Special to The South Bend Tribune.

Fort Wayne, Ind., May 23.—The "tied jugs" let the Greens down with another hard hitting yesterday taking the contest by a score of 3 to 1. It was another case of being outpicked as South Bend played fast and snappy ball and supported Pitcher Ferguson in excellent style. Larne, the new third baseman being the only man on the team to make an error.

Time and time again the "uphill fighters" as the Greens have been dubbed by the local fans, threatened to win out, but luck ruled otherwise and Capt. "Aggie" Grant was obliged to lead his band to the club house with another defeat to account for.

South Bend played a brilliant game. Great at second and Caiger at short sharing the honors of the afternoon's performance. The captain of the Greens cut off three hits by marvelous fielding while Caiger accepted five chances and landed on Mr. Curtis for a triple and single.

Dennis, the second man up for the "Railroaders" opened the game with a single to left, went to second on Perkins' sacrifice and scored on Grant's fielder's choice bagging the same was then unconventional until the 6th inning when South Bend tied the score. With two men out Caiger made a clean single and scored on Spangler's long drive to left center. In the eighth Fort Wayne scored the winning run after Curtis had been hit by a pitched ball and Holden had hit safely. Two long fly outs and a single bringing both men in, Larue who was tried out by South Bend was formerly with the Fort Wayne Shamrocks. He was nervous in the field and did not find the balls. The score:

Notes of the Series.

Spangler's hit to deep center in the fourth inning of Wednesday's game was one of the longest ever made in Fort Wayne.

"Tiernan got in some of his dirty work again yesterday," says the Fort Wayne Journal-Gazette. "In the sixth inning, while the rain was falling Tiernan threw the wet ball to the visitors' bench and called for a fresh ball."

It appears to be a case of hard luck with South Bend.

Schafer is to pitch today's game for the Greens.
