NEWS OF MISHAWAKA

WIND DEMOLISHES A HOUSE UNDER CONSTRUCTION.

PLEASANT CARD PARTY

Mothers' Waits Society, of South Bend, Meets in This City—Fancy Club Entertained—Sunday School Class Meets.

BUREAU OF THE TRIBUNE, Mishawaka, Ind., April 25.

The storm of Wednesday night, this city and vicinity were visited by a severe wind and rain storm Wednesday night which did considerable damage. Possibly the most damage done was on East Lincoln street, where in the fourth block, a two story house in course of construction by Gil Heath was levelled to the ground. The frame work was up and ready for the roof. The building came down about midnight with a crash which could be heard above the wind and thunder. The timbers fell across the walk. The loss will be several hundred dollars in damages to lumber and spite of such in labor. A number of telephones were put out of commission.

Entertained in South Bend.

The members of the Fancy club were delightfully entertained Wednesday evening at the home of Miss Ethel Stone, of 319 North Bradbury street, South Bend. The members had also arranged a surprise on Mrs. Pontius in honor of her 25th birthday anniversary, refreshments were served and music made the evening enjoyable. Those present were Miss Rose Turnock, Miss Lulu Pontius, Miss Lavern Pontius, Miss Ethel Stone, Mrs. Lavern Pontius provided music.

In a pleasant contest, Miss Estella Chandler captured the box favor, Mrs. Ethel Stone the lady's prize and Mrs. Alfred Chandler was awarded the consolation. In a guessing contest Mrs. Nora Pontius secured the first favor and Miss Ethel Stone carried the consolation. In a guessing contest Miss Lulu Pontius was awarded the first favor and Miss Ethel Stone carried the consolation. In a guessing contest Mrs. Nora Pontius secured the first favor and Miss Ethel Stone carried the consolation. In a guessing contest Miss Lulu Pontius was awarded the first favor and again Mrs. Alfred Chandler received the consolation. Refreshments were served. The club will be entertained next Wednesday afternoon by Mrs. D. F. Francis, of 427 South Mill street.

"The Fall of Jericho."

The Record and Herald of Hanover, Pa., says:

"The fall of Jericho," given in the Opera House on St. Matthew's church last evening, by the Home Herald lecturers, was greatly enjoyed by a good crowd. From beginning to end the scenes were well arranged and the entertainment adapted to producing a large income with the cause of evil. In strengthening religious convictions and in cultivating noble desires and lofty aspirations. The tableaux were all of the lesson taught by the Bible. The music was very good and were deeply impressed by the lecture, who spoke in a most forcible, pleasing and convincing manner."

The lecture will be given here on Friday evening, the proceeds of the Epworth league and the proceeds will go to the Chinese famine sufferers.

To Enlarge Building.

J. J. Graham is about to receive bids for the enlarging of the two story building at 119 South Main street occupied by L. J. Graham and Millard Fox. The structure will be enlarged to a depth of twenty feet. The improvement is made Mr. Graham will remain in the structure and will lease his business over adjoining building at Second and Mill streets occupied by Gilmore.

Beverly perhaps from out of South Bend will come here and engage in business. Perhaps a Chicago man who here and desired to engage in the dry goods business. It is understood that a shoe man wishes to do business here.

To Interest Baseball Enthusiasts.

The number of baseball players will be held this evening at the residence of Mr. Ward, on East Lincoln street, at which time all those who wish to play ball in a strong independent team are invited. Mr. Ward and W. C. Anderson, former manager of the Dowagiac baseball club, are the promoters in the new baseball movement. Mr. Ward is a pitcher and has held one of the strongest amateur nines in the state and will give Mishawaka good baseball. It looks as if the other town would be in the field this season from this city.

Shoe Bargains for Friday and Saturday.

Thirty pairs only of women's patent calf shoes and $3 shoes reduced for Friday and Saturday to $2.90. $3 pairs women's French kid pumps and dress shoes $2.90 and $3 grades reduced to $2.90. Men's $3 and $3.50 shoes reduced that we will not continue any other season. A good run of sizes in these goods. 2472

Narrow Escape for Painter.

