought by Columbus but lost to the club on a new option. He will come to Fort Wayne on a straight deal.

With Harry Hammond Walter Mitchell, Jack Morris, Ed. Van Ando and Mal Middlecoff in good shape and a most promising recruit in Ed. Pfefer, Manager Hendricks will have a difficult time picking his pitching staff. Hammond and Mitchell did good work against Milwaukee and made good right off the reel. Hammond and Middlecoff showed great form in the same contest and both are likely to be retained. Van Ando and Pfefer are highly recommended too. Joe Sprague McGrath has been let go as he is not up to Central league form.

Seeking Second Baseman.

A good second baseman is being sought by the club to fill the place intended for Frankie Donohue, who is under a surgeon's care at Springfield. The operation was a serious one. The latest advices are to the effect that he is getting along nicely but it will be several weeks before he can play ball. Pete King is filling the place and is a fast and steady man. He does not show enough at the bat, however, and will be retained at short and Frank McDermott at third and Guy Dicey at first.

Elston is here and has signed and he and Hount and Channell will constitute the outfield. Hount has arrived in good condition and will probably be back in his 1907 form which means that he will stick. Harry Downing has been released and Jack Henry and Gus Fogel are being held on the catching staff. Hendricks has been working with Fogel in utility roles and indications points to a strong team for Fort Wayne this season. McDermott has played in but one game but he has covered the ground in that game and looks like he will prove to be the fielding wonder of the league during the season.

Hendricks has started out with strict rules in the matter of good hours and good habits and the men have been working faithfully. Pitcher Robertson has not reported although he was expected the early part of the week. He will be looked over before the pitching staff is selected and if he shows up well he will stick. He is likely to get a berth. Charlie Alberts is not only holding out but has refused to report and has not written what he intends to do. The management is not worrying about him as there are plenty of pitchers on hand without him.

ATHLETICS 2; PHILLIES 1.

Jack Coombs Wins Own Game With Two Men on Bases.

PHILADELPHIA, Pa., April 7.—The Athletics won their first game in the spring championship series with the Phillies yesterday by the close margin of 2 to 1. Pitcher Jack Coombs performed the unusual feat of winning his own game with two men out. Hallmuller and Oldring were on bases in the seventh inning with the score 1 black for both teams. Coombs came to the bat and Hallmuller was left on first, driving both runners across the plate. Although the Phillies made one run in their half of the seventh they could not overcome the lead benefit. Coombs's pitching was a feature of the game played on the National league team's grounds and up to the seventh the Athletics found Foxen absolutely invincible.

LOGAN SQUARES WIN.

Callahan's Take Second Victory From Locals in the Rain.

CHICAGO, April 7.—Logan Squares won their second victory over the South Bend team yesterday in a six inning struggle terminated by rain. Pitcher Callahan of the Logan Square team pitching a magnificent game for four innings. Martin, the South Bend twirler, was hammered hard in two innings, when most of the runs were made. Score:

Logan	1	1	2	0	0	0	0	5	9
South Bend	0	0	0	0	0	0	1	1	1

Batteries: Torrey, Walbrack, and Howard; Martin and Thomas.

Reports From Harry Hoffman.

Reports received in this city from Hoffman training quarters in Kalamazoo are a most optimistic light on the prospects of the South Bend twirler's string in the coming campaign. Col. Sullivan, in letter from Hoffman recently, was informed that ball birds were all clocking Lady Luck's pitcher. Hoffman is working northward last winter. According to Hoffman the mare is stepping along about 2:06 but Col. Sullivan says he is swallowing all such reports with a grain of salt.

New Indiana Trolley League.

EVANSVILLE, Ind., April 7.—A trolley baseball league including Evansville, Princeton, Vincennes, Huntington, Rockport, Boonville, and Mount Vernon, all in Indiana, and Henderson, Ky., is being formed here. The promoters have issued a ball field here and are fencing it. The league opening will occur on May 22.

CENTRAL LEAGUE NOTES

EVANSVILLE, Ind., April 7.—Evansville held the Cub "nine" to a six inning tie yesterday. Umpire Taylor calling the game because of alleged darkness after each side had scored six runs.

