

## BELGIANS CRAFTY LISTING ENTRIES IN OLYMPIC MEET

Cut Down Entries In Events Where Yank Athletes Are Superior.

BY HENRY L. FARRELL  
(United Press Staff Correspondent.)  
NEW YORK, March 3.—New scoring regulations will prevail at the Olympic games in Belgium next summer.

The first six in each event are to be awarded points on the basis of seven for first place, five for second, four for third, three for fourth, two for fifth and one for sixth.

Good Prospects.  
With prospects of Americans standing in the first six places in numerous events, enough points seemed to be in the making to "cover" the team in unrepresented events and in some in which the boys of Uncle Sam might not be so proficient.

But a "joker" was buried in a paragraph near the end. In the track and field events in swimming, tennis, boxing and wrestling—events in which Americans nearly always prove superior—chances of an American cleanup are circumscribed by the regulations limiting the entries to a maximum of four.

Belgians Know Something.  
Of course, the Belgian committee is within its rights in deciding that way if it wants to. The rules of the International Athletic Federation and the regulations laid down by the Olympic congress in Paris in 1914 are explicit in providing only four starters in the track and field games. But the same conscientious desire to follow the letter of the law might have been carried out in all departments of the games. The Belgians also declare that on account of the war, no team championship will be awarded and no nation can claim the world's championship. All winners are to be regarded as individual winners and their points will not contribute to a national championship. It may be a good intention. But official or unofficial, there will be a team champion or claims of a team championship and America could well use points that will be added to the total of other nations.

## THE WORLD O' SPORTS

Purdue closed its successful basketball season with a walkaway from Ohio state. The conference games end next Saturday night.

Moran has decided the Cincinnati Reds need no change this year and now Redland rosters are admiring their stand-Pat.

Easterners are inclined to believe that Gilmore Dobie, whose success as a football coach has gained him a new berth with Cornell, worships at the shrine of a false god—that he insists his players win at any cost.

Willie Jackson is strong for Dundee in his claim to the lightweight championship. Jackson figures that if Dundee is the present champ the new champ, after the pair meet next Monday, will be one Willie Jackson.

Harry Mansell, a bantam who once gave Jimmy Wilde a furious twenty round tussle overseas has come here from England. He's on Frankie Mason's trail.

Josh Devore, former Brave and Giant has signed up to play semi-professional ball with the Lafayette Red Sox.

The wrestling parson down in Kansas City who stages boxing bouts in his church and who is willing always to meet budding Gatches in the grappling game ought to give the Old Boy himself a tussle when he joins Sir Oliver's Lodge.

Ex-service men in Indianapolis are forming an American legion baseball league.

Jim Thorpe, reports have it, has flatly refused to join the Akron club. Thorpe was willing enough to play professional football in Akron but he thinks he is entitled to a further chance in the big show in baseball.

As part of his publicity stunt Dempsey might well come along now with a grandstand play and state that in view of the fact that Carpenter was a great war hero he could never allow him to fight Dempsey.

A Boston boxing club has received eighteen thousand applications for tickets for a fight between third-rate local prizes in the Hub next Saturday night. By Friday the promoters expect 30,000 applications but the hall will hold only 10,000.

CINCINNATI, O., March 3.—Shortstop Larry Kopf late today affixes his signature to a contract to play with the 1920 Cincinnati National League baseball club. The contract was signed following a conference with Mgr. Pat Moran who arrived in Cincinnati from the east to take the players to Miami, Fla., Friday for spring training.

WILDE WINS.  
PHILADELPHIA, March 3.—Jimmy Wilde, British flyweight champion, out fought and out pointed Patsy Wallace, of Philadelphia, in a fast six round bout here tonight. Wallace fought a hard battle against the champion and almost scored a knockdown in the last round.

## Z. B. QUINTET TO PLAY LOCAL "Y"

A regular city championship game of basketball will be held in the Y. M. C. A. Monday night, March 8, at 8 o'clock, when the Z. B. team meets the champion "Y" team for the titular honors of the city. Inasmuch as neither of these teams has met the same opponent this year there is little to choose between them, and the game should develop some hard, fast and clean playing. It is probable that a series of three games between these two teams may be staged after the state Y. M. C. A. championship tournament held here March 19 and 20.

