OLD HOODOO ON JOB

BIRDS LOSE FINAL GAME TO CANTON AT THE JUMP.

HOLYCROSS IN HIT TRUST

Late Addition Gets 10 Per Cent of Locals' Five Runs—Two Pitches Great Ball After First Inning.

After a temporary respite from the old first inning hoodoo said hoodoo arrived again yesterday and put the only ones out of the running when the game was just cutting its teeth. To be sure the home-holks hit off one tally to the first round, too, but that wasn't enough for the visiting Chinks greatly took those and did enough batting to last through the game. The score, as may have been guessed, was 2 to 1, with South Bend at the short end and the Canton crowd at the other. The game marked the close of the first series with the Cheeons and also made the score in the series three to one in favor of the Buckeye tossers.

Thomas Williams was selected from the staff of hurlers to make a stab at taking the first game, and Rube Mercer guard was chosen by Bade, mainly from the fact that the locals are not supposed to be able to hit successfully a left hander. The locals outhit the visiting crew, but the latter bunched their hits and the home-boys with the Hoodoo fire hits were scattered.

Of the five spots marked in the local 2l, column Pearl Holycross, the most recent addition to the locals' pay roll, contributed two, Williams, the fifth for his former teammate, Hayworth. Two of these four was a triple, caused by the mistake in judgment of a Canton outfielder, who thought to catch it on

the fly. The ball was close to the fence and Hayworth had time enough to get to give the husky Pearl time to reach the penultimate sack. The only trouble about the Birds' hitting was that Holycross couldn't follow himself. The Chinks had a little hitting themselves in almost the same groove, but seemed was able to be on the sacks when they came, except the triple, and so bunch starting his Central league career with a good batting average, Pearl scoring pitched nothing outside saving the Birds' hoodoo in the first.

Tom Pitches Good Ball.

According the conventional story of the home games this season Williams pitched shut-out, air-tight ball after the first inning. He passed McGrew in the second, but from that time on Tom's opponents were retired without one of them reached first base. Good fielding figured back of Tom as well as on the visitors' side, not an error being made by anybody. Rube had nothing to do, apparently, but to catch what he had in pretty form. He drove a hit and hit a bunch of one bagger, after which "Cap" Grant drove a great slinger down the first base line, which, had it been a foot or either side would have been a two bagger, but which Holycross, with Rube's hands saw spoiled everything.

Umpire Siddagan was there with the put outs yesterday and had a good fielding average, though it is claimed by some that his decisions were not frequent. Every time there were two strikes and three balls on the indication it looked like 23 to "Unps" and that was a signal for somebody's retirement. Pope was called on to make an effort to get back into the doings and worked before the game in the sunset field with Pope, was placed on the coaching line, but "Unps" did not like the idea of the coach being so close with the shivered collar bone in the blue board. Mebbe was obnoxious over there and was sent to the dug-out home finally. The self-spoken, mild Aggie was called on to take the retired from the walk from at one time but was permitted to stay in the game.

Rube gave every indication of having an off day at the start and passed Cermack on the Tykin's first time up. Truthshaw busted a hit too hard and Rube had to retire Cermack at second. "Crack" later stealing second and going on to third when Holmes let one slip through his mitts. Pope hit to McGrew who caught "Crack" at the plate, Rube then fanned Williams on the pill to right center for the triple and scored Frederick. Frank Gross was a victim when Mark got into shape again and that was all the scoring the Birds did.

Several Near Scores.

They came near, but not quite over another run. Hayworth got a hit in the second when nobody was out, but Bush fanned and when Hayworth stole second he tarried Billy Grant and Williams were plunked. Holycross hit a long one to Williams and he threw out an air-tight to hook the middle bag and outfield fire rendered his third bagger null and void. His second hit might have netted the home bunch, but Williams, who had a hand caught, for afterward Hayworth walked and Bush was hit, but Grant's uphoky drive was gobbled by Bade. Holycross let off in the ninth with a single and Williams was hit by pitched ball (not to Lindsay). Cooper Hayworth's offering dropped in the Cooper well in center, ending the game.