Incidentally the visitors are entitled to more on his score for this and a decision in the fifth when Landgren was called out for leaving third base on a fielder's choice. He had been caught. Hart's decision was reversed.

Stalnbacker is trying to induce Manager Chance to let him have Butler but so far has received nothing of a satisfactory answer from the "peerless leader." Score by innings:

								R	H	E
Chicago	0	0	0	0	1	0	0	1	5	2
Evansville	1	0	0	0	0	0	0	1	5	2

Batteries—Evansville, Cady, Vollendorf and Winchell; Cubs, Needham and Kinsella.

The Cubs left this morning for home to Haute. Mordecia Brown will work for the world's champions.

TERRE HAUTE, Ind., April 7.—Roger Bresnahan's Cardinals trimmed the home team yesterday afternoon by 5 to 1.

FORT WAYNE, Ind., April 7.—Heavy rains prevented the game with Fort Wayne this afternoon. The teams will clash to-day.

Bill Robertson, the pitcher purchased from Pittsburg, reported to Manager Hendricks yesterday. Releases were handed out to Harry Downing, catcher; Pete McNulty, infielder, and Ed. Ryan, outfielder.

HIGH SCHOOLERS WORK ON DIAMOND

TWENTY CANDIDATES HAVE REPORTED TO GRANT.

But Two Old Men Eligible—Play Corby Hall To-morrow at Notre Dame.

With ideal baseball weather for the last two days, Capt. Grant, of the High school team, has had his horsehide chasers don in uniform working at Baker's field in the first real practice of this season, although a few aspirants for the team have been out before this week in short practices.

About 20 candidates reported yesterday afternoon. Buckley and Grant are the only members of last year's team eligible to play this season and the team will have to be chosen from entirely new material. Kannowe and Young, the two twirlers who so successfully held all opponents last season have been proven deficient for their studies and will be ineligible. Fitzgerald, the regular catcher on last team, the star outfielder, will also be missed as he did not return to school this term.

Of the new material to chosen from Coach Grant, who is taking charge of the practice, will be capable of holding down the club position. Bively possesses the most stuff and with his fast breaking curves will make many a batter sit up and take notice. Bowley, Cordier, Clemens, Grant and Nibbe are all good outfield material while Bowen, Whitaker and Weber will form a great combinations for the outer gardens. Bowen looks like the one bright light in the field. He hits the ball well and has a good strong wing.

The first game of the season will be played to-morrow afternoon at Notre Dame against the fast Corby hall star. Manager Rittinger has not as yet completed the schedule, but expects to have it out in a few days. The lineup as announced by Grant for to-morrow is as follows: Buckley, catcher; Young and Bively, pitchers; Clemens, 1st base; Grant, 2b base; Nibbe, ss; Bowley, 3rd base; Bowen, left field; Barwell, center field; Whittaker and Shenefield, right field.

LID ON GOTHAM FIGHTS.

Police Commissioner Bingham Begins Crusade Against Clubs.

NEW YORK, April 7.—"Fogo fights must stop." This edict, issued yesterday by Commissioner Bingham to the police is the latest chapter in the crusade which Eric Hughes has begun to put an end to fistic encounters given under the direction of so-called athletic clubs, not only in New York city, but in Brooklyn and Long Island.

"I am going after the fistic clubs," said General Bingham while discussing a letter he received from Eric Hughes asking why the Knickel-Orphan bout had been permitted to go for 10 rounds without police interference.

Asked if he believed the law is being violated by the athletic clubs, Gen. Bingham, with emphasis, said:

"I certainly do."

Commissioner Bingham, it is reported, will explain to Gov. Hughes why athletic clubs have been permitted to give exhibition bouts of at first three rounds, then six, then 10. Gov. Hughes, it is understood, will use the facts obtained by Mr. Jerome in a report to the legislature of 1910 in which he will advocate more rigid laws to regulate sparring matches in athletic clubs.

NOTRE DAME MAY PLAY SERIES WITH SOUTH BEND

Coach Curtis Wants to Arrange for Contest Next Week.

