BRONCHOS OUT HIT BABES BUT LOSE ON ERRORS

BRONCHOS LOSE ON CRITICAL ERRORS

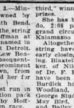
POTTERS AGAIN WIN IN ARCTIC-LIKE WEATHER.

FINAL COUNT IS 7 TO 6

Grant's Men Make Desperate Rally in Ninth Inning and Score Three Runs When Krey Lands for Triple

BY R. S. VAN DEVERE.
The Tribune's Special Service.

FRANKFORT, Ind., May 3.—Old Boreas took a big breath yesterday morn and it tested arm all afternoon, the chilly breeze blowing all over the ball lot to the great discomfort of about 20 ball tossers and 400 fans who proved their loyalty to the game and passed up their two-pieces for another look at the battle as waged by the squads of Hoy Montgomery and Angie Grant. The fans came all out for the street cars, the coast stood 7 to 6 for the Potters but the visitors made another thinning grand stand finishes and came close to coming under the wire a winner.



The hoof heart-breaking for the bags was left to Kelly, Myers and Holmes, who choked Krey the southpaw youngster favorite—in the left field for timely pokes out a triple and three men raced across the sun with all not chasing this to the count. Then Kelly came to the bat and gave his signal to the Bronchos that he was bouncing in but the ball went foul. Again did Coffey give the signal soft for a little cry of Dacky Holmes caught it and sent Hastings a wireless to the bleachers. Again did the signal Coffey couldn't have reached it with a fish net and Krey was caught between the sacks where he was sun run down and the prospects of a tie that second for Bumhiemt went glimmering and the local tossers heaved a heavy sight at the sky pilot.

Young Walker, the clever youngster from the sunny south, made his debut as a bearer in the Central league, a 13 for eight innings held the visitors down to five safeties and a walk and clever fielding called him out on a couple of bad holes. With the bases drunk in the ninth Hastings went to the rubber and what happened is written above.

Alberts Gets Bad Start.

Old Cy Alberts was the ginger of the day for the Bronchos and he got off to a bad start. Cy was nervous the first of counters in the initial stage. Cy didn't give a walk and fanned seven of the local batters so that it can easily be seen that he put something on the sphere. Errors behind him turned out to be responsible for the defeat of the Bronchos.

With the Bonders down in the first round Hoats poled a single to Koehler who failed to connect. Wares laid down a bunt and Alberts had the ball in his hand ready to throw home. Cow muffed the throw Montgomery fouled a bunt and they slammed one through between Koehler and Kelly that sent Wares across the plate. Cow muffed a bunt and Alberts had to throw to Kelly to get the ball that Alberts sent at him but it hit Dory's bat and went to Kelly. Hoats made a wicker was an easy out. Myers then delivered a clean two bagger and scored Wares and Montgomery.

In the fourth, Cow's error left Myers on first and Holmes on second. Hoskins lofted the balmy and fearlessly grounded out to Kelly putting Myers at second. He counted when Holmes got his single.

Bronchos Get Start.

Then the Bronchos started their scoring machine. Kelly singled and stole second. Grant walked. Alberts fouled out to Hoats. Kelly was thought of sacrifice. Craven singled and scored Grant, Krey's single filled the bases. Koehler hit to Wares who boomed it and Craven and Krey counted. Coffey tried to make home but was caught.

In the sixth, swarting singled and scored when Holmes doubled.

The Potters came back with one in their half of the fifth. Hoats was safe on Cow's error and went to second on Wares' single and Hoats was caught out Tomes got mixed up in fielding it and Wares was safe at first. Grant ran out to right field as if he was after the ball and when Hoats got off third, Alberts pegged to that sack and got Lefty on the bench. Wares was caught at second when Myers to Grant. Krey's error allowed him to score.

Potters Come Back.

