EDDIE WHEELER MAY MANAGE HERE THIS SEASON

GRADS ARE AGAIN TRIUMPHANT, 3-1

UMPIRE FIGURES IN DEFEAT OF LOCALS BY OLD BRONCS.

WITHERS IN GOOD FORM

Big Wolverine Hurls Luckiously—Lefty Snyder Assessed $15 and Ordered Out of Game for Protest of Strikes.

GAME IN BRIEF.

South Bend, 1, 4, 5; Grand Rapids, 3, 4, 2.

Withers pitched good ball, but luck, umpire, etc., against him. Kalick also in form.

Snyder assessed $15 and banished from play in eighth for protest of decision on strikes.

Bronchos lead until eighth, when visitors scored three times. Only run for locals in second inning.

Wuffli's play at short redeeming feature of rather weak defensive work by locals. Jack accepts 11 chances without wobble.

Same teams to-day. Visitors have won two games of three game series. Hilliken is second place and going like burning residence.

Battling desperately, the Bronco team fell before the Grads, when the latter slipped over a 3 to 1 victory yesterday, with some assistance from Umpire With Hagan, who seems to have gone stale in the past few days. In the course of Monday's events Mr. Hagan found himself in very evident disfavor with every one concerned, and was forced to reprimand Bill Burder for a demonstration of his displeasure with an assessment of $15 and discharge from further duties for the afternoon.

A redeeming feature of the rather weak defensive play of the locals was Jack Wuffli's work at shortstop. Johnny accepted 10 chances, seven of them assists, without a misdemeanor, and figured in several sensational stops. Withers was again in the box for the Bronco, and pitched good ball, but a combination of two misplays and three bingles in the eighth, with a few doubtful decisions deftectively inserted by Umpire Hagan, gave the visitors a lead they never lost. Even when victory seemed assured Jim was going fine, and appeared to be able to more than hold his own when the catastrophe fell upon the locals in the eighth. Kalick was in good form. Bill Burder must be tendered a few harsh words for his share in the defeat of the Bronco, though, for Vinegar was in excellent form, permitting but six hits, and the Grads two were forced to take the count at the plate.

Cors Threatens Plate.

In their half of the second the visitors looming up dangerously when Lefty Core tore off a screaching double to right field as the first man up. Kelther lifted to Donovan, and Beyler made a brilliant play out of his shoe-string catch of Core's drive. Wheeler poked to Hadley, who booted, but a tally was amputated at the plate when Wuffli came over behind "Hard" and recovered the ball in time to pitch home a Grand Rapids runner who was on the mighty, with a quick throw.

In their half the Bronco chased over the run which looked like the winner until the Grads visited late disaster upon the local team. Donovan opened the inning and Wuffli was out when he fouled the third strike in an attempt to bunt. Smith threw over Schmick's head in an attempt to catch Mike off second, but the big fellow advanced a peg. Taylor out, Kochler to Beyler, Donovan scoring on third, whence he scored on Kelly's boot of Tiemann's hard grasper. "Tie" went down on a straight steal, and appeared to have the base locked, but Hadley's throw was wide, and the runner saw his base to slide open into play, and Heine was waved to Core decoyed.

Waste Two Singles.

Two safeties were expended uselessly in the fourth by the Broncos, Hadley and Wuffli being the lucky visitors, didn't get to Withers again until the seventh when Core bounded one off Hadley's shins for a single. The next two were sorry, however, Wuffli's error (Donovan's "Grands" defense and Grosup) the assertor originating thusly passed three jollies, winners. Wilt Wheeler down, Holmes got a life when Hadley fumbled his hit, and Withers hit to Beyler, who threw into the dirt. Kalick singled to left, and Kroy followed with a right field hit, which escaped Donovan, scoring the visiting battery, while Tuddy lost hard luck, striking out on a fastball. Schmick's error accounted for the tally made by Core to enter was captured by Byrne.

