TWO MEN BOWLING TEAM TO COMPETE

ENTRIES CLOSE WITH BEST PIN ARTISTS OF CITY IN GAMES.

FIRST EVENTS TO-NIGHT

Individual Contestants Will Clash Next Week—Three Fancy Prizes Offered to Winners in Both Tournaments.

Two men teams and individual bowlers will converge at Beitz's alleys to-night, the two men teams to go to work, and the individuals to get in trim for their events which begin Dec. 20. Entries for the two men teams closed last night at midnight and the following teams will be eligible:

Murdock-Baumgartner, Hine-Archibald, Campbell-Zimmerman, Moore-Holland, Lonis-Hager, Siegling-Schmelle Hart-Chamlar, Clark-Dennis, Smith-Fansler, Schmidt-Gerlardt and Magdin-Hand, Benton Harbor.

In the list of teams are found the classiest bowlers of the city and the prizes offered are expected to bring out some strong competition. Nearly $100 in prizes will be given away. There will be a first, second and a third prize for the leading teams.

Entries for the individual events will close Sunday, Dec. 19. The two men teams are expected to take up all of this week and the individuals will start the tournament next week, Dec. 20. Three prizes will be offered in the individual winners. Three games will be played in both tournaments.

Hurns Win in Elks' League.

All the king's horses and all the king's men cannot keep the Horns from winning the trophy in the Elks' league. The team persisted and now have a standing so far unassailable. The plucky, but who won three games from the Elks last week, started out like winners again last night, but fell down and let the next two games to the Aliens, who were trailing the league, and two more teeth scores will be added. The standing, including last night's games, is as follows:

Teams.	W.	L.	Pct.	Average.
Hurns	17	3	.850	875
Elks	14	6	.700	857
Aliens	13	7	.650	855
Jacks	12	8	.600	851
Jokers	11	9	.550	848
Aces	10	10	.500	841
Kings	9	11	.450	837
Queens	8	12	.400	834
Knaves	7	13	.350	831
Stars	6	14	.300	828
Spades	5	15	.250	825
Clubs	4	16	.200	822
Hearts	3	17	.150	819

Athletics Hold Lead.

The Athletics held onto their lead in the C. A. club league, having a margin of two games over their nearest rivals, the Commercials. The Commercials took two games from Clemens, which put the latter team out of the chances of the State for the battle. The standing:

Teams.	W.	L.	Pct.
Athletics	11	4	.714
Commercials	10	5	.667
Stars	10	5	.667
Clemens	10	12	.454
Chemics	4	11	.267
Pirates	2	13	.222

Studebaker, Open League.

Another league opened this week, attesting to the popularity of the pin game in the city. The Studebaker league is composed of teams made up by the lovers of the sport who are employed by the company, six teams compose the league and the rivalry is keen. Some good scores have been made in the opening games, some of the men had the six games that have been played are the first attempts of several of the bowlers.

Capt. Dire's Senators, of the Turners, have been leading the pack for some time, having won five and five ties and have made the good record of 13 out of 15 games.

NORTHERN INDIANA BALL.

Promoters Want League Organized for 1910 Season.

The Tribune's Special Service.

GOSHEN, Ind., Dec. 15.—Organization of a Northern Indiana baseball league will be affected early in 1910. For four years, efforts have been made to organize a league, but were usually unsuccessful, although not without fruit. A strong sentiment in favor of a league has been worked up and the strongest factor against the success of a league, the Hoosier baseball lay, no longer exists. With Sunday ball, the league is a financial possibility.

Manager Fred Dretsch, of the Goshen Grocys, who was at the head of the previous movements, is taking the lead this year and is in touch with the managers of the other towns. A meeting will be called in Goshen early in January, probably during the second week. Managers of teams of all cities interested will be invited to be present.

Besides the cities considered are Goshen, Elkhart, Mishawaka, South Bend, Laporte, Valparaiso, Hammond, Michigan City, Gary, St. Joseph, Dowagiac, Kendallville, Warsaw, Fort Wayne, Auburn, Decatur, Huntington, Wabash and Logansport.

KNOW BOBBY WALTHOUR.

South Bend Men Fellow Record of Bicycle Speed Demon.

Bobby Walthour's great riding in the six-day bicycle race which closed in New York Sunday morning was noticed and followed by many South Bend sport lovers, as more especially by Henry Dodd and M. P. Reed, of the Southern Michigan offices. Walthour is a personal friend of both of the men and has visited them in South Bend.

