EVANS DEAL FALLEN THROUGH——WALSH SENT FOR

THIRD BASEMAN STAYS AT JACKSON

MORAL OBLIGATION FAILS TO BIND DIRECTORS.

MANAGER GRANT SORE

Ticket Wired to Runt Walsh in Oklahoma—Aggie Thought to Be Willing to Talk Sales Regarding Sheehan and Fay.

The falling through of the deal by which Infielder Evans, who was sent to Jackson by South Bend, drafted by Cleveland, relegated to Toledo and thence back to Jackson, was to return to South Bend and the telegraphing of a railway ticket to Runt Walsh for the latest development in the mix-up over the selection of an infield for the Bronchos, which has kept the best of the Bronchos and fans guessing ever since the word came from Ben Hayworth to the effect that he would not be in the South Bend ranks this season.

Grant was not greatly surprised when he finally received word from the Jackson club that the directors had decided to keep Evans, as the agreement which the latter was to be returned to South Bend if discarded by Cleveland was more of a moral obligation depending on a verbal agreement than anything else and, from various reports, Evans, who is popular with the Jackson club, Grant was prepared for some work that depended for its legality on the strictest interpretation of the letter of the law.

While Grant feels that he has been double-crossed in the deal and would do all in his power to get even with it if he could, he has decided that in this instance, discretion will be the better part of valour and he will let the matter rest as far as any action before the board is concerned. But as the Jackson management has always been willing to dispose of any surplus material in a pinch it is probable that they will pay many times for their action in retaining Evans.

The result of the falling through of the deal was that Runt Walsh was the proud owner of a ticket to Runt Walsh's old home in Oklahoma. Walsh has been waiting for his ticket ever since the fifth of this month but Grant with Sheehan and Kelly on hand and Evans in prospect decided to wait a little longer before going to the expense of Runt's ticket.

Another deal which fell through but resulted in little inconvenience for Grant was the one by which Dana, a pitcher from Indianapolis, who was given a try-out, was to be farmed out to Aberdeen of the Northwestern league. Grant was so certain of this deal that he reported it closed but for some reason the negotiations were not closed.

Dana swirled in part of Monday's game against Duluth and looked good to the Copper leaguers who took him along with them when they left town yesterday.

Sheehan and Fay to Go.

It now looks as though Leon Fay and Danny Sheehan will be with other teams in the Central circuit than the Bronchos next season, if they are managed value. Sheehan's last year's over and as leading third baseman of the league, making him especially valuable to any team.

Sheehan, it is understood, is dissatisfied with the local management since he was released to Toledo and it would take a change. Besides Grant has an excess of third basemen what with Kelly and Walsh, and a good price for Danny would look pretty good.

Fay is wanted by other Central circuit who could use from present appearances, a third baseman of Sheehan's caliber very easily, namely, Wheeling, Dayton and Grand Rapids. Wheeling has placed no regular men for this sack and has spent the time since the season opened in trying out youngsters, none of which appear to give much satisfaction.

Dayton has been working Hinton, last year's Zanesville man, on the sacks and he has not shown any signs to cause his end of trouble this season and the Vets should be willing to talk business with Aggie. Grand Rapids is working Wetzel and it is understood that Manager Baldy is dissatisfied with his work at the corner.

Fay has not been heard from with any positive statements in regard to either Sheehan or Fay at this stage, not seem that his berth is as yet secured him.

It looks as though when the Grand Rapids club strips down the baseball yard on May 8 it will be a wise fan who will know his own team. If Baldy can get Sheehan and Fay to certainly of the local bunch it is hard to guess he could have commmanded anything smoother than that which he has done.

"Curley" Bisset will do the leading on the sacks for the Rapids, Walsh is hitting third and McDermott, the red-headed third sacker, is batting a cleaning man. When Elston steps down from that fourth position for a rest that goes a long some tall cleaning.