## NOTRE DAME GETS SET FOR RELAYS

Coach Sends Men Through Fast Workout Preliminary to Big Meet.

Work, hard work and more work in the daily program for the Notre Dame track crew in preparation for the second invasion of Urbana in two weeks. The "Rockmen" are leaving for Urbana late Friday to compete in the annual indoor Illinois relay carnival scheduled for next Saturday night in the big Urbana university armory. Nearly every big university in the middle west has signified its intention of entering one or more teams to compete in the relay classes, including the one, two and four mile and medley events. Interest in the meet is heightened by the entry of Georgetown in the medley relay and Pennsylvania in the mile relay. It is the first time in the history of the western relay carnival that any eastern schools have come west to compete.

Enter Newark Meet.  
Rockne announced last night that "Johnny" Murphy and "Gus" Desch had received invitations to compete in the American legion's big indoor meet in Newark, New Jersey, on Thursday, March 11th. Rockne indicated that both men would likely go. Murphy to defend his senior A. A. U. high jump title, and Desch to compete in the 50 yard low hurdles. This afternoon the first preliminary indoor interhall meet is scheduled for 4 p. m. The contesting halls will be Brownson, Badin and Walsh, the first four men of each event qualified for the final interhall meet scheduled for March 13th. Preliminaries for Sorin, Corby and the day students will be held on the 14th.

LAUREL WINS.  
The boys basketball team, junior division of Laurel school, defeated the Studebaker school team in a fast game played at Studebaker school Wednesday afternoon by a 19-11 score.

## QUINTETS BATTLE FOR STATE TITLE

South Bend and Mishawaka Again Meet Next Friday—Hot Game Expected.

By TANAN BLUE.  
South Bend, Elkhart, Mishawaka and Laporte are all receiving their hardest workouts this week in order to try and cop the sectional honors. None of the four teams are without a fighting chance, and the lack of the finishing touches are not going to jinx any of the big four. Of the four teams Laporte has the best record with teams in this section, but South Bend high has been minus several of her best players in some of these games, and this gives a first class alibi for the local looking at the dopesters side.

Coach Mueller of the suburb five has been taking his men over to the local association several times this week during the afternoon, and is giving them some hard drills in order to satisfy his theory that the locals can be defeated by the Mishawaka crew if they can only become accustomed to the vast area of the local gym. If Mishawaka can defeat the Tan and Blue men Friday night in the tourney they will have a clear path to the finals, and this will be the first time in the history of that school that they would be such high runners. So Coach Mueller is going to take a fighting chance and try to pull his team through.

In the case of Laporte last season they played the locals in the final encounter after they had succeeded in defeating Elkhart in the semi-finals. The same is hoped to work out this season as they meet again in the semi-finals. With this hard schedule before them Coach Kelsey sees that his men must be in the best of trim to stand the test of three hard contests Saturday to the locals two, and the tractor city men going through one wind breaking stunts in order to stand the gaff on the large floor.

## COMPLETE DRIVE FOR IRISH REPUBLIC BONDS

Friends of Irish Freedom at Notre Dame in a whirlwind campaign sold \$1,200 in Irish republic bonds to the students at the university Tuesday and over-subscribed by \$200 their original quota. The campaign will be continued until Saturday night. Included on the list of subscribers were Very Revs. Andrew Morrissey and James A. Burns.

The drive was conducted under the direction of Thomas J. Tobin, president of the Notre Dame chapter of the Friends of Irish Freedom, who was assisted by Maurice J. Dacey, Walter Douglas, John Balfe and John Buckley.

Plans for the celebration of St. Patrick's day will be made at a meeting of the organization next Sunday when it is expected that the university chapter will decide to hold joint exercises with Irish societies in South Bend.

## SCHOLARSHIP WINNERS ORGANIZE AT N. D.

Twenty-three Knights of Columbus scholarship winners at Notre Dame have organized a K. of C. club and have elected L. J. Murphy of Linden, Ind., president, Herman W. Bittner, Marquette, Mich., vice president, and R. Manus Gallagher of Ottumwa, Ia., secretary. All of the members won scholarships when the national council of the Knights of Columbus offered 23 to ex-service men last September.

At their organization meeting they voted thanks to the national council of the Knights of Columbus and made preliminary plans for future social activities.