Reed sided his speed against that of Walthour in a race at Chicago many years ago, the incident being recalled to him as the became acquainted with the acquaintance frequently when Dodd knew Walthour in the east and has been interested in his racing career. Dodd firmly believed his friend would win the six-day event and was pleased at his success.

Walthour was paired with Bobby Culling and the two maintained the grueling pace to the finish. In the final hour when sports were necessarily tired and the contestants should had his partner, been able to bear up under the strain they might have taken the race. As it was they finished third, only two laps behind the leaders.

Varnalls to Be Culver Leader.

CULVER, Ind., Dec. 15.—At the annual banquet given by the Y. M. C. A. of Culver Military academy, to the football team James Varnalls, '11, of Wabash, Ind., was elect-d team captain for next year. Cadet H. H. Sanborn, of Denver, Colo., was elected manager.

CHICAGO'S CHAMPIONSHIP BASKETBALL FIVE OUT TO WIN ANOTHER TITLE, SCENES IN GAME

The basketball season of 1909-10 is in full blast. In fact, this year's campaign promises to be the banner year for the great and strenuous game. Chicago's championship team of last year is back for the 1909 campaign and is taken it up. In the west a good fight is promised for the conference championship among three universities—Chicago, Illinois and Northwestern. Although former Captain Schommer and Georgan are both out of the game for good, Chicago last year's champion, has a strong nucleus upon which to build a winning team. Captain Page, Hoffman, Page and Fulleroon, guards; Hubble, sufferoier, and Clark, Kelly, Cherry and Merry, forwards, are all the veterans left from last year's championship team. In fact, this year's freshman five, among whom the most promising are Sauer and Edwards, forwards, and Ricketts, center, from which to select a good team and no doubt give Chicago a good fight for the championship. Wesmile has several of last year's varsity left and a good five will be picked from them. Although former Captain Schommer and Georgan are both out of the game for good, Chicago last year's champion, has a strong nucleus upon which to build a winning team. Captain Page, Hoffman, Page and Fulleroon, guards; Hubble, sufferoier, and Clark, Kelly, Cherry and Merry, forwards.

This squad of veterans has been reinforced and strengthened by several likely candidates from last year's freshman five, among whom the most promising are Sauer and Edwards, forwards, and Ricketts, center, from which to select a good team and no doubt give Chicago a good fight for the championship. Wesmile has several of last year's varsity left and a good five will be picked from them.

SHORT SPORT.

Never again. When Clarke, Fred Clarke, you know Clarke, a fellow who is not given to handing out the bluch, stated pe-titively in Chicago, Pittsburg, Kansas and even as close as Laporte that he was going to retire, we decided that it was that same old Pfeifer Jones, Mike Donlin, Ed. Walsh, dere. But we are unstrung. We have been deceived. Clarke has gone and affixed his signature to a two-year contract. It was over there in Chicago that Clarke, in the intervals between games, is a seeing of devil some athletic contests. All applicants for places on the team will be asked to take part. It is a comfy, cozy, little, friendly contest between Clarke, but it was necessary that something be done.

Hanover Lake, N. Y., will hold the international ice skating championship this year, it is reported.

Cornell was beat Pennsylvania on football in 1908, because of the capsule pills they can drive from their varsity freshmen team, who broke all first year track records in the recent meet, when they won six games and scored 212 points and were not scored upon.

Syracuse rowing candidates win have a chance to pick their crews from eight classes of the university "varsity" eight, which is to be the means of in-tilling spirit into them.

Carlisle Indians may play Butler college football at Indianapolis next Thanksgiving Day.

Plans are maturing for a boxing exhibition to be given in the Madison Square garden for the tenth national automobile show, which will be held there during the week of Jan. 8 to 15, was chief at a recent conclave between W. W. Kimball, the decorator of the show, and representatives of the show, the committee consisting of Col. George Pope, chairman; Charles Clifton, E. P. Chalfant and Secretary Merle I. Downs.

The attention turned upon the debut of the organizing work which is now in progress. From the way the various times were dealt with it seemed almost as if the committee was trying to find a suitable substitute for a gat instead of a seven-day affair in an exhibition building. It is almost unbelievable that so much elaboration ever would be entered upon for an exhibition of automobiles, however, the painters are working zealously on the elaborate work for the decorative exhibits.

In seeking to produce a proper setting for the motor cars, motor cycles and accessories, the decorative work will not spare expense; this is made very clear by the fact that more than $25,000 is to be expended for the decorations. The animal automobile show will be a feature of the show, and is more important as a social fixtgi at which the latest fashions, in both cars and costumes, are displayed, and for several years now it has been the occasion for the Madison square garden to show handsomely decorated.

