MOFFIT WINS GAME

SOUTH BEND TWIRLER GIVES GRAND RAPIDS SHUTOUT.

"HOODOO" FINALLY BROKEN

Grantites Play Clean, Fast Contest and Keep Gansteids From Sending Man Across the Rubber During Entire Nine Innings.

The Tribune's Special Service.

Grand Rapids, Mich., Aug. 2.—South Bend finally broke the "hoodoo." After playing in the worst kind of luck ever since they left home on their present trip the Grantites won and scored a shut-out at that.

Grand Rapids was defeated by the score of 3 to 0. Much of the credit for yesterday's victory should be given Elmer Moffit for it was largely due to his masterly pitching that the locals received nine large goose eggs. The twirler held the Gansteids to six hits for six innings and then only allowed one in each of those following.

Two double plays by South Bend cut off Grand Rapids' only chances to tally. In one of these Grant and Connors figured and in the other Grosschow, Grant and Connors. South Bend scored first in the fifth inning when Perry muffed a low fly, placing Tinnan safe at first, Anderson sacrificed and Connors followed with the hit that brought home Tinnan. Connors was singled and went to second on Grosschow's out. Grant lifted the ball just over the infield and Hyp's ability as a sprinter brought him home.

Fielding was the most interest and sensational plays were in evidence on both sides but the pitching of Moffit stand's out as the one big feature. He had the locals completely at his mercy throughout the game. The score:

Grand Rapids.

Caught Between Innings.

South Bend played an errorless game instead of Grand Rapids.

Thinking that it might break their losing streak, Manager Grant Monday changed his batting order upside down with the exception of the pitcher

Connors made the folding star play of Monday's game in the seventh inning when he caught Perry on first the big fellow went up in the air like a jumping jack with his gloved hand and pulled down a long drive from Hayes's bat. Connors had to go a long way and as it dropped down and all Duck had to do to make it a double was to touch first.

There is nothing so dear to the heart of a ball player as his base hits and to rob him of one honestly made is a most unpleasant proceeding for him. Monday through a mistake in making out the tabulated score of Sunday's game, Lem Foy, the speedy left fielder of the South Bend team, was robbed of a base hit. Foy had a hard one coming when he did he made two hard clean hits and did not make a single mistake. The mistake appeared in all the local papers and the little fellow felt that the sporting writers must be in a conspiracy against him. Foy is considered by all the ball player in the other seven teams of the league than Foy.

PLAY A LONG CONTEST.
