To-day's Scheduled Games.

South Bend at Wheeling.

Grand Rapids at Terre Haute.

The Greens made the most of an opportunity yesterday by taking a double header from Grand Rapids. The Wanderers played very good ball, except in one inning in the first contest, but were outclassed at all points by South Bend.

The first game up to the sixth inning was close and highly exciting. Grand Rapids scored in the first by Mack hitting for three bases and scoring on Warrender's fly-out to left. The Greens did not score until the third, when Coffey went to first and later crossed the plate on a hit by Bager.

South Bend scored again in the sixth. Groesbeck was given life on first by Barton's error, Spangler was out from Burg to Hanford, Grant flew out to Maloney, Tieman got to first on a hit and Ferguson got a bingle to right for two bases, scoring both Groesbeck and Tieman. Grand Rapids got another run in the seventh, when O'Neil got around the bases after getting a base on balls.

The Wanderers lost their lofty eyes good and proper in the seventh, when four men were sent across the plate before the Wanderers could send three to the bench. Tieman, first up, secured a nice hit but went out a moment later at second on a fielder's choice, leaving Ferguson on first. Coffey hit to left for a base, Anderson flew out to Warrender and Sager got a single. Cogswell cleared the bases with a hit to center and scored before the inning was finished.

Grand Rapids scored in the last of the ninth by Barton getting a hit, advancing on Groesbeck's error and crossing the plate on Farrell's fly to Coffey.

Caught Between Innings.

Cogswell surely had his batting eye with him.

Ferguson did some excellent stick work in the first game.

Umpire Kieler had to leave after the first game in order to catch a train and Sisloe handled the indicator in the second contest.

Cogswell came very near getting a home run in the eighth. He hit a swing fly to the left fence and was called out by Umpire Sisloe as he slid for the plate. It was a close decision and many thought that O'Neil failed to touch the runner. It was a good hit and a good effort and should have been a score.

GRAND RAPIDS TO THE WOODS.

Greens Hold Regular Bingefest in Saturday's Game.

The Greens drove Grand Rapids not only to the tall grass but away into the woods, Saturday defeating the Wanderer bunch by the exceedingly one sided score of 11 to 1.

The direct cause of the victory was the excellent holding of the South Bend men combined with the superb pitching of one Elmer Moffit who hails from New Carlisle. The Greens touched up the Grand Rapids twirler for 12 hits, two home runs, a couple of triples, one double and eight singles.

The first inkslinger the game was to the balance and highly exciting, for the Greens had scored but one run up to that time to the visitor's blank. Twice during that period South Bend had three men on bases and each time the Orphans defended the home plate with a good double play and a strike out. In the sixth, however, after Grant had been passed and sacrificed to second Moffit invited his colleagues to a bingle-fest by opening with a triple. Before the session ended four Greens had crossed the plate. They added five more in the seventh and clinched the game. Grand Rapids made several hits for victory but the magnificent work of Moffit was entirely too much to overcome. Their lone score was made on two hits and a sacrifice in the sixth. The score:

NEARLY BREAKS UP IN RIOT.

South Bend Reserves in Laporte Team Awarded a Game.

The Tribune's Special Service.

Laporte, Ind., Aug. 24.—The South Bend Reserves, playing at the Laporte team, was given the game with the Hammond Highlands yesterday by Umpire Hendricksen by a score of 9 to 8. The decision came in Laporte's half of the fourth, inning when the score stood six to five in favor of the Reserves. The man at bat had knocked two foul balls, and on the third to the diamond the Hubbard pitcher started an argument with the umpire that had been the longest in use. Umpire Hendricksen insisted that the game be played with the ball he designated. At this juncture the Hubbard shortstop picked up the new ball and threw it against the fence. This action, contrary to the rules of the game, brought Chief of Police Rougers from his place on the Laporte bench, and he ordered the Hubbard shortstop to leave the diamond. The Hammond players then left the diamond in disgust, and people swarmed on the diamond and a riot seemed about to be precipitated when Umpire Hardendicksen gave Laporte the game.

SIZES UP WORK OF THE GREENS.

Ft. Wayne Paper Gives South Bend Credit For Record.

The Ft. Wayne Sentinel has the following to say relative to the work of the Greens, last week. "South Bend has lost the last three games played which is more successive defeats than the club has sustained in about two months. Two of the games went to the home and one to Grand Rapids. The records of the games show that the team is twice which suggests the possibility that the man have struck a slump. Be this as it may Grand Rapids have certainly broken a record in the history of baseball and have won on their merits. A review of the play thus far indicates that Fort Wayne and South Bend are the two best teams in the league and that they will in all probability fight out the championship battle."

TOM NEWS IS NOW DEPOSED.

McKinlay Becomes Captain-Manager of Evansville Team.

Evansville, Aug. 24.—The Evansville ball club has a new manager. Tom News, who has had charge of the team all season sent in his resignation by long distance telephone from Dayton, Ohio, to President Bement Saturday morning. Mr. Bement at once placed Catcher McKinlay in temporary command of the players who have been losing along for the last few weeks. McKinlay's instructions are to handle the men as he thinks best.

News will not quit the team. He will be retained as a member of the play ball and that he was willing to play any place McKinlay placed him. It is thought he will be taken from the first sack and put in either the left or right garden.
