Little Southpaw Twirls Great Game Against "Cap" Grant's Aggregation—Allows Only Three Hits—Bronchos Strong.

Bronchos and Evas Will Perform One Hour Before Game to Give Bugs Line on Both Clubs —Other Features.

The Tribune's Special Service.

EVANSVILLE, Ind., May 7.—That the Bronchos have one more pitcher that can be depended on was proved Saturday when Pat Lindsay mounted the mound and allowed the Evas three hits. "Cap" Grant's men were unable to touch Pat and the little twinge held them in his hand at all times. Wheeler's team stung the ball, Eddie Pocketing the ball over the fence for a homer. The score was 5 to 3, Southbend.

"Buck" Connors filed the role of pinch-hit hitter in good style, batting at a 3-0 clip, in the first inning. Krop stepped after Craven died, Wheeler hit safely and Connors scored. Krop with a safety; Keshlie scored Wheeler with a hit. "Buck" came home on a hit. A run was made in the second and Wheeler scored himself in the third with a four base hit.

Bender, first up in the first, lifted one over the fence for a homer. After that Pat held them to two measly singles. Bender was the only Eva who could get anywhere him perfect support. McCarthy of short robbed two Evas of hits and he started a double play in the ninth inning Grefe batted for Baker and got a hit, but no one could bring him in. The score:

The Tribune's Special Service.

The mayor to pitch the first ball, a prominent citizen to catch the ball, the band to ride over the city in a street car two hours before the game the Evansville and South Bend clubs to practice one hour to let the fans get acquainted with the players, and a presentation of flowers to "Dooley" Grant, are some of the plans for the opening of the Central league season in South Bend, Friday the 13th.

That "Friday the 13th" is ever present, but the plan makers claim the date is a sign of good luck. The Chamber of Commerce committee on baseball is working in co-operation with the baseball management in an effort to make the day a big success. Otto C. Bastian, druggist, Max Levinsohn, clothier, and John P. McGill, home furnisher, compose the Chamber of Commerce committee.

A big parade which is being planned by the committee will be held the last hour before the game. It is planned to hold the parade at that time rather than on the opening day out of consideration to the fans who go to the park early to get a line on the teams. The parade will start from the park at the park until about time for the game and the early bugs have waited patiently for the teams.

The teams will go out to the park in a street car and practice for an hour until the opening of the game is called. The band will go out to the park with the team. Jeffer's band has been obtained.

Parade in June.

The parade in the latter part of June will also serve to attract attention. It enthusiasts hope to get a parade which will be talked of for (until) renewed again. Plans are already making for the parade. It is expected several hundred automobiles will take part in the procession at that time.

For the opening day of the season, the band will start from the street car station at 12:30. The route is as follows: South on Michigan street; east on Jefferson avenue; north on Lincoln avenue; west to College street; east on Michigan street; north to Navarre street; west to Portage avenue; to end of Portage line; back to transfer station to take the Jefferson street line; back to transfer station to Michigan; back to Spring street at Sibley.

Mayor Charles L. Goetz will return to South Bend the middle of month and he will confer with the members of the committee of the Chamber of Commerce committee that he pitch the first ball.

James Collard (Jimmie de Bych), one of the well known fans of the city is planning a little feature in the parade. Jimmie has a live wire Washman and he brought with him when he came to this country an old English hunting dog, the only of the two-wheeled and contains two seats. In the rear seat will ride Mr. Collard, Mr. Hartsell, J. L. LaSalle and Joseph Kline, all fans, will ride to the park in the hunting cart. Then will wear high hats and will be dressed to the nines in the hunting cart.

Collard runs a meat market at 106 East Jefferson boulevard. He has created a sign across the front of the shop stating that on every Wednesday afternoon the meat market in the shop will be closed in honor. The sign reads:

"Closed Every Wednesday at Noon—Gone—Not to the Races, but to the Ballgame."

Many merchants have signified their intentions of closing at least on the opening day. Old fans will be out in force to see "Dooley" Grant in the role of owner. A sign hung in the baseball management states that "Dooley" Grant will be with us on the opening day "to show our loyalty to the new manager, Eddie Wheeler and to show 'Dooley' Grant that we have not forgotten him. Flowers will probably be presented to Grant."

Official ladies' day during the season will be Tuesday and Friday as in the past. The rule holds good except on opening days and holidays. Ladies will be admitted free on Tuesday this season, ladies will be forced to pay.

LAWYERS WRITE THEIR CHALLENGE

BARRISTERS MAIL COPY TO PHYSICIANS DEMANDING GAME.

Dr. Charles Bosenbury Says Doctors Will Act as Ball at Onset—Parleying Back and Forth.

When the St. Joseph County Bar association organized a baseball team several weeks a verbal challenge was issued to the physicians of the city. No reply was received from the doctors and the barristers decided to make the challenge in writing. The following challenge has been made to the physicians:

"South Bend, Ind., May 7, '10.

"To the St. Joseph County Medical Society, Dr. Rosenberry, Secretary, South Bend, Ind.

"Gentlemen:—The St. Joseph County Bar association has organized a baseball team, for the express purpose of challenging the team that your society may first see.

"We know that the Orphans' home at Mishawaka is in need of funds to pay street assessments, for paving, and we feel that we can do more for more than any other class of professional men, in calling upon their patrons, we have picked you out as the easiest victims, and you are hereby challenged to a game of baseball to be played at Springbrook park, for the benefit of the Orphans' home. This game to be played any time during the month of May.

"We also ask you to agree to furnish free medical attendance, in case there happens to be a riot when you are defeated. You will no doubt remember the result of the last game played between the two cities, the Mishawaka team declined to play further before the ending of the second inning, when the score was 4 to 1 in favor of the lawyers.

"We also agree that you can organize a team and play this game, if it will give you needed exercise and keep a society live.

"Yours respectfully,
"FRED WOODWARD, Team mgr.
"J. W. BRIDGE, Capt.
"D. M. SHIVELY, Secretary."

Dr. Charles Bosenbury has received the challenge and directs the sporting editor of The Tribune to state that the physicians still act on the challenge at once.
