The Tribune's Special Service.

Fort Wayne, Ind., Sept. 10.—The fight for the pennant is now up to the last notch, the Greens having won yesterday's battle with the Railroaders by a score of 5 to 3. The defeat for the locals was decisive, more so than the score indicates, for the South Benders played rings around the aggregation led by Dude Myers and hammered Carbiener for 15 hits.

At no time did Fort Wayne have a chance to win the contest and the 1,200 fans who witnessed the contest saw visions of a pennant going towards South Bend despite the loss of the Railroaders. Should South Bend win to-day's game it is an even bet as to which team lands the bunting.

Greens Hit the Ball.

Grant's men opened the eyes of the rooters by their terrific batting. They started in to make trouble at the very beginning and had no trouble in jumping into the lead. Coffey, the first man up, swatted the ball for two bases. Anderson with a pretty bunt sent him to third and after Sager fanned Cogswell hled the ball into right and scored Coffey. Groeschow followed with a single, the Spangler flew out.

The Greens kept up the pace in the second and Grant, whose batting was the feature of the day, hit for a single, stole second, went to third on Oatdick's passed ball and scored on Andrews' single to center. The latter was passed on Ferguson's sacrifice. Coffey then sent a single over the infield and sent Andrews home, but Dunn was thrown out at the plate. It was apparent that he was safe. Coffey in the meantime reached on second and when Anderson singled dashed for the plate and scored the third run.

Score for Fort Wayne.

Fort Wayne got busy in the third and aided by Ferguson's temporary wildness made one run. Carbiener and Belden walked and Hodge filled the bases by sacrificing. The crowd looked good for Fort Wayne, but Dudas hit a fly to Anderson and the latter's quick return of the ball prevented Carbiener from crossing the plate. Myers singled and Carbiener and Belden attempted to score, but only the former was declared safe. O'Connell flew out and ended the inning.

The Greens evidently were disturbed by the Railroaders' threat and in the fourth inning clinched the game by chasing the local infield into an aerial trip. Carbiener hit Ferguson, Coffey sacrificed and Anderson flew out to Lindsay at short. The Hoosiers then covered the bags by walking Sager and Cogswell. With two out Groeschow sent a pop-up to Carbiener, but the latter's wild throw allowed both Sager, Hughs and Lindsay starting for the ball and allowing it to fall safe, Ferguson and Sager scoring.

Summary of Contest.

Myers did good work for his team in the sixth, touching out a triple and scoring on Carbiener's hit in the ninth Oatdick hit for two bases and scored on Lindsay's single. The score was as follows:

Caught Between Innings.

Whichever team wins, both will be entitled to unlimited credit. Verdict of the fans and press of Fort Wayne.

Manny Herbert, of Fort Wayne, will present the players on the Fort Wayne team with the divided fund that is at present being contributed by the fans.

Curtis, Carbiener and Alberts, the greatest trio of ball tossers in the Central league—Fort Wayne Journal-Gazette. Excepting of course, South Bend's quartette, Mott, Ferguson, Resin and Schafer.

"It was wisely been said that to win a pennant in one league is as difficult as to win it in another, the size of the league cutting no figure," says the Fort Wayne Journal Gazette. The race in the Central league has been the most hotly contested of the season of 1903.

That Fort Wayne has the baseball fever just as bad as South Bend is shown by the following article which appeared in the Fort Wayne News:

"It goes without saying that there was never so much interest displayed in baseball as was seen in this city yesterday. Probably the greatest exhibition of it was in front of the News office while the crowds watched the bulletin boards. Hundreds of people packed the street where the score was posted at the end of each inning. It seemed that nobody left the spot, or even moved from it, for the crowd lingered until the street cars had difficulty in passing through the throng. Each inning was received with a roar of applause as the crowd began to realize that the greatest game of the year was being played and that Fort Wayne was holding the Greens to the finish.

"When at the end of the 17th inning the News received the final score, 'Fort Wayne 3, South Bend 5,' the result was put on a placard in the center of the 14-foot flag that floats majestically from the flagstaff and 'Old Glory' bearing the good news was flung out of the window. The scene was indescribable. The great crowd cheered like a national convention of machines, hats, coats and canes were flung high in the air and in every conceivable way gratification at the result was expressed."

GREAT ARRAY OF ATHLETES.

Cracks of East and West Meet at Milwaukee, Wis., To-day.

