# CANNOT HOLD PLASS

### CRACK SHORTSTOP SIGNED TWO CONTRACTS.

### GREENS LOSE VALUABLE MAN

**Battle Creek Player Will Have to Go to Natchez in Cotton State's League —Spangler and Heller are in Good Condition.**

Forest Plass, the crack Battle Creek, Mich., shortstop, is in all probability lost to South Bend. The young star signed two contracts for this season, one with Manager Angus Grant and one with Natchez in the Cotton States league. The latter contract was signed on Jan. 27. If Manager Grant's contract is not dated prior to that date the Michigan nuff will have to go south.

Spangler, the big first baseman from Defiance, O., is much larger than when he played here two or three seasons ago. He now weighs 196 pounds and is in excellent condition. Advices from Columbus state that Heller, the man signed recently by Grant, is the best third baseman in minor league company. Last year he batted at .425.

**'Against Baseball Bill.**

"The state senate for the third time this week went on record as against Sunday baseball, and put an end to the movement to revive the house bill which was defeated several weeks ago," says an Indianapolis dispatch. "By a vote of 23 to 11 the senators recorded themselves in favor of tabling a motion to reconsider the bill. This last effort to legalize Sunday baseball was made at the request of Manager Watkins, of Indianapolis. The defeat of Watkins has been very bitter to him, as it will cost him many thousand dollars.

"The defeat of the Sunday baseball bill will probably have an effect on the Evansville school bill, which will be called up again. Senator Crumbaker, who is urging the Evansville bill, has been one of the most active opponents of the ball bill. Several of the senators who favor Sunday ball and who voted for the Evansville bill besought Crumbaker to vote for the Sunday ball bill. He refused, however, and it is probable that this will mean the loss of one or two votes for the Evansville bill from men who are angry to think Crumbaker would not stand with them.

**Johnson is Still Silent.**

Ban Johnson still refuses to show his cards face up and the great ground mystery of New York remains unsolved by the newspaper fraternity.

**Charles Strobel is Dying.**

Charles J. Strobel, owner of the Toledo baseball team and organizer of Strobel's band, is dying at the Toledo hospital of typhoid fever. The attending physician says there is no hope, as the magnate is in a weakened condition caused by constant worry over the baseball situation.

**Zimmer Will Manage Team.**

"Chief" Charles L. Zimmer, of Cleveland, O., catcher for the Pittsburg National league baseball team, will become manager of the Philadelphia National league team this season.

**Chicago Team Going West.**

Cal. Hart's Chicago National league ball team will start at 4 o'clock tonight from Chicago on its record breaking training trip to Los Angeles, Cal.

## HOLDING INDOOR TRACK MEET.

### South Bend High School in Contest With Culver.

The indoor track meet between South Bend High school and Culver Military academy is being held at Notre Dame this afternoon. South Bend has an unusually strong team for a High school, but Culver has had a better chance to train for the meet and have more men to select a team from. "Cap" Eldred's men, while not confident of winning, expect to put up a strong fight for the honors and there are many who predict that South Bend will be victorious. There was a good attendance from town and a large faith out of students, who hope to see the city boys win, sending the team home with a good impression of rooting. A feature of the programme will be a four mile relay race between two teams selected from Sorin and Brownson halls.

## FITZ WILL MEET O'BRIEN.

### Contest Will Decide Middleweight Championship of the World.

Mahanoy City, Pa., March 7.—Robert Fitzsimmons, the erstwhile heavyweight champion of the world, has accepted the challenge of Philadelphia Jack O'Brien to fight for the middleweight championship at 158 pounds weight at the ringside and winner take all. Each man will also post a side bet of $1,000.

## CHICAGO WILL PLAY SOLDIERS.

### East and West to Clash on Football Gridiron.

A football game between representative eleven of the east and west is assured for next fall. The University of Chicago and West Point will clash on the cadets' field Nov. 14, 1903.

**Big Meet of Amateur Athletes.**

Milwaukee, Wis., March 7.—That which is expected to be one of the greatest athletic meets ever held by the Central association of the Amateur Athletic union will be held here to-night. It is expected that about 300 men will take part.

New Manufacturing Plant Will do General Machine Work.

Maurer Labadie & Co., who have leased the two story brick building owned by Isaac Miller, located at 215½ South St. Joseph street, are engaged in the manufacture of boiler and steam specialties that are an entire departure of other now in use in their class. Articles that are very attractive, that in practical use excel in their line. Such as "Tanlent Boiler Head, Cap and Nut Cleaner," used to place a mill surface on the heads, caps and nuts of a water tube boiler; "Premium Reversible Ejectors", used for pumping hot or cold water and other liquids at mines, distilleries, laundries, paper mills and chemical plants; "Lightning Tube Cleaner," used to remove scale from water tube and return tubular boilers, and is operated by water, air or steam; "Universal Scale Remover," a machine which is operated by hand and electricity, is various sized tubes by which the scale is cut and scraped out; the "Expansion Flue Brush," made of steel wire and so made that it removes scale too thickly formed in tubes of boilers. Several other articles are being perfected for manufacture.

"Lightning Boiler Compound." This is used in boilers to prevent scale from forming and keeping them clean. By its use less fuel is required, explosions prevented, and many years more of service added to the lifetime of a boiler.

In connection with manufacturing general work for the public is done in machinist's work, pattern making, perfecting inventions, the blacksmithing, welding, cutting and taper reaming. All work done promptly and by expert workmen. The frontage of the factory is 40 feet.

**Claim Paid Promptly.**

South Bend, Ind., March 4, 1903.

Home Mutual Benefit association, City. Gentlemen:—I wish to acknowledge receipt of your check for $20 in full settlement of recent claim for sickness. The claim was paid promptly and satisfactorily.

LEWIS POTTS,
67 West Division street.