Although Manager Curtis has not yet been able to see Grant, it is probable that a game or series of games will be arranged between the Notre Dame leaguers and the Notre Dame ball tossers for some time next week. Curtis took a trip to Springfield yesterday afternoon and talked to several of the players and will make an attempt to see Grant to-day.

It is understood that Curtis is not satisfied with the way his team is charging up and feels but a couple of hard games before the contest with Albion next Wednesday will prove beneficial to the collegians.

FIVE GAMES FOR BADGERS

Faculty Refuses to Lengthen Football Schedule.

MADISON, Wis., April 7.—The Wisconsin faculty last night refused to lengthen the football schedule, and the Badgers will play but five games next fall. These have been arranged with Chicago, Minnesota, Northwestern, Indiana, and Lawrence. The professors took a more favorable attitude toward the proposition to allow the team to leave for Poughkeepsie before the final examinations in June.

Mammoth Brewing Co's Genuine Buck Beer will be on the market Thursday, April 8. 612

ENTER CRAVEN AND DANNY SHEEHAN

KURKE AND WALSH NOW ONLY ABSENTEES.

TEAM BACK FROM TRIP

Entire Squad Will Start Finishing Touches for Saturday's Game With Sox This Afternoon—Grant Pleased With Showing.

BULLETIN.

Catcher Kurke reported to Manager Grant this afternoon.

The arrival, last night and this morning of Danny Sheehan and Mike Craven, cut Manager Grant's list of absentees to two men. Walsh and Kurke. Walsh has promised to report Sunday and Kurke. It is understood, was to arrive to-day but there is still some doubt among the prospective collegiate as to his intentions.

The team reached South Bend from the Chicago trip last night and this afternoon will see the re-united squad back at work at Springbrook putting on the finishing touches for the biggest card on the exhibition schedule, the game with Comiskey's White Sox which is booked for Saturday.

The sad news of his brother's sudden death, which greeted Ben Koehler on his arrival, may mean a change in the lineup. It is rumored that if Koehler does not don his uniform Kelly will probably take his place at short and Shoeneck will work on third base.

It is understood that Grant is very well satisfied with the showing the boys made in Chicago, although they failed to cop the first honors in the series. Monday's game against the Chicago Nationals was lost by the combination of the loop. The weather was good and the boys worked well. Yesterday's game was little short of a farce. All the men it was possible to favor were given a rest and the team presented a much patched up appearance. Grant, however, was pleased afterward with ball throughout the session.

All the men returned in good shape and ready for a hard two day's grind before the coming series.

REDS AFTER KLING; CATCHER FOR TRADE

CINCINATI NATIONALS MAY GET GREAT BACKSTOP.

Miller Huggins, McLean and Spade Offered for Great Player of World's Champions.

The Tribune's Special Service.

TERRE HAUTE, Ind., April 7.—John Kling, generally admitted to be the greatest baseball catcher, has been offered in trade for three Cincinnati players by Manager Chance, of Chicago National league team. Kling has been offered for Pitcher Bob Spade, Catcher Larry McLean and Miller Huggins, second baseman, according to rumors here. Kling is now the idol among the world's champions. Kling last year signed a three year contract with Chicago club but is known to be dissatisfied.

TRACK MEET POSTPONED.

Gives Place to High School-Corby Hall Bill Game.

Because of the High school-Corby hall baseball game to-morrow afternoon at the college, the track meet, scheduled between Brownson hall and the local track meet artists has been postponed to some future date.

Captain Sternberg was well pleased with his team showing against Carroll hall last Saturday and has been training his squad at the fair grounds this week in preparation for the meet with Benton Harbor High school next Saturday at Notre Dame.

Coach Rockne's training contended only of a light practice, the runners contenting themselves with merely jogging along to get acquainted with the out-door track. The weight men have not been working out as they have not as yet gotten into form. The shot put seems to be the only event in which good material is lacking.

Kingsley will attempt to lofer his best period next Saturday although the 100 yd. dash will be a close contest between Kingsley and Ryan.