Pitcher Nolty has finally decided that he will go to Wheeling, and Tuesday wired Manager Phillips from his home in Montgomery, Ala. that he would leave immediately for Wheeling. Nolty's release to Montgomery was purchased from Indianapolis has written Manager Phillips complaining this his health will not permit him to come east to play baseball. Along with the letter came a certificate from his physician testifying as to the status of his health. Nolty's release to Toledo has been changed the complexion of things in the local end, if Drubott wants to play in organic baseball he will probably drift into Wheeling.

"Curley" Bisset will top off the Rapids' batting order when the team lines up in the opening game of the season. Bisset will probably draw second race. Jewell will be the leadoff man, Bisset, Walsh and Smith will "bat" as given the stagger line in opening baseball he will probably drift into Wheeling.

Pickett, left fielder, last year with the Rapids, and Hoffman, centerfielder last year with Wheeling, showed up well in yesterday's game against the Cardinals for Cincinnati. Pickett carried off a run, a hit, and a put-out while Hoffman carried a hit, 12 put-outs and two assists.

FRANK CHANCE AND THE BOUQUET PRESENTED ON OPENING DAY

CHICAGO, April 22.—One of the most pleasant features of the opening day of the Chicago National league game was the presentation to the world's championship team of 1908 of a beautiful bouquet of flowers. It was so large that it almost topped the head of Manager Chance when he received the token of good will on behalf of the team.

MORE TROUBLE FOR BROTHERTON

TEMPORARILY PROHIBITS GAMES AT LOYALTY PARK.

Petitioners Allege Irreparable Damage to Adjacent Property Through Boisterous Language.

GRAND RAPIDS, Mich., April 22.—Judge McDonald yesterday afternoon issued a temporary injunction which prevents Charles F. Brotherton, owner of the Grand Rapids baseball club, using Loyalty park for games until the court decides the case.

The petitioners are Frank L. Kirby, Jane Kirby, Charles B. Moore, Jennie Moore, William P. Lett, Nancy J. Lett, Minnet Doyle, Josephine Doyle, Flora Hemeker, Miss Beatrice Hemeker, Townsend, Addie Townsend and Sarah Townsend.

They allege that irreparable damage will be done them if games are permitted and assert use of the park depreciates the value of their property and that profanity and boisterous language make it bad when any small children are in the vicinity of Fourth and South Ionia streets and Home avenue.

The order to show cause is returnable next Saturday.

Alders Will Meet.

Members of the Alder baseball team will meet in Alder Treat' store at 8:30 o'clock this evening. A captain will be elected.

Read The Tribune market page.

TAKING A SHORT SWING AROUND THE CENTRAL LEAGUE CIRCUIT

The ax has fallen and players Breen, Ennis, Seaman and Bauer have been decapitated. Of these the release of Breen is the only one that astonishes Seaman was an inexperienced lad, being given a trial by Baldy. Bauer was never actually the property of Grand Rapids, and Ennis had earlier been given to understand that he would not be on the Raiders' regular pay list. Breen however, looked a man in keep. His work last season seemed to entitled him to consideration. But evidently Baldy figured otherwise, and he gave to Lima and Bauer to Oshkosh.

By losing Breen out, Baldy has pulled in one of the numerous lines that he had cast to catch likely material and the signing of Nick Kahl was announced yesterday. Kahl stops at Newark, George Kline was signed with playing equally well in any of the infield positions outside of first base. Last season he played with the Columbus club, then later stepped into the Western league, and finally in the Blue league. This year he became the property of the Little Rock club and by it was turned over to Joe Kelly.

Kahl, was ordered to report yesterday at Newark. George Kline was in communication with Manager Rand yesterday and he will report at Newark. He will report at Newark, if present plans do not miscarry, three new players will be in the fold before the end of the week. First and foremost among the new men is Jack Ryan drafted by Cleveland. Ryan is the

The completion of the club is materially changed with the acquisition of Kahl and Kline. Baldy seems at present to figure Kooser, Meinke and Ryan for the outfield, Kline at first for the garden between. Kline at first has big a bag of strength in himself and Noblet and Baldy make an agile if not yet erratic pair about the middle bag. Wetzel will get his chance at the third bag. Frost here it would

WITH AUTOISTS AT HOME AND ABROAD

CLUB RUN IN PROSPECT FOR LOCAL AUTO OWNERS.