In the seventh, Lloyd singled with the sun down and scored when Myers got his second double of the day. Hoats was safe on Kelly's error. Wares doubled and Grant walked. Korbe was in to bat for Alberts and tickled the leather. Craven walked and that filled the sacks. Hastings then went to the bat and Krey tripled and the rest is old stuff. The score:

Bases on balls—Off Alberts, 1; off Hastings, 1. Struck out—By Alberts, 7; by Walker, 1; by Hastings, 1. Sacrifice hits—Montgomery, Kelly. Stolen bases—Wares, Grant, Krey. Wild pitch—Alberts. Double plays—Hoats to Wares to Montgomery; Wares to Myers. Left on bases—Bronchos, 7; Potters, 7. Attendance—300. Time of game—1:55.

This Kelly was going some yesterday with his clubbed sticks, a double and two singles.

The Bonders left last evening at 8:30 for Wheeling where they will clash with the singles for four battles. Grant expects to get enough of the games there to go home with a seven percentage.

The Potters are nabbed at the plate by the locals. All of the plays were fairly close.

Cow on first base isn't a whirlwind as yet but is improving rapidly and is a hard worker.

If Grant Rapids furnishes the thrills, the Bonders will undoubtedly be at some good crowds for the best four days.

Considering the day, 839 was a stellar crowd. The Bonders didn't lose any of their popularity as they only got to play in two games.

Coffey made a great catch of Holmes long in the second. Eddie grabbed the sphere just above the grass and rolled over about three times before he was able to stand up again.

Ft. Wayne, 3; Evansville, 1.

EVANSVILLE, Ind., May 3.—Ft. Wayne backed Hammond's superb pitching yesterday with brilliant field work, while Evansville was erratic behind O'Brien. The visitors won, 3 to 1. Score:

CLEMENT STUDEBAKER'S FAST PACER WITH HOFFMAN AT KALAMAZOO

KALAMAZOO Mich May 3.—Minnie M. 2:07¼, a pacer owned by Clement Studebaker, of South Bend, is probably the best horse in the string being trained by Harry Hoffman at Horvatton park. She will be named in the $1,000 handicap stakes at Detroit.

The pacer was raised by Lew Beckwith, of Kalamazoo, and was subsequently sold to Frank Storms, a prominent horseman of the same town, from whom Mr. Hoffman purchased her for Mr. Studebaker.

Minnie M. M. was first run in the grand circuit at Recreation park and she greatly surprised by Hoffman by smashing her maiden record.

Last year the horse was five times at Detroit, Fort Wayne, Lansing, Lapeer, and Benton Harbor, besides one third," winning a total of $1,519 in stakes.

She has been entered in the LeVeque-Livingston 2:08 pacer, in the grand circuit meeting to be held in Kalamazoo next August.

Altogether five of Mr. Hoffman's string have been nominated in the early closing events of the local meeting, the list including Ethel Hamlet, ex of Niles, Dolly S., the property of Dr. F. R. Carson, of South Bend, have been entered in the 2:14 trot, Hardick hotel purse, $10,000, Major Woodward, 2:18¼, owned by George Studebaker, of South Bend, and Sir Bailey, of Kalamazoo, are entered in the 2:14 pace, Bickman hotel $1,000 purse. Minnie M. is entered in the Verdo purse, 2:08 pace.

WEATHER CANCELS AMATEUR GAMES

BUT ADLERS DOWN BRONSON HALL IN COLD.

Contest Between Annis Independent and Goshen Nine Called Off—Spires Idle.

The cold weather played havoc with the schedules of the local amateur clubs yesterday nearly all of the game s being called off because of the threatening outlook.

Bert Annis' Independent were scheduled to play Goshen at Springbrook park but when Sunday broke cold and threatening after Saturday's receipts from the weather man, the Goshenites sent down their regrets.

The Spires Sheets delayed their opening, cancelling their game for yesterday with the Kendallville team at Kendallville. The Clothiers play the Independent team at Peru, Ind., next Sunday. Manager Swortha has decided to put a team in the Michigan state league, and, therefore, two new men who he has been trying out.

One of the few teams to play yesterday was the Adlers aggregation who had a game in their schedule by the Mishawaka Bronson team. Jackson ball at Notre Dame, Hanlon, Lefler and Valles were on the mound for the Adlers while Flagle did the hurling for the Bronsons.