Milwaukee, Wis., Sept. 10.—The greatest array of amateur athletes from throughout this country and Canada are assembled in Milwaukee to-day, the occasion being a two day's meet for athletic honors under the auspices of the national amateur athletic union.

To-day's card consists of the junior events, the senior contests being on to-morrow's programme. The junior contests are for athletes who have never won a national championship or a first at an intercollegiate meet. The track and field selected for the championships are located at the state fair grounds, a few miles from the city, which work has been done during the past two weeks to make the conditions the best possible, but owing to yesterday's all day rain, the track is soft and no breaking of records is looked for. Early in the day, the weather was cloudy with indications of clearing up.

President Lanigan stated that in the absence of rain the day's events would surely be finished.

In the 100 yards dash, Moloney, of Montreal, Robertson, of the Greater New York Irish Athletic association, and Stevenson, of the Milwaukee Athletic club, are the favorites. Robertson and Stevens are also picked to win in the 220 yards dash. In the 440 yard run Hillman, of the New York Athletic club and Pettit, of the First Regiment athletic association, Chicago, are looked upon as winners. Cahill, of the university of Chicago and Hanon of the Greater New York Irish A. C. are among the favorites in the 880 yard run.

McEachern, of the Milwaukee Athletic club, looks good for the one and two mile runs. Poage and Holmholz of the Milwaukee A. C., and Bailey of Central Y. M. C. A., are likely material for the jaunt and hey hardies in the high hurdles. Sardelski and Heimbach, representing the Milwaukee A. C., and Bailey, of the Central Y. M. C. A., are the chief contestants.

In the discus throw, Webster, Martin and Modlock, of the First Regiment A. A. and Spink and Parry, of the University of Chicago, will strive for honors.

The broad and high jumps and other weight throwing contests promise to be hotly contested. Martin, of the First Regiment, Chicago, is a favorite for pole vaulting.

It was close on to two o'clock when the first event was called.

RACES AT FAIR GROUNDS.

South Bend and Mishawaka Horsemen Enjoy Good Sport.

The South Bend and Mishawaka Driving club gave another very interesting matinee at the old fair grounds race track yesterday afternoon. "Tony Hill," the old reliable, was unusually fast and defeat. There was a big attendance. Another matinee will be given next Wednesday and it is expected that there will be fine fine races that afternoon. Wawasee and Ira King are getting in fine form. Babe L. may take a hand with the free-for-all and Tony Hill will come out again better prepared. H. C. Wheeler acted as starter and Graham and Woodworth were associate judges yesterday. The results were as follows:

2:40 TROT.

Joe Deves, R. L. Greer	1 1
Riley M., Al. Myers	2 2
Riley Wilkes, E. Garwood	3 3
Julius, A. W. Lonbkough	4 4
Brown Brown, G. M. Brown	5 5

Time—1:18, 1:21¼.

2:40 PACE.

Flora D. Hart Wolverton	1 1
Allen, Ed Herrell	2 2
Dock, Geo Eberhart	3 3

Time—1:21, 1:18.

FREE FOR ALL PACE.

Wawasee, W. F. Miller	1 1
Ira King, J. C. Ellsworth	2 2
Tony Hill, A. W. Lonbkough	3 3

Time—1:21¼, 1:18¾, 1:21¾.

Tony Hill was presented in the Driving Park's association desire the appreciation of the county and its officials in securing control, not ownership of the old fair grounds. It is desired to establish a park for South Bend and Mishawaka and if the arrangements can be made the association, it is stated, will erect such certain buildings and keep the track in first class order. It is the only piece of ground suitable for the purpose between South Bend and Mishawaka.

LATEST NEWS OF THE TURF.

Greenwood Won Race at Valparaiso, Ind., Yesterday.

Greenwood, driven by Harry Hoffman, of this city, won the 2:35 pace at Valparaiso, Ind., yesterday in 2:23¾.

Crescent (trotting mare) was again supplanted yesterday when Major Delmar, king of goldings, trotted a mile on the New York state fair track at Syracuse in 2:01¾. The great son of Delmar was driven by Alta P. McDonald and was accompanied by two runners, driven by George Spear and Ben White.

His Eminence, with Higgins in the saddle, won the Omnibus handicap, one mile and a furlong, at Sheepshead Bay, New York, yesterday. He was quoted at 4 to 1 in the betting and smashed the track record for the distance by nearly a second in 1:51.

