# BRONCHOS ARE NOW AT DAYTON FOR THREE GAMES

## CENTRAL PLAYERS HAVE WON FAME

BIG LEAGUES HAVE THICK SPRINKLING OF CARSON'S STARS.

BUSH IS THE BEST OF ALL

Graduates From Circuit are Playing With Leading and Tail End Teams of Both Major Leagues.

The opening of the drafting season has caused much speculation on the probable list of Central league players who will go to the big leagues this year. The Central enjoys the reputation among the major scouts of being a fertile field for star material. The class it organization has sent many stars up the line and not a league in the country but has representatives of President Carson's circuit on its playing list.

Pittsburg, leading the National league, has relied on the clever work of Maddox, ex-Wheeling, to hold their opponents while they were piling up runs. Marquard, the $11,000 beauty, who learned the game with Canton, is rounding into form for the Giants, holding the Cubs to three hits Saturday, and striking out eight men. "Mordecai" Brown was discovered by Mrs. Josh Smith, wife of the owner of the Terre Haute club.

Jody Dunn and Moffit Kustar of last year's champs are owned of Brooklyn. Ferguson, once with Giants is playing with the Boston Braves. Outfielder Saleeden, formerly with Canton has been with the Cubs. Catcher Bresnahan Canton was last year with the Giants but has been sold to the Rochester club of the Eastern league and is making home runs every two or three games.

The first four men on the Cincinnati Reds' batting order are Central league graduates. Bescher is left field, Paskert in center field, Hoblitzel at first and Rowan were with Dayton, and Hobby was with Wheeling, Jewis Ewing, Ed Phelps, Bresnahan and Bescher, Central, went to Cincinnati from Grand Rapids where he won the pennant.

Austin and Engle, at third and in left field for Cincinnati, Central, also were both former Vets. Joe Doyle was with Wheeling and Carroll formerly with Canton has been signed by the Yankees. Dixie Walker goes to Cincinnati from Wheeling. Ed Reulbach was bought from Kelly from the Bronchos, Collins from Terre Haute, Vowels and Wilson from Canton, and Street from the Vets.

### Two Bushel Speed Boys.

The Boston Speed boys have Charley French and Frank Donohue on their roster and Robertson with Fort Wayne had tryouts with the Red Sox. French has made good in every game he has played in the outfield. Donohue's choice of backing McDonnell out of Rile Job. Donohue is a brother of Bill Donohue and Jay Donohue saw playing in the Central leagues.

Jimmy Sheckard was a tryout with the Bronchos when Birch was the phenom around the short field is now a substitute infielder with the Boston Nationals.

Smith and Summers, another Centralian, are playing with the Detroit Tigers and are assisting materially in holding that team in the front of the rain. Summers pitched great ball for Springfield with in the Central. Owens Root, the Tipper antagonist of Johnson, is now with the Cubs in baseball at South Bend, from where he went to Indianapolis. McGraw, of New York, was seriously considering buying Root at the same time he purchased Mathewson. Root was called up in a game at Indianapolis in which Rooh figured took all such notion out of his mind. The bears were full and two out with Bush at the bat. It was natural to expect Mac to take a hand at the game. McGraw called Root aside and told McGraw said he had intimates and pleas that the opposition were not expecting, but that was going beyond all reasonable limit. However, Root is making good with a vengeance in the Hoosier.

Now that Fo Thomas is on the hospital list, Livingston is doing all the backstop work for the Philadelphia Americans and is holding his own pitching Johnson and Bill Bernhard. Wheeling furnished Bernhard. Wheeling furnishes many number of other players from the Central, who have got ten trials in the big show, a few of whom are Buff Stagem, Howard Ogden, Fisher, Gill, who was recently sold by Pittsburg to the Cubs, Bresnahan, Maddox, Barbeau, Wacker, Frost and Ed Walker, but most of these players are now in either the Association or Pacific Coast leagues, the fastest of the class A circuits.
