The Tribune's Special Service.

Terre Haute, Ind., Sept. 15.—The secret of Fort Wayne's success against Terre Haute last Sunday when the "Hottentots" outplayed the Railroaders at every turn of the game came out yesterday afternoon when Edward Beecher, captain and shortstop of the Terre Haute team was indefinitely suspended by Louie Smith, president of the Terre Haute baseball association.

Beecher, it is alleged, sold the first Sunday game to Fort Wayne for $15 and when strong evidence of the deal was laid before the Terre Haute management, the eccentric ball player was benched. Beecher has not been in favor with local fans for some time and this morning he made a statement that he would never again wear a Terre Haute uniform. Because of Beecher's alleged crookedness it is more than likely that the game in question will be taken from Fort Wayne's won column and declared no contest.

With Beecher out of the game Terre Haute is demoralized and yesterday South Bend had little difficulty in winning the contest by a score of 6 to 2. Schafer who pitched against Reed held the locals down without a score until the eighth inning. Reed, the former South Bend Twirler, was pitted against the Greens and they took delight in pounding his curves to the four corners of the lot. Anderson got four singles and Schafer two doubles and a single. The score was as follows:

NYERE AND LONERGAN RETURN.

Notre Dame Football Prospects Are Considerably Brighter.

The week's work in football opened up at Notre Dame yesterday with a small squad, mostly new men. Prospects were slightly better than on Saturday, as Nyere and Lonergan, the star end of last season, pulled in during the day and Conway, a husky freshman, showed up. Fansler, who played a good game last season at tackle, will be here to-day, and Capt. Salmon expects six of the members of last year's team here by the end of the week.

Football was yesterday taken up in earnest at Notre Dame. Coach Cutts had forgotten all working hard on signal practice and the boys had to start in from this year is lighter than usual, but evidence of speed is already shown.

The first injury occurred yesterday when Knipp lost year's star, had his knee badly sprained. He will be kept out of practice for a few days, but will probably be in shape for the game with Chicago.

Minnesota has the championship fever and never before have the prospects for football been so bright. The first week of practice at Minnesota has brought out what the Gopher supporters believe to be the best bunch of players that Minnesota has had to pick a team from. The men look faster and better and there is more of the football sense exhibited. Eight of last year's team are back.

Bickersall, the famous "prep" joined the Chicago squad of 25 football candidates for the formal opening of practice. Bickersall is a phenomenal sprinter. Bickersall is as clever a quarter back, speedy sprinter and good ball player known in the country. He has been "trailed" by Michigan, Wisconsin and Illinois universities.

Michigan's football team begins preliminary training at Ludington, Mich., to-day and Yost has already outlined the change in his style of play. The quarter back will do more plunging and interfering and perform fewer of the other duties that have fallen to him heretofore. Capt. Redden, Graves, Carter, Gregory and Heston will return. Reports that Carter is indulgin. Bile on account of studies prove to be untrue. Gregory and Heston, who had an offer to leave college and sell clothes, have changed their mind. A sixth member of last year's team, Lewis, has been signed up. Full back has written that he will return in October. Thirty-three candidates are out for the eleven at Northwestern.

Evansville, Ind., Sept. 15.—The Sioux Indians were defeated here last night by the Evansville Central league team by a score of 7 to 5. Attendance 1,500. The game was played under electric light. Batteries—Evansville, Rust and Schmidt; Indians, Bruce and Cole.