After the meet with Benton Harbor, Captain Sternberg will put forth every effort to get his men in form for the Michigan Aggies meet April 17, which eight High schools will compete. The meet will be held at Notre Dame.

KOSCIUSKI BOUTS TO BE POSTPONED

FUNKEY AND McFARLAND MATCHED FOR APRIL 15.

Chicago Lad Comes With Rep as Classy Fighter—Bertha Harbarite Has Friends.

Because of the intervention of Holy Week, the regular semi-monthly programme of bouts at Kosciusko hall which would fall to-morrow night will be postponed until a week from to-morrow, Thursday, April 15.

Promoter Balka has arranged for an especially fast go for the main bout the matching of Young McFarland, a Chicago boy and Kid Punkey, the Boston Harbor lad who was made the victim of the Sasco two weeks ago. Yesterday's game was little short of a farce. All the men it was possible to favor were given a rest and the team presented a much patched up appearance. Grant, however, was pleased afterward with ball throughout the session.

All the men returned in good shape and ready for a hard two day's grind before the coming series.

Both lads are good boxers and both are especially fast go for the main bout the matching of Young McFarland, a Chicago boy and Kid Punkey, the Boston Harbor lad who was made the victim of the Sasco two weeks ago. Yesterday's game was little short of a farce. All the men it was possible to favor were given a rest and the team presented a much patched up appearance. Grant, however, was pleased afterward with ball throughout the session.

All the men returned in good shape and ready for a hard two day's grind before the coming series.

McFarland is more or less of an unknown quantity among the local fight fans but those who have watched the Chicago lad closely say that he is a classy mixer who will make his opponent go the full route to hold him.

Punkey, who is a pupil of Tommy Ryan, made quite a hit with those who witnessed his fight with Myers two weeks ago and will have a strong local following when he enters the ring.

The main bout will be a 15 round affair, of Chicago, will mix it up with Speed Cole, a local boy, at 115 pounds and Kid Gallagher, who has appeared in previous preliminaries will be matched with some local light at 125 pounds.

The third man in the ring has not been selected but Promoter Balka will provide a man of sufficient ring experience to preclude the possibility of another such affair as the last.

HOLD WRESTLING PRELIMS

Notre Dame Students Qualify for Trials in Three Classes.

The preliminaries for the wrestling championships were held in the Notre Dame gymnasium last evening. The following men qualified for the finals: Heavyweights, Edwards and Alling; middleweights, Ryan and Ryan; welterweight, E. Sims and J. Sheehan; featherweight, E. Bruce and W. Sexton. The finals will be held in about two weeks, when the boxing finals will also take place.

LODGE HONORS MEMBERS.

Social Session Given by South Bend Court of Ben Hur.

Mr. and Mrs. Edward E. Carr, who will leave shortly for Des Moines, Ia., to make their home, were given a mark of honor at a social session of South Bend court, No. 41, Tribe of Ben Hur last night. Refreshments were served and an hour spent in dancing. Routine business was transacted at the regular meeting of the lodge.

Storm Prevents Important Meeting.

A general meeting of the Board of Commerce called for the Auditorium annex last evening was held. The severe storm prevented, only about 15 persons attending. The meeting was accordingly postponed without date.

ROADS IN GOOD SHAPE

Chances for Favorable Legislation Along This Line Better Than Ever Before—Enmity Between Motorists and Farmers at End

The ranks of local and northern Indiana auto owners are being greatly augmented by the spring rush for cars and more so this year than at any previous time.

Each succeeding year sees a diminution in the hostilities between the motorists and farmers, because of the increased restrictions exercised over the former by their own associations on the one side, and the broadening out to a realization of the usefulness of the machine on the part of the farmers and this year the outlook for favorable legislation on the good roads movement is better than ever.

The roads in this section of the state are reported by autoists to be in better shape than they have been at this time of year for seasons. L. N. Otis has made several trips to nearby points in his Franklin car. He says that the roads to Mishawaka are good and to Eagle lake, near Edwardsburg, are in first class shape considering the time of year and that all necessary repairs have been made on the road to Bertha smoothing out ruts and ditches. The other side of Edwardsburg the motorist runs into the Michigan state where the going is rough but on the gravel highways it is fairly smooth.