While engaged in painting the front of the O. M. Long & Cole hardware store on Main and street, last afternoon, Edward Layne had a narrow escape from a serious accident. He was in a ladder and suddenly was knocked to the ground by a falling ladder which had been placed at a point west of him. His head and face were bruised.

Young Men's Class Meets.

The members of Miss Mary Phillips' Presbyterian Sunday school class met last evening at the home of the teacher. The early part of the evening was spent in parliamentary practice, after which a splendid luncheon was served, Frank Breckon acting as toastmaster. Many toasts were given and topics of interest were discussed.

Mothers' Waits Society.

Mrs. Byron McSmith, of 1412 East Second street, pleasantly entertained the Mothers' Waits society, of South Bend, Wednesday afternoon, the occasion being a business session a social afternoon was spent. In a game contest Mrs. Charles Goetz received the first favor and Mrs. Ella Shimp the second. A dainty lunch was served.

Well Known Man Dead.

Mrs. Ann Welch left to-day for Schoolcraft, Mich., to attend the funeral of her father, who died which will be held to-morrow. Mr. Knight was about 85 years of age and leaves a wife. He holds much property in Mishawaka and vicinity. It is estimated that he was worth $200,000.

"Put Money in Thy Purse."—Shakespeare.

Had the author lived until now he would have added "Put money with the Home Building Trust and Savings company." They pay four per cent on time deposits, and extend loans on first mortgages, under safe conditions.

Regal Neighbors Enjoy Cards.

A very pleasant card party was given Wednesday afternoon by the Regal Neighbors of the Woodmen, the attendance was large. As progressive pedro, Mrs. Harry Robbins received favor; Mrs. N. Price, of South Bend, second, and Mrs. N. Q. O'Hollo third. A fine lunch was served.

Change in Cement Business.

Messrs Stewart and John Dolman to-day purchased the cement contracting business of Sheehan & Dolman, a large number of sidewalk contracts are on hand.

Organization Nearly Completed.

The Polo Tennis club has nearly completed its court in this city, and local tennis tournaments are being arranged for the coming season. Anyone desiring to become members of the club should see Mr. Ward, secretary, or any member of the club.

Name as Alternate.

Mishawaka tent, K. O. T. M., met last evening and transacted considerable business. Anthony Hotzog was chosen alternate to the convention to be held in South Bend in May. Will take Irvington in the delegate.

Tramps Worry Citizens.

Tramps are numerous in this city every day in Mishawaka, and not only for dainties to eat but for clothing and shoes to wear. Yesterday a well dressed man applied to a west end citizen for a pair of shoes.

Ribbon Sale.

Special for Friday and Saturday April 26 and 27, at the Savings Center, 1000 pieces of ribbon, 5 to 7 inches in ribbon at 2½c per yard. Not 9-12 at 6c per yard. 2413

Smart Miller Injured.

Stuart Miller fell down stairs last evening at his boarding place at 232 East Lawrence street. Mr. Miller received a bruised ankle and foot.

Lace curtains, scrim, and net curtains, colored patches of earth from greenhouses, tobacco stems, and other stuff such by slightly scratching the surface, scattering over it a light covering of finely sifted plaster of Paris, has been thrown out from greenhouses and tobacco stems, and other stuff such by slightly scattering on the surface a pinch or two of seed of any first-class variety, the seed will then come out much better and more vigorous. Dragging the heavy seed roller over the surface, and at the time of your germination is both quick and sure.

Where the grass appears unduly thin, as often occurs on handkerchiefs presented to the greenhouses, it can be obtained by scratching the entire surface with a sharp-toothed iron rake, broadcasting over the whole surface a light dressing of the same sort of soil and seed, and then rolling with a light roller, and sowing seed on the top of this, using about one-quarter of the quantity of seed that would be used in making new lawns. That is to say, if it takes a bushel to make a new lawn, in very poor soils or where the stand of grass has been unusually bad, double the quantity can be used.