TO CROWN POINT CONTEST

Cobe Stock Chassis Race Will Be Held There June 18 and 19—Roads to That Point Should Be in Good Condition.

Members of the local automobile club who desire to participate in a club run to Crown Point, Ind., to witness the Cobe Stock Chassis race, June 18 to 19, will be given an opportunity to see the contest from the most advantageous points along the road by the Chicago Auto club.

The following letter from the assistant secretary of the club was received yesterday by M. J. Williams, manager of the 20th Century garage and chairman of the touring committee of the local association: "In case any of your members should care to make a club run to Gosge at the time of the Cobe Stock Chassis race, June 18 and 19, the Bureau of Tours of the Chicago Auto club will be glad to extend an invitation to participate in the selection of outlining the best route from which the race circuit may be approached. "Indiana boulevard highways to the Indiana state line are in good condition and the trip will be pleasant in many ways, while every member who is interested in automobile racing will be inclined to make a considerable sacrifice in order to be present at the Cobe Stock Chassis race.

"In case the services of this bureau will be of any service to you kindly command us."

A meeting of the South Bend Automobile association will be called in the near future and if a large enough number of members signify their intention of participate a club run to the race course will probably be arranged.

Mr. and Mrs. W. A. Wood expect to leave for a motor trip to Los Angeles, Cal., by Wednesday of next week. They will be accompanied by W. G. Crabill who will meet his wife in Chicago and the entire party staying over Saturday and returning to South Bend Sunday.

Milton Smith, who started out as driver of the car which G. Bertram Sharpe, advertising manager of Stutsbaker, and a representative from the Official Blue book of the A. A. A. are going to map the roads in this section of the country, was recalled from Detroit by the illness of one of his children. Oscar Anderson was sent on from the local works to take his place. The party, which left here Tuesday will continue on to Cleveland. This will be the last trip Mr. Sharpe will make in the interest of the Blue book mapped the roads between Detroit and South Bend, South Bend and Chicago and Cleveland and South Bend. The party is traveling in the pathfinder car which George Smithson drove through from Denver last winter.

JEFF PROCRASTINATING.

Refuses to Sign Articles Until Theatrical Contract Expires.

NEW YORK, April 22.—The proposed Jeffries-Johnson fight will not formally be arranged until some time next fall, if then, Jeffries says by the terms of his theatrical contract, which expires on July 24, he cannot sign articles of agreement for a battle with Jack Johnson.

The Jeffries insists also that he is the "undefeated heavyweight champion of the world" he does not see why he should issue a formal challenge to Johnson for a match for one he might stand why he should be compelled to "chase the champion all over."

In a word, Jeffries intends to take his own time about making a match with the negro, and the indications are will not be ready for action until some time next fall. Under no circumstances will he consent to an earlier date for his reappearance in the ring, he says.

Johnson, however, has jumped at the chance to make a tentative agreement even verbally with Jeff for a mill at Reno on July 4 next. It is said he believes that he can offer the veteran buried at him just at present for side-stepping Sam Langford and Al Kaufmann, and for making a match with Stanley Ketchel, the middleweight champion.

Badgers Without Coxswain.

MADISON, Wis., April 22.—The state university crew is without a coxswain. Coach Tom Rock has discovered that Buddy Ryan, of last year's freshman crew, is ineligible to row for varsity or school for February one year. There are two candidates for the job, E. J. Krebs, coxswain on the freshman team last year, and W. D. Richardson, vice commodore of the Wisconsin crews.

BOUTS AT COLLEGE A GREAT SUCCESS

SOUTH BEND BOY CARRIES OFF FIRST HONORS.

Chief McWeeny is Loud in Praise of Notre Dame Students' Work on Mats.

Howard Edwards, a South Bend boy, carried off the premier honors in the wrestling and boxing bouts at the Notre Dame gymnasium last night, winning the heavyweight title in the mat sport and securing a draw in the heavyweight glove contest.