Then the umpire-player skirmish, in which Hagan appeared to disadvantage despite the fact he rattled off a few strikes himself, which he called out on three strikes in the first inning, and didn't even whisper. Wilt Hadley on fouls, where he had swiped through one infield bingle to Eddie Beyler, and Wuffli's error, which he without, which he claimed, he couldn't have reached if he had stood on the lake. A lively and spritious quarrel between Burder and Hagan followed, which ended in the ejection of the latter and fined, Grand Rapids in the fifth field vacancy, Byrnes was safe on Kelly's error with Hadley a sack ahead. Core forced Hubert at third, Donovan spanked a line fly to center, and Kroy made the last out on a fly.

Both sides went down, one, two, three in the ninth. Wuffli, for the locals, grounded out to second, Taylor whiffed, and Tiemann flew out to second.

NOTES OF THE GAME.

Barkwell struck out the first two batters up after receiving flowers, but hit the last time when a single meant a run.

Wuffli played good game at short. Bender fielding ground balls cleanly, Johnny inserted them at second with grace and efficiency, for Hagan called the runner out. Wuffli's fielding was by honored over on his own side of the bag was especially commendable.

Jack Byrnes knows exactly where he is when he is in a batting cage. Eddie Beyler has a number of gifts but hits. Playing in his regular position, Jack wouldn't have come cook.

Heine Tiemann was in the game, and he made good. Tiemann is a fielder. He is good with a bat.

Byrnes hit through the "batting box" in the first inch, the ball speeding by Vinegar Hill like a flash.

If Dave Dall had had any early hour (can, they would have had trouble in getting Lefty Core. Dave singled, Jack Byrnes, Lefty Core, Doc Holmes, Dave Donahue being in a musical mood. Tom Caldwell, now of the Newark Eastern league team, is a fine singer. Tom sang "Sweet Adeline" in the hot sun day, but a broken leg or anything of that kind would have put the way on the blink.

It's pretty good my work a ground ball through the Newark second base, Wuffli's error, Core's wonderful effort to get the pill to the site of the old ticket office.

WHEELER MAY LEAD BRONCS THIS YEAR

LEFT IN SOUTH BEND BY MANAGER SMITH.

COMPANY WILL ORGANIZE

Grant Will Continue in Charge Until League Turns Over Company to Local People—Agreeable to Change.

If the South Bend ball club is taken over by the local baseball company before the close of the season, Eddie Wheeler will probably be made manager for the remainder of the season, and placed on the reserve list for next season. A. A. Grant, present manager of the team, has no objection to other assistants of Wheeler as manager here, but will continue to lead the Bronchos until the league transfers the club to the baseball company.

Wheeler will be left in South Bend by Manager Smith, and the former local leader will assist in arranging for the coming year in baseball in South Bend. He will not play with the Bronchos until the club becomes the property of the local company, which will probably be organized Friday night at the Chamber of Commerce. Letters appealing various stockholders of the gathering will be mailed to-day. Should the local company's stock sold it is expected they will be able to elect directors and officers, and prepare to take charge of the Bronchos. At that time, Wheeler will be placed on the reserve list, if he is not released to the Aggie Grant will either retire for the remainder of the season, or transfer his activities to new fields. Terre Haute is anxious to secure the Bronchos for a time, and it is possible that Grant will go there.

Eddie Wheeler is the fans' choice according to organizers of the stock company, and his acquisition as South Bend manager is looked upon as the right move, now. Manager Smith, of the Grads, will play Johnny Kochler at first base, and will secure Fred Geier to his old outfield position. He believes this combination will be as good, if not more successful, than the arrangement with Wheeler playing down third base.

"Accordingly, Grant, who has two outfielders in the league he would not part with for any other pals in the league. Dependable always, of and on the field, the hard hitting, clever outfielder will be seen playing bridge first ball for the Grads.

Baseball Man, Confer.