The game was featured by a beautiful exhibition of the Adler boys in the delivery and a home run by Jackson, who smacked the ball over the left fielders head.

Capt. Lundgren tried out several new players including a pitcher, a first baseman and an outfielder. The Adlers will play Bronson again next Sunday with the Nine city team at River Bluff. The score:

Adlers	0	1	0	4	1	0	0	0	1—7	11	1
Bronson	0	0	2	1	0	0	0	0	1—4	6	4

Batteries—Adlers, Lefler, Valles and Jackson; Bronson, Flagle and Ryan.

The Sunnyside Juniors want games with teams in the city under 12 years of age. Address Clarence Bidell, South Bend.

Owing to the flooded condition of the Mishawaka diamond the game between the Livingstons and the Independents of Mishawaka was postponed. The following men have been selected by Manager Livingston as his pitching staff for this season: Hoagland, Van Ziden and Johnson.

Tom team opens its schedule next Sunday with the Dowagiac Hines, one of the fastest semi-pro amateur organizations in southern Michigan.

New Player for Raiders.

WHEELING, W. Va., May 3.—Kelton, Grand Rapids, new outfielder, hails from Rochester, N. Y. He did not play last last season but was with Rochester in the Eastern league in the 1907 season. With that club he hit .275 in 104 games and had 27 stolen bases. He played both outfield and second, base. He stands 5 feet, 8 inches and weighs about 158 pounds.

Osteen to Make Good.

"Champ" Osteen, who turned the trick around second second for the Ft. Wayne last season, and who is now with the Ft. Worth Texas league club stay with the league, intends "to make good," says Hoskinks. "He says small hope of getting him back. We haven't counted on him at all."

KAZOO HORSEMEN WAIT ON WEATHER

MANY FLYERS IDLE AT RECREATION PARK.

SIX HORSES FROM FLORIDA

Latest Addition, Peter V. Johnston, Brings Fast String to Track—New Water System to Be Installed This Month.

KALAMAZOO, Mich., May 3.—If the sun ever shines in Michigan again, and it is accepted by the rest of the summer weather, there will be something doing at Recreation park. For there are now on hand eight trotters with speeds 40 heat 2:10 and all waiting patiently for a chance to begin the season's workouts. But it is impossible under present conditions, and big stakes are still being won and fast mile trotted around the hot stove.

The latest addition to the local colony is Peter V. Johnston, who came up from Florida for the summer months. Mr. Johnston has a string of six to look after now, the number including Atlantic, by Peter the Great, dam, Alberta; Rhinestone, by Binger, dam, Alberta; Mr. Forbes, by Binger, dam, Sardine; Studebaker, by Mambrino Patchen, dam, Dolly Spanker; Peter the Great, dam by Onward; a 2-year-old filly by Peter the Great, dam, Flight Onward, by Onward.

Woody and Mack Master are still in the stables of Ed Geers, but will not come to Recreation park until along in June.

The new water system will be installed and in working order by May 20. C. C. Cornell, Harry M. Hoffman and Charles Douglas, trainers, have all been working their horses on the half mile track improvements and they don't hesitate to say it is the biggest step forward ever taken by the management of Recreation park to make that a fast track. Cornell, who trained the Fred Taylor horses of Tecumseh, one of Michigan's best known drivers, is expected to go to Detroit early this season and will be at home when the tans pay the first every Sunday. Cornell has taken it easily this winter, giving his horses a rest and they seem to be in good condition.

Trackout has an excellent stable this year and will run principally in the Michigan circuit. He has engaged stall space for a number of years and is considering number of trainers who will be there to prepare for the contest.

Another famous Michigan trainer who will soon be located at the Lansing track is D. Erwin, of Mason.

DUST FROM THE DIAMOND.

Comment Picked Up on the Central League Circuit.

Midge Craven is just as chirp as ever—Zanesville Times-Recorder.

Columbus seems to be written all pretty that Grand Rapids team. Joe Haidy, Catcher Lannon, Kihm, Kahl, and Monroe have all worn Senatorial togs.

"King" Kelly's throwing arm isn't in the best of condition this spring, so Bridger will do most of the backstopping for the Tri-City during the next few days.

