A DAY FOR ATHLETES

TRACK GAMES IN CHICAGO

Notre Dame is Expected to Win Championship of Western Inter-collegiate Association—Michigan is Favorite in Conference.

To-day, in Chicago, marks the culmination of months of training by more than a score of athletic teams of the west, and in all probability will see the decisive battle between the old Western Intercollegiate and its sturdy young rival, the Intercollegiate Conference Athletic association, otherwise known as the "Big Nine." The day is generally looked upon as the most important in the history of western track athletics.

Wisconsin, Michigan, Chicago, Minnesota, Northwestern, Purdue, Indiana, Iowa, Illinois and Beloit will try for the supremacy of the "Big Nine." In some respects the meet will justify the appellation of "triangular," as the real struggle will lie between Michigan, Wisconsin and Chicago. The Wolverines have been generally picked as the winners.

Although the Western Intercollegiate Athletic association's meet comes on the same day as that of the conference colleges and for that reason will have a smaller attendance than otherwise would be expected, the contestants will not strive the less to carry off honors. Eleven colleges have entered their representatives for the event, and to-day promises to be the most hotly fought battle in western college athletics.

Hitherto it has been the custom to associate the western intercollegiate meet with the names of the large colleges, which have withdrawn this year and formed a separate organization, but now the smaller colleges have banded together under the old cognomen and offer an entry list that would do credit to some of the members of the old organization. Four hundred entries have been received for the several events.

In addition to the college events another attraction has been provided. Eleven High schools and three academies will compete in special 100-yard dash and relay championships. There will add 125 men to the already large number of college men.

Notre Dame to Win.

The institutions which are to be represented include Notre Dame, Beloit, Grinnell, University of South Dakota, Northwestern, Illinois, Chicago, Lake Forest, Valparaiso, Lawrence and Knox.

It is generally conceded that Notre Dame will carry of the victory, as it proved the formidable rival of the "big nine" colleges before they withdrew from the older body. The South Benders, besides possessing two multi-point winners in Corcoran and Eggeman, has a remarkably well balanced team. It won the Indiana state college championship over Indiana and Purdue by a wide margin, and the records made by its athletes have placed them as favorite in the field contest. Eggeman is in such fine form as good enough to back against the best of the rival aggregation. However, Notre Dame has lost its star, Powers, who has been conceded the best all round athlete in the west, and the bicycle squad which cut such a swath last year has failed to materialize.

The representatives of Drake and Grinnell will give the gentlemen from Indiana a hard run for honors. Drake has defeated both Iowa and Grinnell in dual meets and comes with a large and well balanced team in all the events. Grinnell has entered Coupar in the runs, and if he equals his last year's standard he will surely place himself in front at this meet.

Bicycle races are made possible by the excellence of the Ransomwood track, and the figures in these events will undoubtedly aid in determining the result. Lane, of Knox, has used the track for several days and may be counted on to capture one or two firsts. Walker, of Grinnell, is an unknown quantity, but is expected to get some thing good.

Corcoran the Star.

In the 100-yard dash Corcoran is expected to get first, with the field struggling for the other places. The Notre Dame man is also counted a winner in the 220-yard dash, with Conger, of Grinnell, second and Hudson, of Notre Dame, third. In the quarter Notre Dame will place in the Geerts, Morley and Kirk, and the Drake, Wagner and Ross from Drake, Clark, Wheeler and Miller, will wage the best contest with the Notre Dame representatives.

Evans, of Drake, is the favorite in the half-mile, and in this event Notre Dame is expected to fall down, as the other places will probably go to Drake and Grinnell. O'Donell, of Notre Dame, has a good chance in the mile and two mile runs, though Emerson, of Drake, and Evans, of Grinnell, also must be reckoned with in these events. Both the hurdles and hard to figure on, as no one knows how the men will come out of the at clearing the sticks. South Dakota and Grinnell will probably divide the points.

Glenn and Eggeman, of Notre Dame, are putting the shot 40 feet, and this entitles them both to consideration. Pell, of Drake, is also good in this line. Kearney, of Notre Dame, is said to be clearing 10 feet 6 inches in the pole vault and this ought to make King and Hudson, of Notre Dame, win. The Notre Dame high and broad jumps is also in the hands of Hudson, and it is thought by Trainer Maulion to be one other Kosciusko, and he is counted a winner by his team mates.

In the hammer and discus it is Eggeman and Glynn, of Notre Dame, and Pell, of Drake, against the field.

GREENS VS. GUNTHERS.

Daniels Will Pitch His First Game for Greens.