A decision to give Ed Wheeler the managerial position here, even before the close of the season, was reached after conference of Bert Annis, Manager Grant and Dr. Carson. Annis agreeing to let Wheeler go before the close of the season if the local club so desire. When Grant, now here with his team at the behest of President Carson, who is directing the club as head of the league, he realized he would be unable to take his team back for next season. He is now considering besides the Terre Haute offer a number of other propositions, but will probably not accept any for this year. After pitching for South Bend here of 1910 for a pennant, Eddie Wheeler left the game to take a position with the Grads, and after a time has full entertained thoughts of boosting Bert Annis' Grand Rapids club this season, but finally came to an agreement with the Terre Haute club. Terre Haute, earlier, which formulated a long letter concerning a chance of Wheeler's release from South Bend with Grand Rapids.

Wheeler enjoyed a chance of rough luck at Terre Haute, and before the season was well under way got into a rut from which desperate efforts to extricate himself proved vain. With everything clear before him for the coming season, Wheeler is now in good form as a pitcher, and is a fielder.

Arthur Grose, of Evansville, one of the Central's best umpires, was in South Bend yesterday. He was interested in the local situation, and in the club conditions in Evansville, his object being to ascertain what action is making toward the form of a contracted in management of the club in the downstate city. Grose, it is taken, is said. No effort will be made to induce the local man back to Evansville according to Mr. Grose.

FEW OPTIONAL MEN IN CENTRAL LEAGUE

Of Quartette Recalled Jack Wuffli, of Bronchos, is One.

Few players were secured from big league clubs this season by Central teams on optional agreements, according to a list of options which have been exercised, issued recently by the national commission. At any rate, if the big testers planted many of their men in this organization they didn't want them back for options on but four Central leaguers. Gave been employed.

Among these men is Johnny Wuffli, the Bronchos' clever infielder, property of the Detroit Americans. The others are: Wickland, outfielder, from New York Nationals; Tiemann, catcher, from Newark, Pittsburg; Coalow, catcher, from Fort Wayne, by Detroit.

A couple of former Central leaguers were asked for trials in faster company next season through the recommendation of Connie Mack, Philadelphia Athletic, and S. St. Louis Americans, and Infielder Grob, ex-Athletic, with the Pacific Coast league, and Grob with the Sacramento club of that league.

In Wuffli and Coalow, Detroit has two promising youngsters. The Fort Wayne catcher is a clever backstop, possesses a powerful accurate peg and is a fine hitter. Wuffli starts with the stick either, and is the sort that makes good in the majors. He is older than the local player.

Harry Martin, now with Newark, was with the Pirates all spring, but was not seen in the game regularly until he joined the Cubs early in the month, confusion as to his disposal by the Corsairs and an injury keeping the ex-Yut star out of the lineup. Wickland is a clever outfielder and a fine hitter, batting .300 last season, "Hick" is hard to hit, but he can clout the ball like a fiend. He bats and throws left handed, and is bound to make his mark in the baseball world.

DASHES IN SPORT.

Hughey Jennings shifted his batting order yesterday with successful results, as attested by the Tigers' 5 to 4 victory over the Yankees. Bush was placed at the head of the list, Cobb was placed second, and Gainer, former Brilliant, secured the bits. Del recovered recently from a broken arm, and has just gotten back into the game. He is not playing quite the old dash, but, though. His stroke in the 11th started him on the circuit blast for the winning run, yesterday.

Carey copped a pair of drives and a run yesterday during the Pirates' 16 to 7 victory over the Phillies. Mickey Cochrane, the Athletics' catcher, has not apparently didn't grasp the opportunity to fill the great Wagner's shoes with class of a grade and factory to Fred Clarke, for he has not been in the game since Monday.

Bill Murray, former manager of the Terre Haute club, now manager of Pittsburg, has a hard-luck team. Murray traveled 400 miles to see a ball player, and when he arrived at the town the club was supposed to have been stationed, he found that the club had moved to another city one day before.
