WIN THE THIRD GAME

EVANSVILLE PLAYS RAGGED BALL ALLOWING SCORES.

FERRIAS BACK IN FORM

Great Returns to Line-up and Puts Ginger Into His Players—South Bend Slaughters the Ball in the Seventh Inning.

The Tribune's Special Service.

Evansville, Ind., May 18.—By taking advantage of the frequent misplays of the Evansville fielders the Grantites won easily the third game of the series with the "Little Evas" yesterday, the score being 8 to 1.

All the way it was a South Bend victory as the locals were unable to touch the plate but once, and the Grantites earned runs enough to win by bunching hits even if the locals had played in better form. It was evident from the start that the visitors were going to take the reef out of the sails set by the "Little Evas," and they did it nicely.

Hanlon had looked for the "Evas" to take the third game and give South Bend a chance to win but one game in the series, and he was somewhat woefully disappointed and especially so when the "Evas" went up in the air and allowed the Grantites to pass over the rubber so frequently.

Ferrias Back in Form.

Ferrias, who was not supposed to be in the game yesterday, for South Bend and he certainly threw a fine game. At no time were the "Evas" able to pile up a bunch of runs and the ones secured off him, seven in number, were not earned runs. He seemed to have perfect control, and if but the big pitcher tried hard to win his own game by getting hits.

Lundbloom opposed Ferrias on the mound and he was an effective, hard ball backers who were playing rugged ball behind him. Lundbloom, the youngster, did not get discouraged, however, and although he knew he could not win after the Grantites had gotten such a start by making five runs in the first inning, he kept at it the visitors to few hits and did so, they getting but six.

Grant Back in Game.

There was one thing that seemed to brighten up the playing of the visitors. This was the entrance in the game of Grant, who played second and scored to put ginger into the team. This was the first time the manager had been in the line-up since the Grantites started on the trip, he having been too sick to be there to that time, and he was very not considering his lack of practice. He hit played much better ball than before since the series opened.

Running bases was a feature of the work of the Grantites in scoring, while the Evansville team failed to steal second off Richardson, who had a perfect throw up his sleeve all the time. Rahn threatened to stop the game in the fifth and seventh, but the clouds passed over and the game went on.

Evansville's only score was in the fourth on two hits. Donahue hit in deep center for three bases and came home on a single to center by Sager.

Ferrias was in the "Little Evas" shortstop things in the fifth when Francis poked out one to center. Tieman sacrificed, putting Francis to second and Grant landed on the sphere for a long single, scoring the little slacker.

Slaughter in Seventh.

The Grantites in the seventh Richardson started the doings by getting first on an error of Quigley and advanced to second when Francis sacrificed and the ball was thrown to second in an effort to get Grant, Richardson in getting both their necks Tieman advanced the runners with a single to right and Richardson scored when Kuehn placed an infield hit. Grant sacrificed and Richardson scored Ferrias sacrificed and Francis, who had relieved Kuehn, catched home when Conaway threw high to Pyle. Fleming took first on Pfenner's error and Furbis scored. Anderson got another error, scoring Fleming, and Johnson got a single to center. When he tried to score on Connor single in center by a clever throw of Donahue.

Two scored in the ninth making it eight. Grant and Ferrias reached first on Francis' error and Richardson hit, gave Fleming the infield each. With the bases full Anderson was passed bringing Grant home. Furbis scored when Connors flew out to right. The score:

Notes of the Game.

Ferrias was plenty.

The errors made by Evansville players at short and third behind Kuehn and Rahn might have been counted a hit.

When Grant got the ball at second he certainly had a wing for throwing to the bases and every play by him was perfect.

The teams will battle again today in the final game of the series and Hallman will probably pitch for the visitors and Freeman for the "Little Evas."

Johnson played the bench for the first time since the season opened and he was called upon to pinch hit twice. The latter was effective in adding to the run getting.

TROUTMAN IS RELEASED.

Youngster Fielder Not Fast Enough for Central.

Outfielder Troutman, who has been playing with the Grantites since the season opened, has been released by Manager Street. It happened at Evansville when the big youngster played the bench giving his place to Tieman. Troutman has gone back to his home in Kewanee, Ind.

When this youngster came to South Bend it was thought by Manager Street that he would not make the team, but he hitting was such a place for the youngster. Troutman could field his wad and his work in right field, although not up to the standard of the Central team, was not bad.

After starting on the trip Troutman was sick and was left at Terre Haute. Manager Street decided that the big fellow was not fast enough for the Central. He is a good hitter, however, and in a similar league he will be a good bet. Troutman is now in one of Ohio's cities and the Grantites Troutman would probably be fit to enter the Central. Troutman will sign right.

SPRINGFIELD FALLS DOWN.

South Bend and Gamefields Again Tie for First.

The games of the Central league played yesterday threw an entirely different light on the pennant situation than was anticipated. Instead of Springfield taking the lead the Infants took a section all from South and drew up to first place and are now a game behind the Grantites and Gamefields, who both won and are tie again to battle it out for first place, both trying to score a victory.