BAN'S THREAT WORRIES.

Magnates Afraid of Baseball War—No Election of President.

The Associated Press.

NEW YORK, Dec. 15.—The threat of Ban Johnson, president of the American league, to refuse to sit on the national commission should John M. Ward be elected president of the National league, a threat which would be carried into effect if Ward should be elected, is causing the magnates again to the fore to-day when the delegates of the National league gathered to consider the question of the selection of a president. It seems that the question becomes that if the magnates to-day that a selection of the league head would not be made before tomorrow or the next day.

With Cincinnati, Pittsburg and Boston for Heydler and New York, Chicago and Philadelphia for Pulliam, the outcome depends upon the course of Morgan Pugel, the new president of the Philadelphia club, and Stanley Robison, of St. Louis. Pugel is generally understood in farmer West. Robison has made no open declaration for either candidate.

NEWS FOR AUTOISTS.

The new Buick car, a Thomas-type Model 10, six-cylinder, recently purchased by E. G. Eberhart, of Minneapolis, has arrived at the Pfeifer garage and will be delivered at once.

George J. Trenkfield, of Indianapolis, state agent for the Premier auto company, has been in the city the last few days seeking agencies.

Embodying the latest in automobile practice, as applied to pleasure cars, a new White commercial chassis has been placed on the market by the gasoline car producers, the Southern vehicle being of a correspondingly true to as far as its mechanical features are concerned.

Responding to the growing demand for novelty in body design, the Knox has brought out two new mountings for its 40-horsepower chassis which are known as the model "A" and the model "B." They are of the close-coupled and tonneau types and are contributing to the latest styles to gain the fancy of the buyer who follows the lead of the fashion as well as in his other purchases.

The third big unit of the Chalmers-Detroit factory, a 40-inch four, four-seat roadster is nearing completion. The company expects to accept it shortly after the first of the year, and the cars will be ready for delivery as fast as the factory needs to be installed.

The record for fuel economy as demonstrated in an official test was made by Frank Ellis, of Los Angeles, in a 15-horsepower four-cylinder Franklin touring car, driven by Averill, traveled 41 miles on one gallon of gasoline. The car with passengers weighed 1,848 pounds.—Motor Age.

The English Beach record stands at 120.16 miles per hour over a 1-kilometer course, made on the Saltburn beach by A. Guinness, driving a 120-horsepower, eight-cylinder Darracq, in 1904. It will be seen by this that the English beach is not as fast as the one at Ormond, Fla.

Carrying 5 passengers, extra cylinders, 40 gallons of gasoline, water and the tools necessary to dig the car out if it should become swamped in the sand, a Haynaldo, driven by C. Z. Ballog, of Los Angeles, has gone the desert route between Los Angeles and Phoenix, Ariz., in 27 hours and 48 minutes. The machine left the coast without trouble from any cause was experienced.

FACULTY RULES OUT STARS

Take Steps to Win Game With High School Regulars.

First practice in preparation for the game with Culver academy Saturday was held Tuesday. The regular practice was short, lasting but a half hour, but was fast and snappy, the team registering five baskets to three goals for the scrubs in a 15-minute scrimmage. Some exceedingly clever passing was indulged in in the second scrimmage, Richter and Steely showing skill in this line.

Richter, the starting guard instead of center this season, is showing a wonderful improvement over his work of last year, guarding cleverly and passing well. He is a good ball player and possesses ability and has grown in getting the ball away from his goal, and intercepting attempts at baskets, Steely, at forward, is probably one of the most clever basketball players that represented the school last year. He is a good shot, a clever passer and is very successful in getting the ball away from him. Hoover, the low forward, is a good shot and has been making the most of his time in practice. The regulars lined up as follows: Forwards, Steely and Hoover; guards, Richter and Pansori; center, Kirby. Pansori and Steely are not to be regulars for the game with Culver, but will be ready to play in the semi-weekly game next week, this fact evening up matters a little. The faculty is very desirous of winning and took the above course as the first step toward victory.

BOYS' BASKETBALL LEAGUE

Members of Y. M. C. A. Who Are Students in Schools Eligible.

Boys from the various schools of the city who are members of the boys' department of the Y. M. C. A. will form basketball game teams and play league games early in January. The leagues will be formed at a meeting of representatives of the different schools to be named by the principals of the schools. The meeting will be held Saturday in the boys' building of the association.