The game as hereinbefore stated, was pop-by the Canton team in Ann's second inning, the Canton team, singled for a starter and Lindsay was sacrificed. Cooper hit safe to center, but Holycross prevented Tel from scoring by a quick recovery. That is, he prevented him from scoring on the play, but Tel was destined to score when Mercer drove a hit to one over Grant. Arter strong forced bade, but Kelly doubled and sent in the two other tallies. In

the second inning, with two down, McGrew gave a walk, but again Lindsay's goose on a high fly. Thereafter the visitors had a chance to get here in detail and not one of them reached first.

That was the end of the contest, the only other features being three attempts to steal home, two by Bush and Dusky Holmes, who came near being put out of the game on a peculiar accident. Bush was at bat and tipped a fast shoot right against Duke's mask, breaking a wire of the top of the mask, forcing the catcher to leave the game for a time. Later Dusky Holmes lost a gallon or two of blood, but after Tester had been announced at his executor Dusky made the sub take off the pod and went in again, catching the last half of the game. Holmes' substitute was John M. Dugan himself, who placed his earthly body in front a pitch breaking curve and almost well to the floor for the count, and Dusky Holmes, who came near being the goose, however. The third was Dusky Bush, who was poked in the nath accidentally (idiots). The score:

OUTFIELDER MOLONEY JOINS.

New Gardener Secured From O.-P. League, Arrives.

Outfielder Moloney, a former Central league player, and last year with the champion Youngstown team of the Ohio-Pennsylvania league, has arrived and joined the Birds. Manager Grant having secured him from the Ohio Moloney is a fast fielder, something on the style of the Goat, and hits the ball hard when he hits. His batting was not so good, the opinion showing .313. Moloney was one of the darkest members of the team, playing with Anderson the first year of the club's organization.

PENNANT PULE BREAKS.

White Sox World's Champion Flag too Much for Staff.

The pennant pole on which the White Sox raised the banner on which flaunts the legend, Champions of the World, broke yesterday when the flag was about half way up, but strong Bande prevented it from falling to the mud. The celebration attending the pennant raising was a little marred by the accident, but Bande added a two-run homerun Reis game in and spoiled the chance for a game.

THROUGH A KNOT HOLE.

Thomas will take part in the games on the road. It is expected.

Cermack is getting only one on the bases and it takes a fast catcher to nail him at second.

Dan Johnson got in the game again at Dayton yesterday taking Clarke's place and got a hit.

Charlie Alberts has been sold by Manager Bandle to the Jacksonville team of the P. C. M. league.

Bush and Hayworth pulled off a nice double steal in yesterday's game, Bush stealing home on the play.

Billy Grant's Johnson's foot is getting better and he will be in the best of shape when the team hits the road again.

Lefty Cora has been out of the game with a lame shoulder for several days, but will be in lockup. He played yesterday.

Manager Knoll has ordered Second Baseman Kelly back to Evansville. The player is still suffering with his injured arm.

A general change in the scene of action comes on next Sunday, when the teams now playing at home will begin their road trip, which begins Sunday in the state.

Foy was out of the entire series here on account of trouble in the pedals. He will be in again soon and will strengthen the Chinese outfield, which is not any too good just now.

The Michigan league, Joe S. Jackson's strong organization, has begun the season with the following teams: Kalamazoo, Fort Wayne, Jackson, Tecumseh, Flint, Mt. Clemens, and Bay City.

"Jackson" Pearson, released by Evansville early in the week, left last night for Springfield to join an Ohio-Pennsylvania league team. Pearson and Hale were released shortly after the slaughter of Sunday.

Yesterday game was the shortest nine inning contest yet played on the Central circuit, 1:45. If it hadn't been for the accidents which delayed the game it would have been about the limit.