Springfield had the game in hand and thought for the "Solons" to take a full day of the proposed leaders and now it is all off with the Infants and Grantites in valley and both Grand Rapids and Springfield are in the game. It looks as if the Grantites are to be called leaders, although they will only be leaders in name and not from with the two other teams.

Grand Rapids is a dangerous team to play with and it would be well for the leaders to win both the games. And it is a more difficult question to answer. The way Grand Rapids and South Bend have been playing ball of late it looks as if the Grantites will be able to win the last two games. If Springfield, given the chance, gives the ball followers an idea that they are going to discover which team will lead. It is a case of wait for the results.

CENTRAL LEAGUE GOSSIP.

Terre Haute Signing and Releasing Made Men.

Jack Doyle, of Terre Haute, is out with his hatchet again, and is cutting out the players who are not landing on the sphere. He has released Jimmy Cook, shortstop, and Frank Dupree, third, because both seemed to show a weakness in both fielding and hitting. He has signed the Durrett from the Southern league and will put him in the outfield as soon as he is in shape. Doyle will sign another player soon, he stated, and then the present nine will be kept intact.

Springfield has shown the Central league circuit are giving Hallman the credit of being the best pitcher on the South Bend club itself. Hallman has shown up well in the games and although he lost game he has better are for his team. He will all work hard and the good work as the season continues. If they keep working hard they will be in the game. It would be a great deal of credit for the good work he has done for the Grantites so far.

Canton has so far said that is bad to Springfield, but it looks as if Springfield is going to give Canton a good run. Springfield is a fast team and if has hitting that better he would be a very valuable team.

Marty Kavanaugh, the former Evansville pitcher, is now with the Flint team of the Interstate.

Flint, the Interstate pitched up by Springfield, is a mighty dangerous team on the diamond. Springfield looks to hold its own many games before the season is over.

Toledo is leading the Association at present with an average of .818. Connors is second and all the leaders are seen to be fast at well, with somewhat better than the average.

Dolan, pitcher for Evansville, leads the Central in batting and has been prominent with a fine line of Evansville business.

It looks as if that Wheelock is getting down to the real work in South Bend and the Grand Rapids fans think a great deal of the little umpire. President Ingram, of Grand Rapids, is a good official and should the players have fun to buy to him he would probably do better work and serve their better. He is square and true to the game and to the fans.

Jimmy Ryan is one of the Central league managers who does not believe in giving the kickers the umpires, and in getting what is coming to him on this account.

EX-MAPLE LEAVES TO APPEAR.

Excellent Game is Promised When Old Time Players Line Up.

One of the most interesting games which will be played in South Bend Cockerover will be the contest between the old Maple Leaves and the present organization bearing that name. The contest will be played on the diamond at the corner of Indiana avenue and South Franklin street and will be called at 3:30 o'clock.

The old Maple Leaves included in this lineup are Harry Arndt, now with St. Louis National; Schatz, now with the Wheeling Central league team; Bradley, now with Springfield; Fred Arndt, Arthur, Hamilton and Anderson, all of these men, excepting Arndt and Schatz will be in the game.

DAYTON SHUT OUT AGAIN.

Go for Ten Innings Without Making a Run.

The Tribune's Special Service.

Dayton, O., May 18.—For the third successive time Dayton was shut out by Wheeling yesterday. The game went 10 innings and Wheeling managed to get one tally. Schrall, the Wheeling new fielder, left in the morning to join the Scranton, Pa., team. Dayton pitcher Kesinger, a local amateur, in center and he made a long running catch cutting off runs. WESLEY, THE BARBER.

What! Six to one in the seventh? When pinched? Purtle yet! Why! I always said his wabbly was good. What's that? Is our team? Oh, well, I guess we'll win. "Zeke" generally knows the bills pretty well statistical and he's pretty good with them on Monday. Bet on Purtle! Bet on the light placed sub he never gets wild.

NEWS OF THE RUNNERS.

Security Makes Record for Seven and a Half Furlongs.

Security, with Burns up, played at 8 to 1, easily won the New Rochelle handicap, seven and a half furlongs, at Belmont park, New York, yesterday, the winner establishing a new record for the distance making it in 1:32.

Subert, played at 100 to 1, won the feature race at Louisville yesterday and Sidney Lanier, the favorite in the other good sprinters. Most of the winners were long shots and were practically unbacked.

CUT DOWN INTERSTATE.

Three Teams Fail Financially Making Six Club League.

The Tribune's Special Service.

Grand Rapids, Mich., May 18.—President Dickerson has sent out information to the managers of the Interstate league that the teams representing the Muncie, Anderson and Lansing teams have failed. The Muncie and old Bay City teams will be disbanded and Bill Hubbard will take the Anderson team. This will mean the transportation of the board of trade. This will make it a six team league.

South Bend vs. Plymouth.

The South Bend high school and Plymouth High school baseball clubs are batting in two games at Springbrook park this afternoon. The local team has been winning most of its games this season and is expected to break even if not take both games today.

Elks Out for Practice.

The Elks baseball team will be out for practice at Springbrook park Sunday morning at which time the regular line-up will probably be chosen.