Bobby Lowe, former manager of the Grand Rapids team, whose face will be missed from the Carson circuit this season, is the lay roll of Washington and Jefferson college as coach of the college nine.

George Schaefer of South Bend, who bought his release from Terre Haute and signed with the Venice club in the Pacific Coast league, has been released outright by the spring 'Hill team but on 10 and last nine games he played with Terre Haute he took five of them. He has not lost one since the schedule opened.

Tom Keefe, who managed the Houghs a part of last season, and Ed Ashley, who managed the Mechanics state league club last year, has offered to purchase Buck Ewing's team from Harry Hanlon but Phillips is not willing to part with the bankrupt concern. The price offered by Fleming, it is impossible to cover, that vessels may go to sea.

M'FARLAND DATE OFF.

Nelson Refuses to Meet Packey Before Sept. 5.

CHICAGO, May 3.—Battling Nelson, lightweight champion and heavyweight author, blew into Chicago yesterday from a week's theatrical engagement at Rochester, and proceeded to call off at least one match with Packey McFarland, scheduled for July 4 at Friars, and to offer his local rival for the crown a match on Sept. 5 under changed conditions.

Instead of the McFarland bout on the Fourth of July, Nelson offered to Coffroth that he will take on "Jewish Johnny" Thompson for a 20 round bout at 133 ring side before the Comiskey park. The following men have been selected by Manager Livingston as his pitching staff for this season: Hoagland, Van Ziden and Johnson.

HIGH SCHOOL LOSES TRACK MEET TO GOSHEN

Local Artists Lose Nerve After Accident to Barkey.

Sorrowed over the accident which befell one of their foremost teammates, Kenneth Barkey, who broke his right ankle in the high jump, the local High school cinder path artists were minus the usual amount of "pep" in the remaining events, and were defeated by Goshen High school last Saturday at Goshen, the count being 57 to 31.

The track being in a slow condition from the recent rains, no records were broken, the fastest time was registered in several events. Kirby, of the local team, seemed to be the only one to keep his nerve, pulling down the individual honors. He won one first, four seconds and a third scoring 19 points, while Vance, of Goshen, scored for Goshen copping 18 points.

Although somewhat disappointed over Saturday's defeat, the local cohorts is far from dark. "Dope" artists are looking for great things for the meet on Indiana meet, May 15th, from Butler's team, which is considered perhaps better for a gridiron contest than a track meet. Captain Sternberg will start the track daily practice so as to get his team in good condition for the Indiana meet, which is the last Summary of events:

WABASH SWAMPED BY NOTRE DAME

TIE FOR FIRST AND FIVE SECONDS VISITORS TOTAL COUNT.

Intended for Opening of Out-Door Track Season Cut Snow Turned it to Indoor Event.

Notre Dame, 69; Wabash, 19; was the score of a one-sided track meet run off in the Notre Dame gymnasium Saturday afternoon. The contest was supposed to open the varsity's outdoor season, but the weather man shipped a snow storm along and thus upset the coaches' plans.

Wasson, of the varsity team, was the individual star of the meet, taking first place in the 40 yard dash, the 220 and the broad jumps. Fletcher, although not in the best of trim because of an recent sprain in the ankle, was next in the individual point column winning the low hurdles and the high jump. Wasson, Fletcher and Hanlon tied for the high jump, which was rather good at 5ft. One watch, that held by Coach Maris, caught him in :24 4-5.

Moriarty, who has been on-star with Fletcher in all track events in which the varsity athletes have competed this season, sustained a bruised ankle at the start of the low hurdle event and was forced to stop after going over one of the obstacles. Previous to the injury Moriarty had made a good showing in the high hurdles and tied for third place in the pole vault.

Vanella, who made the half mile in 2:07 1-5 with practically no opposition, was the only Wabash man to win a place. He also gold and blue athlete could be found in the second place in the half mile, behind Dean, Kinsey was the only Wabash man in the event and he blew up after running a couple of laps. Kingery ran a game race in the mile, finishing third behind Vance and Dean. Kingery