Schedules will be drawn up, rules and regulations prepared and the arrangements for the first games, Saturday, January 8, will be made. Games will be played each Saturday during the season which will last until the latter part of April. A basketball committee will determine the standing of the teams, and the committee will be given the power to place resolutions on the boys corresponding with their standing in department and studies.

It is the plan to co-operate with the schools in such a manner that there will be no friction. Mr. Hall, director of the boys' department, says, "Close relations with the public schools will be sought by the Y. M. C. A. and in the future something more intensive may be attempted.

SECOND TEAM STRONG.

Coach Marts Wants Schedule Arranged for "Scrub Martyrs."

On account of there being no more games before Christmas, Coach Marts has decided to hold but three practices this week. The idea at practice is merely to keep the men working together so that when they start up again after the holidays they will be familiar to each other.

On Wednesday there will be a regulation game between the first and second teams. The second team this year is not quite as good as the varsity and the game ought to prove an interesting one. The line-up of the second team was not this game will determine in a large measure who will constitute the varsity squad after the holidays.

Coach Marts is very enthusiastic about the second team. He will try to have a schedule arranged for them to play. It is the idea of the coach to keep these men working so that they will be valuable for the team next year.

Indoor Game Scheduled.

The River Park Athletic club has formed an indoor baseball team and has scheduled a game with the South Bend C. A. C. team for to-night. The team is composed of the following members: E. Moffit, first base; W. Forsythe, second base; H. Paige, third base; Ed. Moffit, shortstop; Ed. Moffit, left shortstop; O. Forsythe, left fielder; C. Ellman, right fielder; F. Roderick, catcher; G. Cheek, pitcher. The team is looking for games which can be filled by addressing Metro Paige, River Park, Ind.

Chappelle to Go West.

MEMPHIS, Tenn., Dec. 15.—A deal has recently been completed whereby Pitcher William Chappelle, former Memphis player, will be purchased by Brooklyn to be turned over to the Portland, Ore., club for Shortstop Cooney. Mobile was after Chappelle Chappelle formerly played with Grand Rapids in the Central league.

YOUTH ANXIOUS FOR SKATING TIME TO COME

Inquiries of Park Commissioner When Ponds Will be Frozen.

The cold weather of the past few days has brought a flood of telephone calls to Park Commissioner Herman H. Boyes, inquiring as to when the skating ponds about the city will be ready for business. The commissioner has been forced to say to the anxious youngsters that although the weather has been somewhat cold, it is not cold enough to properly freeze over the skating rinks.

Mr. Boyes has had dozen or more places in the parks and vacant lots about the city that will be prepared for skating just as soon as the weather permits and everything is in readiness for the sport when the ice is thick and cold enough. The freezing is effected by sprinkling the plots of ground and allowing the water to freeze until a firm coating of ice is formed, making an absolutely safe place to skate. Commissioner Boyes has been handy who to get to work as soon as it is sufficiently cold.

LEVENE DAMAGE SUIT GOES TO CIRCUIT JURY

Evidence and Argument are Completed in $3,000 Case.

Hearing of evidence and the attorneys' arguments in the damage suit case of Mrs. Bessie Levene against the Chicago, South Bend & Northern Indiana Railway company were completed in the circuit court. The suit went to the jury of the circuit court about 2:30 o'clock. Mrs. Levene is asking for $3,000 because of alleged injuries received when leaving a South Michigan street car recently.

WIFE CALLED HIM NAMES, SAYS SHRINER

Husband Now Asks for Divorce on Grounds of Cruelty.

Alleging his wife called him vile names and swore at him, William Shringe has brought suit in the superior court for divorce from Emma Shriner. He charges also that she often stayed away late at night and that she has a very violent temper. They were married Oct. 16, 1902, and separated Sept. 15, 1909.

Probably on the Team.

"Such ignorance is inexcusable!" exclaimed Aunt Hypatia. "My nephew Percival has been going to college nearly three years, and when I asked him this morning whether he knew anything about Homer he said 'Sure! A homer is a hit that's good for four bases.'"

Monograms for Football Men.

In place of the regular Wednesday morning exercises at the High school next Wednesday afternoon will be devoted to the presentation of the monograms for the football men. The Christmas exercises will be given at that time and the afternoon will be given over entirely to the students.

Tallest Flagpole in World.

What is supposed to be the tallest flagpole in the world is now in Battery park, New York. It is 185 feet high, in two sections, and the lowest part was once the keel mast of the cup defender Constitution.

