PAT LINDSAY WILL PITCH SUNDAY AGAINST POTTERS

McCARTHY'S SAFETY TAKES FINAL GAME

NOTRE DAME YOUNGSTER SCORES KOEHLER FROM FIRST.

MYERS PITCHES GOOD BALL

John Henry Holds Slugging Tots Hitless for Five Innings and Not a Man Reaches First Base Off His Delivery.

With five minutes more in which to play, a period of time not sufficient for playing another inning, with two men out, with Ben Koehler on first with the score 1-1, and with the faithful hopeful but not expecting Koehler to score "Chink" McCarthy, the young Notre Dame shortstop, came to bat in the tenth inning of yesterday's game with the Tots and sent the ball sailing over Clarity' head in left field for a long, clean hit. Koehler trotted clear around and stepped on home plate with the winning run. The score was 2 to 1.

But lest we forget. That pinch hit of McCarthy's would not have been possible if one John Henry Myers had not held the hard hitting Tots helpless until the Bronchos could get that run. Ted Corbitt, who has won both games he has pitched this season started the last affray with the Cantebloids but the dark, cold day was not suited to his style and he gave way to Myers in the sixth inning.

Myers Is Sixth.

Myers has long been known as a dependable hurler and he knocked his hardest knuckles sky high with his performance yesterday. For five straight innings, he mowed down the heaviest hitters in the league. No the Tots are jealous of him, but a man reached first off Myers. He struck out and made four batters roll easy grounders to him for outs at first.

Derby, who was "permitted" to pitch by circumstance, was lucky to last as long as he did. He absolutely no control and not a sign of a curve. The Bronchos were anxious to win and with men on bases, they swung wildly at anything in an effort to get hits. Hard luck followed the Bronchos and they would have lost long before it did. In the eighth inning, the bases were filled but the batters swung on bad balls and lifted flies.

"Pat" Lindsay will probably twirl Sunday's game. "Pat" won his game against the Potters in Potts and he is in good form. The little lefty has lost a tough luck game to the Evansville club and he will make an effort to make it two out of three on the home grounds. The Potters will be here Sunday morning. They will oppose the Bronchos to-day, Sunday, Monday and Tuesday. The Bronchos go to Grand Rapids Wednesday for four games and will return Sunday. The Potters will be here Sunday, Monday and Tuesday with the Bronchos. They will leave Wednesday June 1 for the first road trip of 14 games. The score:

Jottings by Judge.

Myers has made his berth secure.

Umpire Pfeffer will work in the Evansville series.

McCarthy's hit could not have come in a better place.

Koehler made the prettiest catch of the game when he ran over the foul line and caught Barkwell's drive.

Hints Wheeler robbed McDonald of a hit when he stopped Mac's liner with his bare hand and threw the runner out at first.

Ted Corbitt will probably be used for a relief hurler in yesterday's game. It was better day and several of the fair bleacherd Groschow's profane language.

The Potters are without the services of Montgomery, their manager, who is ill at his home in Terre Haute. Gremling will have charge of the team.

Groschow delayed the game several times by crabbing. Brecken did not bench him, although he put Eddie Whelker out of the game for less ragging. Wednesday.

HOW LESTER CHANNEL SUFFERED BROKEN LEG IN RECENT GAME

The illustrations here are unfortunate happening in the second game between the St. Louis and New York American league teams in New York recently. In the last half of the fifth inning Lester Channel, the Yankee left fielder, who had little more than commenced what seemed like a mighty promising big league career, tried to make the third leg on a passed ball and collided with Gerber, who served his right again. The pain left him unconscious on the field, and he had to be carried to the club house. The doctor who attended him stated that he would in all probability be out of the game about two months. Channel was drafted from Fort Wayne in the Central league. The lower illustration shows the big league catcher, shortly after he toppled over the bag, being carried off the players carrying Channel off the field.

"TED" CORBITT AND G. WHEELER PULL DOWN LONG HIT PRIZES

Two prizes are offered for long hard hits at Springbrook that hold good for Sundays as well as home players. These two prizes are donated by the Bull Durham Tobacco company. The first is a prize of $5 worth of Bull Durham tobacco, to be given to the player who makes a home run on the grounds, where a ball sign is located. The other prize is $5 in cash to the player who hits a ball which sends it over the fence on the fly. The ball must be hit in a league game.

George Wheeler, the Thomas Shoe team of the Three Handle club, is the first man to pull down the $5 tobacco prize on the home run by hitting the ball over the center field fence in the first game of Wednesday's double header. Wheeler won the $5 worth of tobacco. McInerny & Doran, cigar dealers, 126 West Wash ington avenue, will represent the Bull Durham company in the matter of the cash prize.

Ted Corbitt, the new Bronchs pitcher, is the first home player to win a prize for long hitting. In the same game that Wheeler made his homer, Corbitt got a three bagger over the center fielder's head. Hallie's cigar store, 103 East Jefferson boulevard, gave Corbitt $1 worth of merchandise for the hit. Hallie offers $1 worth merchandise to each man who makes a home run on the grounds.

NOTRE DAME TEAM RETURNS FROM TRIP

CUBAN STARS GAME OFF

Dusky Experts Cancel Contest Scheduled With University Boys—Varsity Expected to Wipe Out Defeat.

The Notre Dame baseball team returned from a successful trip through Illinois, Wisconsin and Iowa this afternoon in good condition with the exception of Quigley. The fast little outfielder was spiked in the Rose Poly game last Saturday afternoon. He did not think his injury was serious. However, after he had started on the trip, the injury became so painful he was unable to play in the last two games. Unless he is careful and unless he receives the best attention he is apt to have a case of blood poison on his hands, it is thought.

The Cuban Stars, the fastest team that has ever come t the United States from Cuba and which was scheduled to play the varsity here next week, has canceled its game. The Cubans met the varsity last year and took the contest after one of the prettiest exhibitions of the national game that was seen on the local field last year. The team were looking for a game with the varsity this year and for good game with the dusky boys and are greatly disappointed in the fact that they will not see the two teams meet again. Notre Dame was especially anxious to wipe out the defeat of last year and would have been pleased to see the contest consummated if the contest had been pulled off.

The varsity were considerably put out over the fact that they were not allowed to play Saturday afternoon. The game was canceled by the Marquette faculty. The players from South Bend claimed the Milwaukee lads badly in a recent game, but it was expected that a very good game would be played on the Marquette field.