Dr. C. A. Daugherty has recently purchased a Franklin car. He has a 35 horse power Franklin car. The machine carries five passengers, has 32 inch wheels and is of the latest finish construction throughout. Fred Ross has purchased a 35 horse power Franklin roadster and S. G. and J. C. Eberhart, of Mishawaka, are expecting delivery of 1909 high power Franklin roadsters.

Dr. Frank Ford of Freeman has purchased a 15 horse power Franklin touring car which should be seen in South Bend often during the summer.

G. Bertram Sharpe, advertising manager at Studebaker, and Robert Mitchell, of the sales department of the Studebaker guildhouse which came through from Denver recently, for Detroit on a road machine trip.

The maps will be used in the guidebook which the Studebaker company publishes annually. The party expects to return Saturday.

Committee Meeting Off.

The bi-weekly general committee session of the common council failed to materialize last night and matters on the table will go over to the regular council meeting Monday night. Several appeared last night, but a quorum was not obtainable.

Eichler Case Continued.

William Eichler pleaded not guilty in the city court to-day to stealing $12 from Emmanuel Gorney. His case was continued until next Saturday, Judge George G. Pottenger placing Eichler's bond at $200.

STRIBUNE COLUMNS OPEN TO AMATEURS.

Recognizing that the amateur baseball world will depend on The Tribune for all the official news of the game in this city, for the next, the leading sporting journal of South Bend has opened its columns to all those interested in amateur and semi-professional baseball, where its services in any way may be of use.

To all, The Tribune will devote considerable attention to all news of the amateur circle, and all players, managers, clubs and aspirants are invited to use the columns of this journal. Results of all games played in St. Joseph county will be printed, all data are desired, in fact, any and all news of the doings by the teams will be taken care of. The aim is one catering especially to this class of readers.

All items should be sent to the sporting editor Branch Phone 15, Tribune Building.

S.S.S. CURES SKIN DISEASES

The cause of all skin diseases can be traced to some humor or acid in the blood; the cuticle is always healthy where the circulation is free from impurities. When the blood is infected with acrid or unhealthy matter it cannot perform its natural work of nourishing the skin, regulating its temperature and preserving its normal softness, pliability and healthfulness. Disease and irritation then follows the delicate fibres and tissues around the hair follicles and glands and produces some of the many forms of skin disease. The itching and stinging so often experienced is caused by the acrid humors being by the deposit from the blood of the acrid humors with which it is filled, into the sensitive membranous flesh lying just beneath the outer covering, and surrounding the countless nerves, pores and glands. This explains why scratching the outer skin affords no relief from the itching and burning. S. S. S. cures Skin Diseases of every character by purifying the blood. It goes down into the circulation and removes the humors or acids which are causing the trouble, builds up the weak, acrid blood, and permanently cures every variety of skin affection. Local applications can only soothe; they cannot reach the seat of the trouble, which is in the blood. S. S. S. goes right into the circulation, reaches the trouble and cures it by removing the cause. Book on Skin Diseases and any medical advice free to all who write.

GOOD WORK

Done Daily in South Bend—Many Citizens Tell of It.

Nearly every reader has heard of Doan's Kidney Pills. Their good work in South Bend still continues, and our citizens are constantly adding endorsement by public testimony. No better proof of merit can be had than the experience of friends and neighbors. Read this case:

E. H. Emery, painter and paperhanger, 103 Pennsylvania Ave., South Bend, Ind., "I willingly confirm the statement I formerly gave for publication in 1904, telling of my experience with Doan's Kidney Pills. The nature of my work and the injurious effect of the turpentine on my kidneys caused me to suffer considerably. There was an extreme weakness through the small of my back and I had terrible headaches. Learning of Doan's Kidney Pills, I procured a box at Chipman's drug store and obtained the beneficial relief promised. Doan's Kidney Pills cured me and I have not been troubled since, thanks to Doan's Kidney Pills."
