## FORFEIT MONEY POSTED BY TEAMS

THREE FIVE-MEN SQUADS WILL REPRESENT CITY.

### TWO ELK AGGREGATIONS

Lodge Clubs Will Bowl in Special Tourney for Order Trophy —Buettner's Cafe in all Events.

Forfeit money for the A.-B.-C. tourney at Detroit, Mich., was posted this morning by two Elks' teams and the Buettner's Cafe of Smith's alleys. The three teams are entered in all events and at $5 a man for each event, the total for each team is $75, for the three teams, $225.

Schmitz, Engelbrum, Casimier, Stagles, and Hart, will make up the Elks' team of the Antlers' league. The Elks' team of the Elks' league will be composed of Holland, Clark, Dennis, Ellsesser, and Van Kirk. Buettner's Cafe will have the following men: Sheets, Zimmerman, Campbell, Carnahan, and Walters, who will make up the regular team. Bolnbl will serve as substitute and will also bowl in the two-man events.

Both the Elks' teams will compete in the Elks' special tourney for the national trophy. In last night's game between the Elks and the Antlers, the latter team won the contest by 10 pins. The scores stood: Antlers, 1,000; Elks, 990. The Antlers averaged 200 each, a very good average.

The Tongues and Spokes are still in the lead in the Schlabaugh and Fox bowling league, winning the three games in the Beatrice last night and the result put the Stickbakers in fifth place. The Hounds are still the rank tailenders, having lost three games to the Elks.

Buettner's Cafe got chased for two last night in the Business Men's league, when the Walkoverz took the big half. "Scobbles" were frequent in the first game, Buettner's Cafe winning only 7-0. In the second game the Cafe got above 900 and won, but dropped the third.

Despite the high game of the Elks last night, they still continue to be the cellar team, having more than one game and with the Turks playing the Sioux to-night, it looks like the latter will increase their margin. That runaway race has begun to back-track and the Elks are expected to have a hard time in keeping in the first division.

## ZYBSZKO NO LEMON.

Pandemonic Pole Who Meets Giant German Has Class.

Stanislaw Czyzzelewicz Zybszko is the full name of the pandemonic Pole who will meet Delgrind, the German giant, at St. Hedwige hall Sunday afternoon.

Zbyszko is a representative of the highest type of the Polish race. He is well educated and has plenty of money in his own right. He is not in the game for the money he can get out of it. The beautiful gifts nature has bestowed upon him, he wishes to pit them gifts against the best in the world in the world, and if he can find a better man than himself, he will be happy. Physically speaking, Zbyszko was known throughout the length and breadth of Europe for his feats of strength long before he became famous as a wrestler. It was while performing "tricks" that he took the name of "Zbyszko" in the theaters throughout the length of professional career.

Since coming to this country, the man has refuted every statement that he was another mauler gentler with the ladies than Hackenschmidt. He has defeated the best with whom he could be matched and his next great bout will be with Stagbrod. The German is a clever wrestler of great strength, who has been throwing all comers in New York.

## CALL MICHIGAN JESTERS.

Fort Wayne Team Says Wolverines Have the Ball on.

The merry pokers the Michigan athletic control board has the bombs and bells on. The latest is the statement that Notre Dame will be "permitted" to meet Michigan this coming football season. If Notre Dame will abide by the Ann Arbor school's eligibility rules. It is to grapple with northern. The Indiana school shows stripped into the Michigan jester's game. The jester of Michigan a lovely little bantling he is scarring yet, immediately the bowl went up that Notre Dame was loaded up by the gents, yet before the Pegs-Wolverine game was called off, the Fort Wayne talent, it was shown that two of Michigan's stars were rank professionals. Now Michigan has the nerve to insist that Notre Dame live up to her standard of eligibility. It is hardly possible that the Michigan jesters will get the bom and steel mills, scour the farms and rummage through lumber camps and investigate blacksmith shops to gather up huge chunks of muscle and begin to go to Notre Dame with the intention of playing five or more years.—Fort Wayne News.

## TEAM VOWS REVENGE.

Opponents Declare They Will Start Season With Victory.

With one team vowing to make up for a defeat of several weeks ago and the other team declaring it will start its schedule with a victory, the business men and office men chasing of the Y. M. C. A. gym, will meet at 7:45 o'clock this evening. The Y. M. C. A. signals of the business men not yet in the following team-mates: S. R. Arbogast, A. E. Ahrendt, R. C. Gibson, W. Passmoth, O. J. Dunning, and F. M. Hatch, are expected to be the starters. Opposing them are Charley Alward and the following lineup: Tuey, Fernandez, R. C. Shaskin, A. Mdd Creed, Fred Gardner, S. J. Ulery, and George Turner.

Brademas Club Wins.

Brademas Cribbage club defeated the Bragg Cribbage club at the Bragg cafe on East Jefferson boulevard last night by a score of 41 to 34. Each club won one game and the tie was played off at the Bragg club Tuesday night.

## CIRCUIT SPARKS.

Johnny Duggins, the hustle southpaw from out by Dayton when Ed. McKean was manager, will be with Indianapolis, in the A. A. next season. He has been traded by Nashville for Ed Hemphill, a southpaw who was with the same year Owen Bush came to this city. Both were figured too slow for the Central and went to the Ohio State league. When that organization folded up, Hemphill went to Nashville and Bush returned to Dayton. Duggins has been a good man in the Southern.

Fort Wayne has five men under the reserve rule, which Dayton will have trouble of the Central league next spring a few weeks are. Four of them are from Charleston and one from Detroit, and with the old men that Varhes has gone to Charleston from Dayton, a great deal of trouble is going to arise, a winning combination, especially with the drop that Varnell has with the major leagues.

