BETS \$1,000 THAT NILES TAKES SERIES

**SOUTH BEND BASEBALL FAN
BACKING BUNNY'S ORGANIZA-
TION STRONG**

Special to The News-Palladium.

NILES Sept. 3.—Eddie Coffey of South Bend, chief scout and booster for the local baseball team, has wagered \$1,000 that Bunny's organization can win a five-game series from St. Joseph.

The bet was made a few days ago with a St. Joseph enthusiast.

According to the articles of agreement Niles will not be permitted to use our "X. Y. Z." pitcher, who cleaned up on Benton Harbor so decisively a few weeks ago.

The twin city sportsman has no objection to Kelley pitching the entire series, but there can be no other changes in the lineup.

Manager Marshall has agreed to carry out Mr. Coffey's program and the date of the series will likely be announced within a few days.
