The Central league season of 1903 will end to-day after one of the most brilliant and exciting fights for the pennant in the history of the national game. Rare, indeed, has been the occasion when it remained for the final clash of teams to decide the championship, but such is the case in the Central league, as the result of the contests at Evansville and Terre Haute this afternoon will decide the championship.

Which will it be, South Bend or Fort Wayne? To-day, according to the official standing as compiled by President Bennett, Fort Wayne leads South Bend by 10 points, but according to the decision which the board of directors will render at the league meeting next week, Fort Wayne will certainly lose one game from her won column and have it posted on the list of losses. Such being the case Fort Wayne really has a lead of only four points, and a victory for South Bend and two defeats for Fort Wayne to-day will give the Greens the pennant with a few points to spare. It is also understood that the directors will decide against Fort Wayne in regard to Terre Haute's protested game, wherein Mautner successfully pitched a game against the Railroaders contest by a score of 9 to 0 because Terre Haute left the diamond at the end of the eighth inning in order to catch a train. At that stage of the contest the score was 6 to 6. President Bennett ordered the game to be played over, but Fort Wayne refused to obey.

The Tribune's Special Service.

Terre Haute, Ind., Sept. 16.—South Bend made a great finish yesterday and won a brilliant 10 inning game by a score of 5 to 4.

In the early innings Terre Haute looked like a winner and until the ninth held the lead, but the Greens, fighting to the very limit and desperately contending every play, made such a game uphill fight that they deserved to win and the most faithful Terre Haute fan does not begrudge them the victory.

Both teams played fast ball. Terre Haute jumped into the lead in the opening inning, through timely hitting which sent Decker and Thompson over the plate. Cogswell pitched his first game of the season for South Bend and during the first half of the game was pounded for a few hits. He did good, however, he stood pat in the five remaining innings gave Terre Haute a row of zeroes. Tiernan, whose hand was injured Monday, played in right field.

While the majority of the "Hunkies" were busy looking for a nap in the grandstand who called them, for lo! "Jiggs" a chance to win the game yesterday was thrown away. It happened in this way: Ross Thornton, one of the Three I league stars, was playing in right field for Terre Haute and in the first half of the fifth inning he made a brilliant catch of a long fly ball. The Greens had tied the score in the ninth and they made one more in the 17th. As the "Hunk" came in from the field some one in the stand yelled at Thornton, "I guess you are not showing some of those duke up!" As Decker went to bat half of the team was parading in front of the players bench looking for the man who had been brave enough to say what perhaps two-thirds of the rooters were thinking. In the meanwhile, with no one on the coaching lines, Decker drew a beauty to right which got lost behind the grandstand. Decker rounded the third, and was thrown out at home a few minutes later on Thompson's fly to center field. Anderson relinquished ball by a remarkable throw. Thornton played a great game in right field.

The score was as follows:

THE CENTRAL LEAGUE DIAMOND

Pitcher Fred Coordes is Signed by Fort Wayne.

Fred Coordes, Terre Haute's star amateur pitcher, has been signed by Fort Wayne. Coordes is a youngster with a bullet for shoes the average, rivaling Jack Orin, of Marion, in size. He has plenty of speed and an outdrop that has gone a long way toward establishing his strike out record. In a recent game with Coalmont he struck out 19 men. During a game in Pimento four years ago a ball delivered by Coordes struck Theodore Ray on the right temple and he died three hours later. Coordes then refused to continue playing. Since his return to the game this year he has shown a marked improvement in control.

Catcher McKinley, Third Baseman Lally and Pitcher Wallace have been released by Evansville. Lally has failed to make good on the team, while Wallace was never in the running. McKinley was allowed to go in order to reduce expenses.

Perch Wilder, an Evansville player, who has been one of the stars of the Kentucky-Illinois-Tennessee league will finish the season with Evansville at third base.

Treasurer W. W. Irwin, of Wheeling, states that he had received no less than four offers for Outfielder Geo Curtis from National and American league clubs, and the scouts for Pittsburg Lester Roesen and John Fox. It is also said several other members of the Bogie team will be in demand before many days shall have elapsed. With Shannon already sold, and offers being made for Curtis, Roesen and Fox, it will be seen that some big league magnates have sized up the Bogie team as something like its real worth.

South Bend led in the Labor day attendance, Wheeling was a good second, while Evansville and Marion were a very poor third and fourth respectively. The attendance in detail was as follows:

	a. m.	p. m.	Total
South Bend	3,200	4,345	7,545
Wheeling	650	2,400	3,050
Evansville	50	650	700
Marion	60	300	360
Totals	3,960	7,695	11,655

"South Bend papers are letting out an awful howler because Evansville refused to play ball on the final series," says the Fort Wayne Journal-Gazette. "It must be remembered that Fort Wayne is going up against the same team that South Bend did and nobody with a grain of common sense will believe that President Bennett has enough brotherly love concealed about his person to allow President Mautner to win a game except that it is wrong in its metric." The Tribune has not at any time since the organization of the Central league "let out an awful howler" because the teams have been strengthened. In the interest of national sport and for the betterment of the league, Evansville made a wise move in strengthening the ex-Newsboys line-up for the final rounds. The Greens had out in the "pocket" but not because Bennett intended to favor South Bend, but because Evansville did not have kicks to register. They are not poor boosters. The Crawfordsville Star says: "On next Thursday an exhibition game of baseball will be played at the college grounds between the ball teams of South Bend and Fort Wayne. Herb Smith will pitch for South Bend. At a recent game between these teams it took 17 innings to get the game, and these two teams are contending for the state championship. It will be a drawing card here and notice will be given upon all railroads."

NOTRE DAME HAS WORK.

Captain Salmon Gets New Men For Varsity Eleven.

The Notre Dame football squad under Capt. Salmon indulged in an hour's hard practice yesterday. The men showing the effects of the work on account of the warm weather. Dorsey, of Chicago, came in yesterday and will try for a position as back. Conway's work was satisfactory. Several new men were out in uniform. The Pennsylvania crowd, with some to material, is expected to-morrow.

There was considerable rejoicing at the Northwestern university when Phillips, one of the guards of last year's Carlisle Indian team, known as the "line breaker" was out for practice with the purple jersey.

John F. Tobin, of Nebraska, will try for a place on the University of Chicago eleven this fall.

Walter Schoenfeld cannot play on the University of Chicago football team this year, he is ineligible. Schoenfeld was one of the strongest players on the team.
