Marion, Ind., July 27.—South Bend outhatted and outpitched Marion yesterday and won the first game of the series. Schaffer, who did the tossing for the Greens, was an enigma and the hard hitting Marion team procured only four scattered hits off his delivery. Dale netted one run, but that was not enough to win the game.

McGrew was the first batter up for Marion. He hit for three bases and attempted to stretch it into a home run and was tagged at the plate. Letcher and Corley were retired and nothing was accomplished in the first inning.

South Bend scored one in the first inning by Corley hitting safe, advancing on Anderson's sacrifice and scoring on Bagre's hit. South Bend scored the second run in the fifth inning by Spangler hitting for two cushions, going to third on an error of Corley and coming home on a hit of Schafer.

Marion threatened to tie up in the last half of the fifth inning on Pickett hitting for three bases and scoring on a bad throw by Cogswell from right field, which passed the catcher and rolled against the grand stand. The Greens scored their third run in the seventh. Grosschoe hit safe to McGrew, and went to third on a wild throw by Jensen, who attempted to catch him off first base. Spangler made another two bagger, sending the short, step over the field. The score:

Caught Between Innings.

The new catcher, Andrews, will be in form today.

The Grimites still expect to take three out of the four games.

The pitching of Schafer was something of an eye-opener to the Marion fans.

Tipman was in the game for the first time in several days, having been on the shelf with a sore hand.

Martin fully expected to win the first game of the series yesterday and the defeat was a great surprise.

Spangler newly had his batting eye with him. A couple of two baggers and a sacrifice is a pretty fine record for one game.

GREENS TAKE LAST OF SERIES.

Orphans are Defeated in a Great Pitchers' Battle.

South Bend took the last game of the series from the Orphans Saturday by one of the prettiest games seen at Springstreet for many a day, the score being 3 to 2.

The contest early resolved itself into a pitchers' battle. "Danny" Hearn, for the Greens, seemed to have a shade the better of his opponent from the first, although Thomas pitched championship ball throughout. The support accorded Hearn was of first order, every man being in just the right place at the right time.

The Greens made the first score in the second inning. Two outs were made, Corley went to first on a fielder, stole second and scored on Burg's bad throw of Anderson's grounder, the ball going into the bleachers. Anderson went to second on the mishap and scored on Bagre's single for three bases. Cogswell ended the fining, giving out from shortstop to first base.

The Orphans had a chance to even up matters in their half of the third inning, but spoiled everything by poor base running. Burton beat a slow bunt to first while Mack was given a free ticket. Maloney hit to center, scoring Burton. Maloney was thrown out at third on his one hit due to the fast throw of Corley, Mack going to third on a throw of Grant. Mack tried to score home but for some reason did not make the attempt. The error was word not, ending the ball game.

South Bend crossed the home plate again in the sixth on a pass to Grosschoe, who stole second and scored on Spangler's hit to right. In the ninth the Greens might have scored again, but one man gave away the chance. The score:

THE CENTRAL LEAGUE DIAMOND.

Fort Wayne Ought to be a Knockers' Paradise.

Most of the papers in the Central league circuit have picked Fort Wayne as the highest kicking city in the circuit. If the team loses a game the umpire was crooked or the team is a sham, some member needs discipline, its fault lies with the manager, it does not hesitate to accuse Grand Rapids of throwing games to South Bend during the recent series. Fort Wayne ought to be a veritable paradise for knockers.

The Fort Wayne Journal-Gazette of yesterday morning says: "South Bend plays in Marion, to-day. Something doing. You guess what a little something doing down Marion way. A very good guess."

The unexpected came at last. The Greens went to Marion and not only defeated the Grimes beside down, and left the fans wondering if the world was coming to an end. They struggled up in South Bend that they team could not be defeated.—Fort Wayne Journal-Gazette.

"Dynamite" Foreman, who was with Evansville the first of the season and later with Terre Haute, has been sent adrift by Wheeling. He had won but three games for the Hughes and lost 11.

The Evansville papers take an excellent stand in urging the fans to accord the team loyal support, even if a pennant is lost.

"The Marion Tribune-Chronicle of yesterday said: "South Bend and Fort Wayne are just entering upon their trips away from home. Take a peek at the fall of the matter." Well, the South Bend rubbers will not be on hand to see the Greens and the Angels will not fear to give the Bulldoggers what is coming to them." Now, how the Marion defeat of yesterday be explained?

The vaudeville pavilion was packed to the doors again last evening with some a bill of unusual merit. The head liner was Jack Burch, the Jack Burch and Vesta Fitzgerald, Mr. Fitzgerald is one of the best female impersonators on the stage today and his act was fully appreciated by the big audience. His songs were new and the impersonations were well received. The entire bill was first class, including the famous Gottlob team, "Hoosier Slim, Joseph Whitmer and others. The kine odrome specialties, including "Jack and the Bean Stalk," were excellent. The tent will remain closed until Sunday evening when it will open with Harry Ward's celebrated minstrels, with two bands and solo orchestra.

DARRIE NOT A TALKER.

Celebrated Scotch Novelist Disappointed His Admirers.

Soon after Mr. J. M. Barrie began into fame the officers of three journals for which he had done a good deal of work determined to give a dinner in his honor, says a writer in a London exchange. Mr. Barrie accepted the invitation, had in due course the three knights of the pen and scissors and their distinguished guest sat down together, he both knowing that their contributor only by his work, in full admiration of a "Tract of rare and a flow of soul." However, Mr. Barrie's lips and his brain remained without a word from Mr. Barrie, or, at least, with nothing beyond monosyllabic grunts, and it was not despite frantic efforts to lure him into conversation, until he rose to put on his coat that he made the first and last remark that he uttered during the evening. This curtailing proclamation was in the broadest Doric, "Weel, this is the first time I've ever had dinner with three editors."

HOLD ANNUAL REUNION.

Smith, Williams and Griffiths Families in Happy Gathering.

The annual reunion and picnic of the Smith, Williams and Griffiths families was held at Barren lake, near Niles, Mich., Saturday. A most enjoyable time was had by the goodly number present. Visiting, boating and bathing were the features. Two babes passed away since the last gathering one year ago, James B. Smith, of Cass county, Michigan, and Mrs. Helen Griffith, of Berrien county, Michigan. At the noon hour a long table was spread and it almost groaned under a load of the most beautiful and sumptuous viands. On either side of the table were seated 41, not including invited guests, of the descendants and immediate relatives of the pioneers of 1831. A most enjoyable feast of joy and bodily nourishment followed. Later in the day a picture of the group was taken by Mail Carrier Frank Smith, of this city. J. M. Smith and G. A. Smith, and families, of South Bend, were present.
