PLAY EVEN GAME IN LONG CONTEST

BENDERS TOIL ELEVEN INNINGS, SCORE 4 TO 4.

MARTIN IN SLAMMED HARD

Manager Grant Announces that Smith and Krey will Join Team To-day in Bloomington—Wild Heaves Numerous.

BLOOMINGTON, Ill., April 14.—After batting heavily for 1 1innings, the game yesterday afternoon between the South Bend club and the Bloomington team was called a tie, score 4 to 4.

Rain and chilly weather kept the attendance down, but it is expected that there will be a larger gatherind out to-day to witness the second game of the series. The game yesterday was hard fought every inch of the distance. Although Martin was slammed rather hard he kept the hits well scattered.

South Bend scored two runs in the second and fourth innings. Koehler opened the second with a well placed single and Kelly sacrificed. Hayworth advanced both men on a bunt and Kelly and Koehler scored on Grant's infield hit. In the fourth session Kelly hit safely to right and Hayworth reached first on Martin's error. Hayworth Kelly counted on Grant's bunt. Tieman hit to Kahn but the return of the ball to the plate was too slow and Hayworth scored.

Poor throwing resulted in a couple of tallies for Bloomington in the fourth. Davis hit safely to right and the ball passed Craven, Rock getting to third. He scored on Coover's triple in center. Snyder's double in the seventh and Hayworth's wild heave to the plate gave Bloomington another run. Manager Grant announced to-day that Smith and Krey would join the team here to-day. The score:

MEE AND CONROY RELEASED.

Hendricks Sells Players to Wisconsin State League.

FORT WAYNE, Ind., April 15.—Tommy Mee, who has been playing third in the exhibition games with Fort Wayne and who has made an excellent showing, has been sold to Madison in the Wisconsin State league.

Along with the third baseman will go Frank Conroy, the catcher, who has also played in a number of the games and who has also made a most excellent impression. Both are excellent men, but they are lacking in experience and it is believed that a year in a class C organization will do them a world of good.

Billy Reidy was released outright and will go back to Chicago. Reidy was for two years in the New York State league and was struck by lightning while playing in a game there for a time, but he has about recovered. The reason he was let go is simply that Manager Hendricks already has plenty of tried pitching material.

LOWE RELEASES TWO PLAYERS

Russell and Morse, Pitchers, Given the Can.

GRAND RAPIDS, Mich., April 15.—The can was attached to two recruits of the Grand Rapids team by Manager Lowe last night. These were Pitcher Morse, of Peoville, and Outfielder Russell. Both are good, willing men, who with a little more seasoning may make good in company like the Central, but at present what they need is perhaps more of experience.

Morse is a big fellow from Peoville with large mitts, deep dimples in his face and a combination of speed and curves. He was coached by Josh Sing. Russell is the man who created the ties between here and Toledo, according to reports, in order to get a chance with Arnold's nine. He has had some experience in the outfield in the big leagues and was a teammate of Bill Coughlin, Jack Hoff, Jack Mee, Ed Doyer, Duckett, Kelly and Betts.

CANCELS NEW CARLISLE GAME

Manager of Livingston Club Secures Another Date.

Because of uncertain conditions, H. J. Carrier, manager of the Livingston baseball club, has cancelled the game with the New Carlisle team which was to have been played Sunday afternoon.

Carrier has secured a game with the Laporte club for the same date and the contest will be played on the Laporte grounds. Manager Carrier also announces that a meeting of the club will be held Friday evening for the purpose of electing a captain. All members of the team are requested to attend the meeting.

Birmingham Buys Flaherty.

BIRMINGHAM, Ala., April 15.—The Birmingham baseball club yesterday purchased Pitcher Earl Flaherty from the Cincinnati Nationals. He was last year with Hutchinson in the Western association.

Hendricks Secures Oyler.

TERRE HAUTE, Ind., April 15.—Shortstop Oyler, of the Indianapolis club, has been signed by the Terre Haute team this season. Oyler did good work at his position last year.

SMITH ARRIVES; WILL JOIN TEAM

SOUTH BEND PITCHER LEAVES ST. PAUL CLUB.

Owner Annis Goes To-day to Remain With Grant Until Peoria Series is Played.

Confident of a successful season and pleased with the idea of playing in his home city again, Big Ed Smith, whom Manager Grant recently acquired from the St. Paul team, arrived in South Bend last night from Streator, Ill., where he left the St. Paul club.