The favorites won in all classes at Hartford, Conn., yesterday, the fine work of Daphne Direct in the Hartford futurity pace for foals of 1900 being the best feature. This foal captured both first and third money by distancing Rudolf in the second heat.

Lou Dillon, the queen of the turf, will on Saturday at the Glenville track, Cleveland, O., go after a new record, that of the hub wheelers' mile, 2:08¼, which was made by Maud S. on the same track in 1885.

FOOTBALL TIMBER PLENTIFUL.

Notre Dame Expects to Have Winning Team in Few Days.

Managing Daly of Notre Dame athletics, is hard at work getting things in readiness for the track and football men at the university and will have announcements of interest to make in a few days. Capt. Sainpo is looked for daily and has orders to mark the opening of training for a winning varsity eleven.

Coach Holland who is spending his vacation at his home at Worcester, Mass., will be back in time to help the football squad and it is expected that he will make the annual field day programme on Oct. 12, one of the most interesting events of the school year. Football timber is plentiful among the newcomers and with so many old players to return Notre Dame should be strong on the gridiron this season.

TERRE HAUTE GETS WARNER.

Crack Fielder Will Have Charge of Hottentots Next Season.

Terre Haute, Ind., Sept. 10.—President Hulman, of the Terre Haute Baseball association, confirms the story that "Mount" Warner probably will be manager of the Terre Haute club next year. Warner was managing the Grand Rapids team this year and playing in the outfield.

Eddie Quick to Join New York.

Salt Lake, Utah, Sept. 10.—Eddie Quick, star pitcher of the Salt Lake Western league team, will join the New York American league team, with which he has signed to play the rest of the season.

Will Go Along to Pittsburg.

Pitcher Jesse Scott, of the Terre Haute team, will leave for Pittsburg next week to join the Pirates on season closes, and will be given a trial with the Pittsburg National league team.

CLASH WITH CHURCH

PRIEST TELLS UNIONISTS THEY MUST DECIDE BETWEEN TWO.

HE ISSUES AN ULTIMATUM

Roman Catholic Pastor at Beloit, Wis., Says That He Will Refuse Absolution To All Who Take Printer's Oath.

Beloit, Wis., Sept. 10.—What promises to be a most serious conflict between church and unionism has begun and promises to spread until Roman Catholics who are members of labor organizations will be given the choice of membership in only one.

Of late several Roman Catholic priests in this section have taken occasion to criticise the oath taken by members of the printers' union, but the most radical step yet has been taken by Father M. J. Ward, pastor of St. Thomas' church, who has announced he will refuse absolution to those who have taken the printers' oath.

The refusal of absolution means expulsion from the church and the denial of Christian burial after death. To the good churchman it is certain damnation to die outside the church, so the choice now put before him is a most serious problem.

Portion of Oath Opposed.

This is the part of the oath to which Father Ward objects:

"My fidelity to the union and my duty to the members thereof shall in no sense be interfered with by any allegiance that I may now or hereafter owe to any other organization, social, political, or religious, secret or otherwise."

"No Catholic taking such an oath can secure absolution from me or any other priest," declared Father Ward. "I am told that members of all unions are required to take a similar oath. I wish to warn my hearers that no man or woman can take such an obligation without conflicting with their duty as Catholics and as good citizens. It is against the laws of the church and the laws of the land. I have no word to say, however, against unions based on right principles.

Sees Conflict in Obligations.

"If the members of my church who belong to the Typographical union can modify their oath so as not to conflict with their religious obligations, well and good. Otherwise they must get out of the union or out of my church. This is practically the same stand taken by President Roosevelt in making members of the union take the oath of allegiance to the United States government.

Samuel Gompers, secretary of the local typographical union, says that he has always thought the reference to religious organizations must be settled connected with the church, but that the church itself, "But I cannot say," said he, "what we will do until we hear from President Lynch of the International union."

Peanut Trust at Work.

Four students of Norwich university, three of whom are working their way through college, during the last three months of the college year saved an even $50 each by deserting the fraternity "hashhouse" and living on peanuts. Every one of the quartet is in better health than when he started in on the lunge diet.

Mr. and Mrs. Outcault announce their opening dance for Saturday, Sept. 19, at their magnet hall which is being redecorated and refreshed. Patrons will open their eyes when they enter the hall Saturday evening. 914