The exhibition was a success from the opening number, wand drill to music by the freshmen class to the last boxing bout and those who have had the honors and gruelers in charge during the winter deserve unstinted praise for the success of their efforts.

All of the wrestling bouts were governed by A. A. U. rules and straight, full nelson, hammer-lock and collar-and-elbow were used as well as all rough fake managing on the part of the man on the offensive.

Howard Edwards had all the best of the bout with Ferguson, Edwards is the white boy placed the attendance at 3, there minutes and 15 seconds by a scissors and arm hold. For the middleweight title Frank Hoban, of Chicago, threw Otto Probst, of South Bend, in 2 minutes and 10 seconds.

One of the most interesting bouts of the exhibition was the lightweight go between Warren Beaton, of Utica, N. Y., and Edmund Bruce, of Chicago, which went the full limit of three minutes and twelve seconds, for a half noison.

Beaton, of Ashland, Wis., won the welterweight bout in a little over two minutes from Sheehan by an arm lock roll. Chief McWeeny, who officiated as referee, was loud in praise for the quality of the work displayed by the collegians in all of the bouts.

In the boxing bouts Harry Duffy, of Chicago, secured a draw with Claude Rock. Duffy is a Chicago lad who has been watched closely in his work at Notre Dame and in the lightweight bout obtained a decision in his round.

Dean Lester, Lester, left Chicago last night for Ann Arbor, where he will go willingly, did each win it up find after three rounds the referee was forced to call the affair a draw. An extra three minutes were boxed with no decision.

Brady, of Wisconsin, had a shade the better of the argument in his welterweight bout with J. McCarthy, of Washington. The light heavyweight bout went to McDonald through McGarry's failure to put in an appearance.

In the middleweight glove bout Hoban and Edwards was declared a draw after three-two minutes rounds. Prof. J. Sinn and Tom Sullivan acted at judges in the bouts.

SPIKE WOUND SERIOUS.

Ruell Out of Notre Dame Lineup for Sometime.

Baseball stock at Notre Dame suffered somewhat of a slump Tuesday when it was announced that Ruell, whom Coach Curtis has been depending on for the greater part of the work of the game for some time, would be out of the game for some time.

Ruell was spiked in the leg about a month ago during a practice but paid little attention to the wound at the time. Tuesday it became so sore that he was forced to quit and an abscess formed around the wound. Ruell finally went to a physician for treatment and it was discovered that mild form of blood poisoning had set in as a minor operation was found necessary. Ruell will be laid up for a time, but will be seen on the diamond for some time, according to Coach Curtis.

During his absence, Curtis will fill in his vacancy with Phillips, a general utility man who has been working with the squad.

GYMNASTIC EXHIBITION TO-MORROW EVENING

First Annual Event of Local Y. M. C. A. Should Be Success.

Elaborate preparations have been made for the first annual gymnastic exhibition of the class of the Y. M. C. A., which is to be held in the local gymnasium to-morrow evening and the affair bids fair to be a big success, financially and from the gymnastic enthusiast's point of view.

Physical Director Harvey Allen and assistant physical director Forbes have worked unceasingly for the last month drilling the classes training the apparatus and getting the exhibition in shape and, if the enthusiasm of the various parts of the programme may be taken as a criterion the result will amply repay them for their efforts.

The following letter from the assistant secretary of the club was received yesterday by M. J. Williams, manager of the 20th Century garage and chairman of the touring committee of the local association: "In case any of your members should care to make a club run to Gosge at the time of the Cobe Stock Chassis race, June 18 and 19, the Bureau of Tours of the Chicago Auto club will be glad to extend an invitation to participate in the selection of outlining the best route from which the race circuit may be approached. "Indiana boulevard highways to the Indiana state line are in good condition and the trip will be pleasant in many ways, while every member who is interested in automobile racing will be inclined to make a considerable sacrifice in order to be present at the Cobe Stock Chassis race.

"In case the services of this bureau will be of any service to you kindly command us."

A meeting of the South Bend Automobile association will be called in the near future and if a large enough number of members signify their intention of participate a club run to the race course will probably be arranged.