According to his present plans he will work out in South Bend until he receives word from Grant to join the club. It is probable, however, that Grant may send for him before the local through the Three-Eye league is finished as Smith is in excellent condition after practicing for the past three or four weeks with the St. Paul club. He has been with the St. Paul team since the players were ordered in report and came from Joplin, Mo., the teams' training camp. In Streator he pitched the game played there Monday.

Bert Annis, owner of the South Bend club, will join the team to-day in Bloomington, Ill., and will remain with Grant until the series in Peoria at Peoria. He will probably return to South Bend with the team Sunday. Catcher Will Isaac Watson, the new catcher signed by Grant, to Bloomington, Tieman will be given a rest for several days as he has been working in every game of the Bloomington and Peoria games of the exhibition series.

Pitcher Wright arrived in South Bend yesterday and will work out here until he hears from Grant. He is said to be a capable hurler and may be asked to join the club before the opening of the season.

MAY BOYCOTT BALL CLUBS.

Labor Unions Start Trouble with New York Magnates.

NEW YORK, April 15.—The labor unions of this city may boycott the New York ball teams.

A strike of carpenters has been declared at the American league baseball grounds and the Central Federated Union yesterday decided that any good law abiding union man found helping in a game of baseball on the grounds will be severely fined.

"Shall we boycott the grounds, of course?" asked one of the striking delegates with the baseball fever.

"Oh, you can't," yelled the delegate of the bartenders. "They've got nothing but scabs on the job."

"And adopt a Chinese policy?" roared the other union delegate.

"This is awful" moaned some delegates who are fans, but the order must be obeyed.

TO MEET MISHAWAKA GIANTS

Manager Swerths Arranges for Game Sunday Afternoon.

Arrangements were completed by Brad. R. Swerths, manager of the Spring Brook club, for a game with the Mishawaka Giants, to be played Sunday afternoon at Spring-brook park.

Considerable interest has been taken in the game as South Bend and Mishawaka are the leaders in the local independent baseball leagues. Several diversal fast players, in clinding Cressall, Stilson, Kelly and Brode will play with the Mishawaka club. Capt. Caffey, of the Spring's is confident of victory and has had the members of his team working hard for the game this week. The Valparaiso Midnights will come to South Bend for a game with the Spring's April 26.

Fort Wayne 5; Millers 4.

FORT WAYNE, Ind., April 15.—With two out and two bases full in the top half of the ninth inning, the Minneapolis pitcher threw wild and Fort Wayne took the game, 5 to 4. The score:

Minneapolis 1 0 0 0 0 0 0 1 —4 13 5
Fort Wayne 0 0 0 0 0 0 0 5 —5 7 1

MAJOR LEAGUERS IN PENNANT RACE

STRENUOUS SEASON OF TOIL IS STARTED.

BIG CROWDS ATTEND GAMES

Large Gathering on Deck to Witness First Struggle Between White Sox and Tigers—Cubs are Winners.

The American and National baseball leagues opened the baseball championship season yesterday and from now on there will be no hibernation until the long schedule of 154 games has been completed.

The personnel of the clubs which engaged in the struggle yesterday is not unfamiliar to the followers of baseball, for while there has been considerable shifting about of players since the season closed in 1907, the majority of players who fanned uniforms again this season are well known to the fans.

Of course the schedules were so arranged as to avoid any conflicting dates and the National league race was scheduled to open as follows: Chicago at Cincinnati; Pittsburg at St. Louis; New York at Philadelphia; Boston at Brooklyn. The American league opening was scheduled as follows: Detroit at Chicago; St. Louis at Cleveland; Philadelphia at New York.

According to the various reports of the opening of the season, the weather was cold and the attendance was very gratifying. Perhaps the largest crowd to attend any of the games was the gathering at Chicago to witness the Cubs and Reds battle. There was a crowd of 8000 to witness the game at Cincinnati between the Cubs and Reds was very large according to the reports of the struggle.

In some of the cities of either league has there been greater changes than in Chicago, Philadelphia and Boston. The Tankees met the Philadelphia Athletics in the first of a four game series with all the pomp and ceremony that accompanies the opening of the season—flags, a band and the usual parade of the players across the field. Philadelphia, the home team of the American league, threw the ball and the season was officially started.

LAPORTE SCHOOL SCHEDULE.

Team Will Battle Mishawaka and Elkhart Nines.

GREAT TROTTING MARE, NAHMA, ENTERED AT DETROIT MEETING

DETROIT, Mich., April 15—Detroit this summer is promised the chance of seeing in action what some wise horsemen claim is a greater mare than Lexington Girl or Sadie Mac, ever was all of which is going some. The one in question is Nahma, 2:11¼, a daughter of Midnight's one hundred thousand Peter the Great. Nahma started 15 times last year and won 12 times. In this mare is the ambition of her sire to be the first to take a reputed 2:08 right around 2:08 in the fall.