Louie Smith, the Tot president, is without doubt, the busiest man in Dayton. Smith is a hustler and anything to come in and he is arranging for exhibition games in the spring. "Pug" Bonin has come through with signed papers and in a brief note said he would be ready to "do his stuff" for the back stretch. It is carried. Just at present "Pug" is taking the baths at Mt. Clemens, Mich., getting the muscles limbered up and "toning up the system" after the strain of his jobs during the winter. Bonin said he didn't need the baths particularly, but had so much of his last season's salary left that he thought it would be a good idea to circulate in the Wolverine state.

Jack Taylor, of Dayton, handed just more statistics like any other baseball on the circuit. Nine times he held his opponents scoreless in the 1909 games he pitched for the Dayton club. The Old National league worked two shutouts in succession for the Vets. His opponents did not reach third base in either of the games.

Here's the list of the men that have signed with Dayton for the 1910 playing management. Anyone that you don't know personally can safely be put down as a promising ballplayer with the feet to his credit, a world of speed and a good, good, good, good reach from home to the end of Africa. Pitchers, Richardson, Wolfe, Phillips, Quinn, Eckert, Compton, catchers, Stratton, Krebs McGinley; first base, Ward; second base, Hemphill; shortstop, Duggins and Lentzmeyer; shortstop, Duffy, Nebblinger; third base, McClelland and Graf; outfielders, Mayer, Mowrey, Bland, Donahue, McGee and Scanlon.

## NOTRE DAME WINS GAME FROM BUTLER

GOLD AND BLUE TRIM DOWN STATE SCHOOL, 49-16.

Coach Maris Tries New Lineup Which Works in Form—Team Play is Good.

In a game that abounded with spectacular plays, Notre Dame defeated Butler yesterday by a score of 49 to 16. The lineup that Coach Maris tried for the first time seemed to work better than any of the previous ones, although in the beginning of the game the men were a bit anxious and team work was lacking. However, as the men became used to the positions they worked together in fine style and the team work was a crack. The lineup was as follows:

| Notre Dame. | | Butler. |
|---|---|---|
| Fish | Right Forward. | Kingsbury |
| Melony | Left Forward. | McKay |
| Preese, Williams | Center. | Thomas |
| Matthews, Wilson | Right Guard. | Silver, Van Wert |
| Uhlenwell, Fitzsimons | Left Guard. | Adams |

Goals from field—Fish, 10; Melony, 1; Preese, 2; Matthews, 2; McKay, 1; Uhlenwell, 2; Fitzsimons, 1; Thomas, 1; Kingsbury, 1. Goals from fouls—McKay, 2; Matthews, 1; Referees—Barrett, of South Bend. Timers—Kay, of Butler; Stover, of Notre Dame. Time—20 minutes each half.

## HIGH SCHOOL COBBS OUT.

Diamond Candidates Gradually Loosen up Arms for Hard Work.

Baseball instead of basketball was in order in the old High School building Wednesday. Outfielders and infielders were given opportunity to loosen up a bit, and large numbers of candidates for both were out. Among the outfielders were Ward, Ryan, and Al Scott Moody, shown up for the best, as far as can be judged by the limited field of practice. He shows fair speed and has a good delivery. Ryan showed up well in practice, and promises to be a better equal to them of the past two years.

"Ox" Yoman, shortstop club house with "Bill" Kahoun on the championship 'ld team, appears every night to warm up a bit, and seems to have lost none of his old speed and control.

Jack Rowan's Father Dead.

PITTSBURG, Pa., Feb. 10.—John Rowan, 80 years old, father of Jack Rowan, manager of the Cincinnati Reds, died yesterday at New Castle, from bronchitis. He was employed at the Red Jacket furnace there many years. His wife and five children survive.

## E. H. MILLER IS A FAN.

Treasurer of Trust Company Attends Majority of Games.

Eugene H. Miller treasurer of the American Trust company, is a baseball man who feels the call of the greensward, of the bright sunshine, the balmy air, and the restful excitement of a baseball game during the season.

"I suppose I attend on an average of four games a week while the team is at home," said Mr. Miller. "Sometimes I go to every game out of the week and other times to only two or three. I go just as often as I can, I suppose. And sometimes I go when I can't.

"Many a time have I returned to the bank at noon, vowing I would not go to the game that afternoon because I had work to do, and then, later in the week, find at 2 o'clock I would bound a cab and go to Springbrook.

"Baseball is like a theater or something of that sort. One day you see a good game and the next a bad one. Or, you see a good one and the next time you don't see the good one. I see them all and when the game is rotten I take it for granted and don't bawl. I think the game is a good recreation for business men."

## Men Are as Helpless as Children

When Taken Suddenly Ill—Here is a Common Case Explained.

Big, strong man is as a helpless infant when he is suddenly ill. The sturdiest chap in town usually becomes a pitiable object when he is unable to regard his condition with the common sense that characterizes his everyday actions.

For example: He comes home tired, eats a heavy dinner, and sits down to read and spices away a quiet evening.

Suddenly he notices a weight on his stomach; then sharp pains around his heart, and a feeling of suffocation. Thoughts of "heart disease" rush over his mind and his agony he has the worst.

His trouble was acute indigestion brought on by overloading his tired stomach.

A couple of Dyspepsia Tablets would have given him instant relief—would have saved him hours of suffering.

Carry a package of Rexall Dyspepsia Tablets with you. Be prepared to keep them in your vest pocket. Take one after each heavy meal and indigestion will not bother you.