Mr. and Mrs. W. A. Wood expect to leave for a motor trip to Los Angeles, Cal., by Wednesday of next week. They will be accompanied by W. G. Crabill who will meet his wife in Chicago and the entire party staying over Saturday and returning to South Bend Sunday.

Milton Smith, who started out as driver of the car which G. Bertram Sharpe, advertising manager of Studebaker, and a representative from the Official Blue book of the A. A. A. are going to map the roads in this section of the country, was recalled from Detroit by the illness of one of his children. Oscar Anderson was sent on from the local works to take his place. The party, which left here Tuesday will continue on to Cleveland. This will be the last trip Mr. Sharpe will make in the interest of the Blue book mapped the roads between Detroit and South Bend, South Bend and Chicago and Cleveland and South Bend. The party is traveling in the pathfinder car which George Smithson drove through from Denver last winter.

Trust Company Elects.

Directors of the American Trust company at a meeting Wednesday afternoon in the banking rooms, Michigan and Washington streets, elected officers as follows: Samuel Leeper, president; J. C. Eberhart, jr., vice-president; Walter E. Wyman, vice-president; Walter E. Wyman, vice-president and secretary; E. H. Miller, treasurer; Frank A. Stover, assistant treasurer.

Y. M. C. A. MAY ORGANIZE AN AMATEUR BASE BALL LEAGUE

Monday night an important meeting of the members interested in baseball will be held in the local Y. M. C. A. building for the purpose of organizing a four-baseball league among the members of the association. The league will play Saturday afternoons during the season. At the meeting the captains of the various teams will be chosen and a committee appointed to arrange a playing schedule for the league.

The meeting of this meeting marks the end of the most important steps along the line of amateur sport advancement that has been made in the organization this year as it will be the first attempt made by the local Y. M. C. A. to form a purely amateur league and if the proposed organization turns out to be a success it should mean the springing up of several like organizations made up of clubs from the large number of unattached amateur teams in the city.

A league organized ball does more by far to stimulate interest in the great American game than do unattached teams, playing at irregular intervals and The Tribune stands ready at any and all times to take any reasonable step towards the furtherance of this movement.

Arrangements are being made for a big banquet to be given the leaders of the different gymnastic classes a week from to-morrow, and Sheehan will be about 50 leaders present and the occasion promises to be one that will be called upon to answer to a toast. Ralph C. Goodwin, general secretary of the local association, will give a short talk on leadership.

Saturday night there will be a meeting of all members of the association interested in making the opening of some form of an association. Tuesday night the Y. M. C. A. will maintain two first class teams in the Commercial basketball leagues for the use of the members at the corner of Lafayette and Jefferson streets.

Monday will mark the revival of the interest from genus of baseball at the Y. M. C. A. building with the opening for the summer, of the three playing courts. Handball is one of the best games for the all round development of the body known, the character of the work being especially conducive to quickness of eye and limb.

A SQUARE DEAL AND A SQUARE MEAL

Here's a square deal for the people who can't eat a square meal without after pain and distress.

Go to Chas. Cootley & Co., to-day and get a box of Mi-o-na tablets, the great dyspepsia or indigestion and stomach troubles.

Take one, or if your suffering is extreme, two tablets with or after meals and at the end of 10 days if you can't eat a square meal without distress go to Chas. Cootley & Co., and get your money back.

That's where the square deal comes in.

But Mi-o-na is really a stomach upbuilder of great merit; every day we receive more than a dozen letters from users and users of which state that after they had lost all hope Mi-o-na cured.

The quick and positive action of Mi-o-na on the stomach in case of gas, water-brash, sour stomach and heartburn is worth a lot of money to any sufferer.

Why not try Mi-o-na at Chas. Cootley & Co., cor. Pitt centre home in large size.

E. B. Howe, Gardner, Mass., says: "I had tried many cures for my stomach, I tried different remedies without relief; after using two boxes of Mi-o-na I found myself completely cured."

Mi-o-na is sold by leading druggists every where.

Oh; what a difference in the morning when you take Booth's Laxative Pills. 25 cents at Chas. Cootley & Co.