Nahma is one of the wonderful field of the 2:11 class which created 15 when Secretary Moore closed his book last week. Her owner is a man who has been heard of in the turf circles this year will pass the 2:08 mark, including the very best colleges in the country.

"While we expected this to be a great event," said Mr. Moore, "I had no idea that the entries would be so heavy that we need a 'Ill sit the call any; $16,000 stake that has had a more closely field than we now have. If we have luck in the matter of weather and the good things in the event train on as hoped, the people of this city will see a race that will be talking about all the rest of the year. The grand and M. & M. the international feature of blue ribbon meeting, will be a great event, and we think it is the matter of entries. Last night the nadina of 16 work on the book and it is estimated that half a dozen more will come along. Among them will be the pick of the Geers stable, for no entries had been received from the Geers stable.

George H. Belmont, the Detroit enthusiast, who last year paid $18,000 for Perfection to start in this stake only to have the mare die on her way from the right on deck. He paid $12,000 for Lady Queen, the daughter of Edward Winter Queen, the horse worked a mile last fall in 2:0 the half in 1:03¾. Gus Macey will prepare her for the race.

"Billy" Fitch, the auction pool seller of Kentucky, raise on Roy Brook, by Gilbert Brook. This one is being trained by Jim Fitzsimmons, and is the fastest pacer in our rods, school and the same Mr. Hogan marked Suyfor McGregor in 2:03¾.

CARSON TO VISIT ZANESVILLE SOON

PRESIDENT OF CENTRAL LEAGUE IS SOME NOISE.

"Baby Town" of Circuit is Making Elaborate Preparations for Opening of Playing Season.

ZANESVILLE, O., April 15.—Among the things that will be of interest to the fans during the coming summer besides the games of the Infants, will be the visit of the head of the Central league some time after the season starts. He will make a tour of the league and will of course spend a few days in the "baby town" of the circuit.

Carson's visits to zanesville have been few thus far, but each has been important. Some months ago he came here with W. W. Irwin, of Wheeling, to look over the city relative to the formation of the franchise of the City in the Central league. Last March he all been talked over with Irwin before, but the league men were told that the matter depended on the directors of the baseball company. The men made the visit and were well pleased with the prospects for placing Zanesville in the circuit.

Then came the schedule meeting with all the magnates of the league, and Zanesville attracted the glare of the sabbion of the baseball world when the meeting was in progress. Two of the magnates, Carson and Irwin, then the magnates left for their homes and their next visit will come when Carson comes to the orthodoxy of the Infants with their respective teams.

Carson's next visit to the city will not be quite so grand and for a royal entertainment for the president of the Central league with its square deal.

BIRD IN LEEPER PARK ZOO MURDERS MATE

Midnight Bout Results Disasterously for Kagel and Blackford Eagle.

As the result of too close quarters, eagles in Leeper park zoo engaged in a duel last night with disastrous results. Torn and mangled, the fine bird given to the city by the firm of Kagel & Blackford was found dead in the cage this morning, a victim of its murderous mate, a beautiful eagle given to the zoo by J. M. Studebaker.

Although the victor, the Studebaker bird plainly showed the result of the encounter, as its plumage was torn and dirty. Several cuts and tears in its skin showed that its opponent, although weaker, had put up a game and put up a reasonably good fight. The birds were confined in a very small cage and were probably worn out with each other's company.

The Studebaker bird was presented to the park about two years ago and the Kagel & Blackford bird was given later. They mated and it was thought they were the best of friends, but the tragedy of last night disproved the opinion.

CRUSHED STONE HERE.

Two Carloads Received to Repair Drives in Parks.

Norman Byers, the park commissioner, has received two car load of crushed stone which he will use to repair the damage done to the drives in the parks by the high water. The greatest damage was done in Howard park, where a car load of stone will be necessary to repair the drives nearest the river and the tennis court, which was flooded. The park board will feel with the work being done on the park and expects to have everything in fine condition in a couple of weeks.

Gentle Brutality.

A New York woman testified that her husband "gently threw her downstairs," which shows that the charge that modern men are lacking in consideration does not hold good in the metropolis.

Important to Traveling Men.

When Krough reading The South Bend Tribune on the train please throw it out of the car window to the first newsboy you see. Then can read and enjoy it and pass it along to their friends. 25