"Southpaw" Daniels will pitch his first game for the Greens against the Gunthers to-morrow afternoon at Springbrook park and the fans will have the chance to get a line on his ability as a twirler in actual work. Figures and percentage tabs are all right in their place, but baseball followers want to see a man in play before they pass judgment on him.

As the Greens played a 4 to 2 game three years ago, the contest to-morrow promises to be close as both clubs have improved since that time. Manager Hughes will pitch for the Gunthers and Powers will be on about the line up and batting order of the teams will be as follows:

Greens.	Gunthers.
Dwyer, ss.	Usher, lf.
Grant, 2b.	Powers, ss.
Acker, rf.	Sweig, rf.
Bryan, cf.	Shoveridge, c.
Vogt, 1b.	Donahue, 1b.
Keeley, rf.	Campion, 2b.
Kleeker, lf.	Quin, 3b.
Stark, c.	Perkins, cf.
Daniels, p.	E. Hughes, p.

Ethel's band will furnish the music for the game and promise to the contest.

To Play Michigan City.

The Greens will play Michigan City June 13, at Springbrook park, for the benefit of the Elks.

Duel From the Diamond.

Harvard defeated Cornell yesterday 13 to 5.

Mullen was his game for Fort Wayne from Mon to yesterday.

Wisconsin won from Albion college by a score of 7 to 1 yesterday. Wisconsin will play at Notre Dame Monday.

The North End Stars have issued a statement to the effect that the Gem City Juniors and Highland Views cannot play for the junior championship until they meet the Bon Tons, Hills and Stars.

Bernard, New York's clever outfielder, and John Dobbs, of the Reds, were rivals for the honor of being the star outfielder in the New York State league last season. Although Bernard was one of the best of the outfielders seen of Dobbs, these two have sent both men play any time Dobbs has a slight advantage over Bernard in the various points of the game.

Condensed Sporting News.

Joe Gans knocked out Benny Dobbs in the seventh round at Baltimore last night.

A 20-mile motor-paced race was won last night at Baltimore by Jacob Michael from Watson Coleman and C. V. Babcock by three and three-quarters lapse; time, 32:15 1-5.

It is now practically certain that the fight between Terry McGovern and Aurelio Herrera, at San Francisco Wednesday night was a gigantic farce arranged to cheat the public. McGovern might have put out the Mexican in a few rounds if he wanted to, but he did not in order to enable his friends who had bet that the fight would go beyond four rounds to cash their bets.

NEWSBOYS' CONTEST CLOSING.

A Fight for Tribune Prizes Will End This Evening.

The Tribune contest among South Bend newsboys in which eight prizes will be given to the eight boys who turn over to Circulator F. M. Smith the largest number of subscribers between specified dates, will close this evening. The boys in the contest and those who still desire to enter may turn over subscribers to the city circulator this evening in order to be counted in the contest. There are now 24 newsboys fighting for the prizes. The boys have their relative standings here as follows:

Several of the boys have the same standing, having turned over to Circulator Hatch an equal number of subscribers. Should this be the case at the time the contest is decided the winners will be determined by drawing cuts or in some other manner satisfactory to the contestants.

MONEY FOR BOULEVARD.

Nearly Twelve Thousand Dollars Now Subscribed Toward the Project.

The committee soliciting funds for the South Bend-Mishawaka boulevard on the north side of the river continues to receive encouragement. The total cash promised to the committee amounts to $11,200. John F. Ford & Bro. who gave $600 when the subscription was started, have added another $500 to their original cash subscription $1,000. The River Park Land and Improvement company has also added $500 to its original subscription, and the committee will be counted to hear from any who have the magnificent project sufficiently at heart to donate any sum no matter how small. EPWORTH LEAGUE ENTERTAINS.

Exercises Held at the Lowell Heights Church.

An Epworth league entertainment given at the Lowell Heights church last was the best of the course. The rainy weather did not keep a large number from gathering at the church.

The River Park quartette was present kept the audience in a good humor. A meeting song was admirably rendered. Miss Edna Warner gave two piano solos in the double all the lovers of music and Robert Schumann's "Dreaming" and "Spring" which was each commendation at the Paris township commencement. Miss Nellie Kuhn won the favor of the audience by her recitation Her interpretation of "The Old Settler's Story" was especially good.

The Lowell Heights community will be called to worship tomorrow by the sound of a new Northville bell which is the gift of the ladies of the neighborhood.

The Rev. Lynn Bates will preach at River Park on Sunday morning instead of the pastor, who will fill the appointment of Rev. J. E. Hollingsworth on South Bend circuit.

The best of the local and general news will be found in The Tribune.