Don't let the weeds get ahead of you this year. Remember, they will start in growth about the same time as the grasses and it will pay you to make sure that they are not permitted to seed at any time. Don't even allow them to ripen their seed, because the present winter destroys of lime should be given, or lime and wood ashes may be applied in the very early spring further with, however, put in thick enough to cover the surface, and the rest of the anniversary moderate.

In springtime if moss is present rake

KEEPING UP LAWN

DAY'S WORK NOW BETTER THAN WEEK LATER.

Roots of Young Grass Should be Brought in Close Contact With The Soil.

One day's work in April will do more toward putting a lawn into thoroughly good condition than will a week's work in June. The lawn demands attention as early as possible in the season, because the young grass plants start into growth almost as soon as the frost is out of the ground, and being shallow rooted they generally are brought largely from heaving of the soil in winter owing to the alternate freezing and thawing.

The very first thing to be done is to see that the roots are brought into close contact with the soil. Even if nothing else is done this will accomplish much. Many lawns are thinned out in the fall by fully realized when the hot, dry weather of August sets in with all its intensity. The roots of the soil can be brought into contact by heating or by rolling. Heating is better, but rolling with a heavy roller will do in the very early spring heating may result in irregularities of surface, which is to a great extent, can be obtained by simply rolling. Dragging the heavy seed roller over the surface, such as one can pull without any effort, should be taken over the entire surface, if the ground at the earliest possible date, and if you do it at the same time it will be all the better.

Usually the most visible effect of the winter steps upon the lawn is the presence of patches of earth from greenhouses, tobacco stems, and other stuff such by slightly scratching the surface, scattering over it a light covering of finely sifted plaster of Paris, has been thrown out from greenhouses and tobacco stems, and other stuff such by slightly scattering on the surface a pinch or two of seed of any first-class variety, the seed will then come out much better and more vigorous. Dragging the heavy seed roller over the surface, such as one can pull without any effort, should be taken over the entire surface, if the ground at the earliest possible date, and if you do it at the same time it will be all the better.

Usually the most visible effect of the winter steps upon the lawn is the presence of patches of earth from greenhouses, tobacco stems, and other stuff such by slightly scratching the surface, scattering over it a light covering of finely sifted plaster of Paris, has been thrown out from greenhouses and tobacco stems, and other stuff such by slightly scattering on the surface a pinch or two of seed of any first-class variety, the seed will then come out much better and more vigorous. An appetizing lunch was served. An appetizing lunch was served. Frank Allen. 2412

We extend a cordial invitation to anyone suffering with catarrh to call at our store and we will demonstrate to all it costs but $1.00 and we will refund the money if Hy-o-med does not cure. A. B. Graham Co., Mishawaka.

Mrs. Frank Stocking, of East Fourth street, was beaten this afternoon to the members of the Art club, which meets next Friday afternoon, at 2 of after which a splendid luncheon was served by Mrs. Stocking.

Its the simplest thing in the world to use Hy-o-med and cure catarrh. Breathe the medicated vapor through the little inhaler in every outfit, and you will be cured of catarrh. Hy-o-med costs it falls A. B. Graham Co., Mishawaka.

For the woman who wants a shoe dress for wear than style, we have a lot of 26 pairs of button and lace kid shoes that sold for $1.25. Must $1. 75 C and D width, that we will sell Friday and Saturday for $1.65. This is a genuine reduction, the former price is stamped on the shoe. Frank Allen. 2412

Word has been received in Mishawaka of the birth of a daughter to Mr. and Mrs. Charles E. Moon, of Ishpeming, Mich., which occurred Tuesday. Mr. Moon formerly lived in this city and Mrs. Moon, who was Miss Ella Smith, of Niles, Mich., has relatives here. The little girl will be called Margaret Andrews.

TRIMMING THE FRUIT TREES

Little Each Year Better Than Much at One Time.

Trim a little every year rather than much in any one year. Peach trees require more pruning than most trees at least one-half of the new growth should be removed each season. Cherry trees require the least pruning. Merely cut out dead, broken or diseased limbs. Other trees need a judicious thinning out and sometimes heading back.

