The South Bend Greens lost to Grand Rapids yesterday by a score of 8 to 5. The game was played at Springbrook park and although the day was cold and unsuited to baseball, 1,200 fans in overcoats braved the weather and rooters for the locals.

Neither team was in condition to play the game as they are capable of doing, the long jumps of the past week and the irregular nerals having played havoc with the nines. Despite these conditions the men fought hard for victory.

GrandRapids got up the best fielding game and although outhit by the Greens, the visitors landed on Schafer in an effective manner. Phil O'Neil and Richler played good ball for Grand Rapids. The star of the game was Groeschow for Grand Rapids. Schafer shortstop. The Greens' Dayton made a brilliant exhibition in faultless style and batter at 1,000, getting a single, double and triple in three times up. In the five games which Groeschow has played with the Greens he has batted very near the .500 mark. Grant at second and Caiger at third also put up a splendid article of ball.

Greens Outbat Visitors.

Simonton was touched up for two triples, three doubles and eight singles, a total of 22 bases, but even with this record against him, the tall Wolverine pulled the game out of the fire.

The Greens opened strong. Coffey making a triple to right, and scoring on Cogswell's double. In the sixth inning Groeschow's double, Grant's single and Simonton's error on Coffey's fly gave the locals two more runs. One run was scored in the third on singles by Anderson and Cogswell and Caiger's sacrifice. The last run was made in the eight when Groeschow scored on his own triple and Grant's single.

"Lefty" Geyer was responsible for Grand Rapids' first two runs. In the first he put the ball over the right field fence, after Burton reached first on Caiger's error. As a result of three hits by Nippert, Simonton and Maloney and Cogswell's error, the visitors made three runs in the fourth. One score was made in the fifth. Schafer passed Nippert; Burg hit and Coffey dropped O'Neil's fly. The last two runs were made in the seventh on hits by Richler and Nippert and Anderson's error. GREENS MADE A HIT.

Wheeling Papers Say South Bend Has Strong Team.

The South Bend Greens made a hit at Wheeling last week and the price of that city as well as the papers of all other towns which have been visited by the Greens, spoke very highly of the club. In reviewing the games the following comments were made:

News—Grant's team has team work down pretty fine, due to the intelligent leadership of the little Scotchman. * * * If Groeschow keeps up his present pace at short and in batting the Dayton management will regret having let him go. * * * Coffey is a lucky fellow that he got on to Price in the third, but the umpire called it foul. * * Anderson had a busy day in center field, pulling down five fine fly catches. Caiger is a speedy man at third. * * Schafer pitched for the South Bends, and he had the Wheelings at his mercy after the first inning. All told he allowed but three hits for a total of five bases. * * * What the Rooster crowd did was a plenty. Just when the fans had come to the conclusion that here was a chance to work up into the first division, a disagreeable surprise was sprung on them and the Greens went off off the field with a well-earned victory.

Intelligencer—There is nothing about the playing of the South Bend team in the two games here to suggest the tail-end place. They are snappy and gingerly and a lot of colts who will make good as the season advances. Manager Grant knows the game and sets a pace which his colts will do well to follow. His farting work on the bases was a feature of yesterday's game. Schafer pitched a good ball in the fifth inning for Price was off his form and was hit hard. He stopped immediately after the fifth of a hit, as the ball went slowly to Price, and he wisely gave Beatem 2 in the bag.

Telegraph—The "Greens" appear to be a pretty fast set of players to be occupying last place. Anderson in center made some nice catches as did Coffey in left. He robbed Carter of one against the fence. "Red" Cogswell in right is an old timer here and pitched for Dayton in the other days. Groeschow at second made a few fine work but. Grant is an old hop, but the rest of the bunch appear to be youngsters, and pretty speedy cash. That little Mr. Smith was the feature thing in a week-one twelve game here this season. Catcher Tinnan is also a lefty, and outside the first inning they played championship ball. Wheeling only knocked five balls to be punched the entire game.

South Bend has a very neat uniform. Green suits and red caps. Ditto stockings. Manager Grant is a strategist. * * Wheeling people who saw the South Bend Greens play have cause to understand how they are in the last place in the Central league. They appear to be as good as Fort Wayne and better than Anderson or Dayton. It is one of the uncertainties of baseball when a tail ender plays like a winner. * * The Greens have a good one in Anderson, who plays center. * * After two were out in the ninth Childs fought big of Cogswell, a hard hitter, and walked him to first. Spangler was easy money. * * In the sixth Cogswell made a home run with the bases full for the Greens.