We Treat You 30 Days FREE

Blood Poison can never be cured with mercury or potash. You might as well try to put out a house fire with gasoline. You may do. The most these drugs can do is to drive the blood poison back into the system, where it will breed more germs, and when this happens you are cured, perhaps, but disease will break out and ruin your health later on. Mercury and potash are the worst, most dangerous and most useless drugs known to medical science. They ruin the digestion, destroy the teeth, cause rheumatism, blotches, blisters, ulcers, chancres and sores, and make life miserable. Promotion Czech and then almost death. Mercury and potash are the only drugs which cannot cure blood poison. Vegetable Other Treatment does not drive it out but drives it out.

BLOOD POISON

but drives it out. It positively contains no mercury, potash or any other drug. It is compound by Other Treatment. Now, if you the terrible case of having your hair fall out, your throat ulcerate, your teeth fall out, your kidneys degenerate or your brain crumble, you should write to the Oddbag Co., providing remarkable changes in your life. This is why we offer to any blood poison victim who reads this, a 30-DAY TREATMENT FREE.

30-DAY TREATMENT FREE.

We do not ask you to pay one cent in advance, nor promise with money and promise for the cure. We do not ask you to pay for the asking. You will open your eyes wide when you see the Oddbag Co. Write to-day and get the treatment free. Take it home and if you are satisfied it is the most remarkable treatment you ever took, you can continue it at a cost of 25c a day. Thousands of men and women have used our marvelous treatment and have been cured. Hundreds have written us, saying that it is the GREAT ODBAG TREATMENT.

This is a strong, bold, big claim, but we are able to back it up. We have the testimonials, we have the proofs, we have the treatment.

Write to-day for a Regulation Test, the only blood poison test known to scientists, using that the body is completely purified by the Oddbag Treatment. Write to-day, and you will be sent your test free. Sit down and write to us, giving a full history of your case, and we will send you our opinion free as a sacred confidence, consultation and advice free. We will send you also our valuable book, "Driving Out Blood Poison."

THE OBBAG CO.

Five Years of Heart Trouble Cured by Dr. Miles' Heart Remedy

"Before I began taking Dr. Miles' Heart Remedy I had been suffering from heart trouble for over five years. I had pains in my left side, and under my shoulder blade, could not sleep on the left side, and was so short of breath the least exertion would bring on the most distressing palpitation. I had scarcely taken a half bottle of the Heart Remedy before I could see a marked change in my condition. When I had taken six bottles I was cured."

MRS. C. C. GORKEY, Northfield, Va.

If there is fluttering or palpitation it is an indication of a weakness of the nerves and muscles of the heart. It is not necessarily diseased—just weak from over-work. The heart may be weak just the same as the eyes, stomach or other organs. You can make a weak heart strong by taking Dr. Miles' Heart Remedy. Get a bottle from your druggist, take it according to directions, and if it does not benefit he will return your money.

A GIFT for Christmas from this store with our name on it will have an additional value; our mark on it is a sign to the one who receives it that the giver has good ideas about quality. You can't buy anything in this store but high quality goods.

Mufflers and Reefers are now accepted as much as a winter detail of style as of comfort. The exquisite designs that we show set off the outer coat to the same degree as does the cravat to the undercoat.

Silk Mufflers, 50c to $6.50.

Peau de crepe mufflers in black, gray, white and colors, special at $1.00.

Brailley knitted Mufflers, all colors and sizes, 50c.

Knitted silk mufflers, imported, black and colors, $2.50.

Suspenders, good quality of webbing and leather ends, in colors and fancy patterns. Regular and extra lengths. Put up in Christmas boxes 50c and $1.00.

Men's sweater coats in all-wool and all weights and colors; in higher plain or combinations, with or without collars, a most serviceable garment, $1.00 to $7.50.

Suit cases of sole leather, genuine seal, pigskin, walrus or alligator, $3.50 to $20.00. See our special at $5.00.

Smoking jackets, ideal for Christmas giving, $3.50, $5.00, $6.50, $7.50, $8.00, $9.00, $10.00 to $15. 0. Lounging robes $5.00 to $25.00.

Terry Cloth robes. We have secured for holiday season the best values we ever saw in domestic and imported German Terry and silk striped effects, $3.50 to $20.00.

Blanket robes in beautiful patterns, in all styles. Some with buttons, others with silk cord. Small medium and large sizes. Stripes, figures and two-tone effects, $3.50 to $25.00.

Home of Hart Schaffner & Marx Clothes. "Sampack" boys' clothes. Knox hats, Crossett shoes.

Money Cheerfully Refunded. Spiro's 119-121 S. MICH. ST. Mail orders Filled.

Specialists in good clothes for men and boys; and nothing else.