If two branches interfere, remove the smaller one. Avoid cutting so as to leave stubs. Make neat cuts close to the main limb or trunk. Apply a dressing of covering of large limbs. If it must be done, saw on under side first, partly through, and then saw from above. Prune in February or March if you can, but before the sap starts and wood growth. Some pruning favors fruit growth.—Farm Journal.

Alarm for Chimney Fire.

A chimney, which burned out about 1:40 this afternoon in a residence at 126 Laporte street, occupied by Frank Bishop and family and owned by Mrs. Ella Jones, of Mishawaka, called out still alarm to the central station composed and hose companies Nos. 4 and 5. No damage resulted.

Fortunate indeed.

Extremely excited Frenchman, after dispute with cabin Englishman at the Jardin de Paris—Let me tell you something, pal! Second name of thunder! It is a lucky thing for you that I am neither speak English nor best—Rire.

Persons making purchases of Tri-Tea should be careful to see that they get upon the letter by stating whether or not such purchases are the result of the advertisers' announcement in The Tribune. 1312

IN A SHADOW.

Inveterate Tea Drinker Feared Paralysis

Steady use of either tea or coffee of ten produces alarming symptoms as the poison (caffeine) contained in these beverages acts with more potency in some persons than in others.

"I was never a coffee drinker, but write an Illinois woman, "but a tea drinker. I was very nervous, had frequent spells of sick headache and heart trouble, and was troubled at times by severe attacks of vertigo and dizziness. I felt as if I should faint—would have cells at night when my right side would get numb and tingle like a thousand pins and needles, and my heart. At times it could hardly pig my breath. I was so nervous and my right eye and ear were affected.

"The doctors told me I was liable to become paralyzed at any time, as I was in constant fear. I took much medicine without benefit. I was advised to quit tea and coffee and try Postum. I did so and after a few days the trouble began to disappear. I kept on using Postum until I was free from all the symptoms. I feel like a new person, and I owe my health to Postum."

"There's a Reason."

DO IT NOW.

Now is the time to take something to clean and build up the blood, ridding the system of the poisonous waste matter and acids which cause Rheumatism, Blood Poisoning, Boils, Eczema, Pimples, Blackspots and other miserable weaknesses.

Here is one of the simplest safest and most certain intactures, which can readily be prepared at home at normal cost:

Fluid Extract Dandelion one half ounce, Compound Kargon one ounce, Sarsaparilla Compound, three ounces. Use these ingredients from any reliable pharmacy and mix by shaking them well in a bottle. The dose is one teaspoonful after meals and at bedtime. Also drink plenty of water.

This home made mixture, which is very inexpensive, is astonishing most forms of Kidney and Bladder troubles and at the same time, tones the Kidneys to vigor and strain off impurities from the blood. Stimulating the Liver, blood count of 48 per cent red blood corpuscles, which means good, sound health and vigorous vitality; to say nothing of the clear, rosy skin and complexion which must result.

CATARRH CAN BE CURED.

Kill the Germs by Breathing Hy-o-med—Olive Quick Relief.

Many people who have suffered with catarrh for years naturally feel that the disease cannot be cured, and become discouraged.

Their failure to get relief is due to the fact that they have not used the right remedy. Catarrh is a germ disease of the head, throat and lungs and cannot be cured by stomach dosing.

The only scientific and natural treatment for this disease is Hy-o-med, which is breathed through the pocket inhaler, so that its healing, medicated air reaches the most remote air cells, kills all catarrh germs, and restores the mucous membrane of the nose, throat and lungs to a healthy condition.

We do not want anyone's money unless Hyomed gives relief and cure, and we absolutely agree that money will be refunded if, after using the remedy given satisfaction.

All druggists should be able to supply you with Hyomed or we will send it by mail on receipt of price, $1.00, and additional dollar if with the distinct understanding that it cows nothing unless it cures. Booklet Hyomed Company, Buffalo, N. Y.

R. C. Bates has just received a 1907 Cadillac Runabout, the latest and most popular of all gasoline vehicles. Parties desiring to call at 1212 Mishawaka avenue, South Bend, Ind., will be glad to see the car and make demonstration. He also has some good values in second-hand cars.