Since July 25 of last season Jeff Overall of the Chicago Cubs, has not lost a single game. In that time he has pitched 13 winners and one 11 inning tie. The latest was his shut out of the Phillies yesterday.

Pearl Holycross is leading the Central in hitting, averaging .500 in the first two games. Tom Williams was the leader until yesterday, when his failure to hit at all gave him a drop. Pearl hits the ball with a swing that sends it like a rocket and almost always right over second.

Evansville, Terre Haute, Wheeling, Dayton and Springfield are now in the second ball first place since the league got a fair start and all were in the lead at different times. Evansville is now fast above the bunch, and Terre Haute is in sixth place, with Canton, which at the beginning of the series was the leader, in second place. Springfield is now back in the league, the latter being in the second division.

Yesterday's game was good fielding was apparent yesterday. The infield did not let it "Crack" and Hayworth shine particularly. Truthshaw had a hard time of it at second, but got out of the game. A Canton batter hit a low liner to him, which he apparently caught in the fly, but as there was considerable doubt about it he timely decided it was a bounder and let it go by, making the out sure. Cermack gobbled the high one same as usual, and Dolan and Grant did some nice work. Frank Cross caught a nice bounder and shows signs of good health again.

THAT FISHING TRIP—NO. 5.

For some reason that can't be guessed the fish have lost their appetites and are not biting from one end of the lake to the other. Not enough to feed a family, anyway, and that's enough to make us forget all about fishing.

The pathfinders came by way of Toledo and South Bend. It does not definitely settle this route as the one to be used for the big event. It is not likely any plans will be made by the Chicago committee could be be chosen in the itinerary.

The pathfinders will stop in Chicago until 10-morrow morning, when the long run to New York will be started.

KELLY TO BOX SULLIVAN.

Return Match on Tapis at Los Angeles.

Los Angeles, Cal., May 15.—After a conference with Silvio Parsetti, manager of Hugo Kelly, Manager McCarty of the Pacific Athletic club, decided to remach him with Jack Sullivan, who last Friday night, Kelly won the fight on a foul just two weeks after the Attell-Solomon fight for the feather-weight championship of the world.

Sullivan has not yet been consulted, as he could not be located, but it is assumed that Jack will have no objection to make, as he is willing to fight anyone in the world at 124 pounds at a ringside and for the fun of it.

Kelly's victory over Sullivan has set will attract an unusual amount of interest as they are two of the best men in the country to-day.

What to do in Dyspepsia

Dieting has become a great fad in America, and just as, years ago, we as a nation, over-ate, so now we are undereating. The one is as bad as the other. Man needs food and plenty of it to maintain life and to give strength to compete in this busy world.

It is not, however, the fact that you must eat, but what that horse you, but what you don't digest, what you take and do not assimilate, that gives you the trouble by causing bloat, gas and sour stomach. If your digestive organs were causing the trouble, you would know it, and you would have an Gnawing, Gassy Stomach. No pure food chemist you ever consulted knew of these necessary facts.

This last only to show to a reliable remedy that does, and in the same instance, Dr. Caldwell's Syrup Pepsin, which is a pure, safe, and reliable medicine for the sick. Take it regularly for awhile according to the expert directions on each bottle, and it will cure you of the most obstinate case of the accompanying symptoms such as heartburn, sour stomach, bloated stomach, biliousness, constipation, headache, dizziness, nervous, sick, etc. Every bottle carries with it an absolute guarantee to do what we claim. It is a great family medicine, and a dose taken at night is the best for babes and for younger children.

One of the great friends of this remedy is the Rev. Dr. Sheldon, of Chicago, who says in a recent testimonial that longer in the lapse of a lifetime. While in the war pension, and earlier in life, I was a victim of dyspepsia and constipation and had to resign my pastorate. I tried in the meanwhile called the attention to Dr. Caldwell's Syrup Pepsin, and I began to use it. It not only cured the dyspepsia but increased his weight 18 pounds.
