

DRY LAW UPHOLD BY UNCLE SAM

GOVERNMENT TO AID NEW TEMPERANCE STATUTE.

DISTILLERS TO SUFFER

Drastic Powers Given by Three Sections of Federal Code and Interstate Commerce Commission Will Aid Widespread.

CHICAGO, May 8.—John Cullen O'Leary in a Washington dispatch to the Tribune says: "Prohibition is being made by the federal government to enforce the law which at the instance of Senator Cullen passed the senate during the closing days of the last session for the enforcement of the temperance movement in the United States."

"The fact has been brought to the attention of the interested congressmen that the new federal code, approved by President Roosevelt last year, has been revised and amended in many places, and that the new code will be ready for the president's signature in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

"The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days. The new code will be ready for the president's signature in a few days, and it is expected that it will be signed by the president in a few days."

CAPT. ARMSTRONG KILLS HIMSELF

MOVING PICTURE HAD DEPRESSING EFFECT.

WAS RECENTLY MARRIED

Member of Royal Artillery—Once a Queen's Messenger and Served Under Gen. Gordon in the Sudan.

NEW YORK, May 8.—George Pulling Armstrong, captain in the Royal Artillery, with a record for gallantry in India when the people needed waiting after the battle was over, was found dead in his room at the Hotel Hamilton, New York, today.

He was a person, and finally a national hero, was found dead in his room at the Hotel Hamilton, New York, today.

He was a person, and finally a national hero, was found dead in his room at the Hotel Hamilton, New York, today.

Before You Buy a Car

If you are considering the purchase of a car this season come and see what Studebaker has to offer you.

There is such a thing as living so close to the factory where a car is made that its superior points are not appreciated. So come in and really get acquainted with the Studebaker.

Being right at the factory door we are able to offer the South Bend purchaser a Studebaker some advantages not enjoyed by other car owners.

When do you want to take a ride?
