DERBY IS FAVORITE TO MEET BORALMA TODAY

Big Racing Event at Hartford, Conn., Will be Worth $50,000 to the Winner—Lawson Will Not See His Horse Run.

Hartford, Conn., Aug. 2.—Everything is "fresh" for the $50,000 match race today between the trotters Lord Derby and Boralma.

It is definitely settled that Geers, who has been behind Lord Derby in all his races, will have the mount and the great reformer came on with the horse from Cleveland and has given him the necessary preliminary work.

E. H. Smathers, owner of Derby, arrived from New York yesterday and told the plan of having Geers drive his horse originated with George Spear, who is the regular driver for the Smathers stable. In the event of Lord Derby winning, which most horsemen think will be the case, Smathers will give Geers and Spear $1,500 apiece from the stakes.

Lawson Has Confidence.

Lawson will not be here to see Boralma perform. He was asked by A. J. Welch, who owns the track, to name one of the judges of to-day's race to act in his interest and refused. Another representative of the representative he needed. Lawson's betting commissioner, John Boden, is here, and this has started a rumor that on account of the 2:06¼ mile that Boralma trotted at Cleveland last week the Boston man is prepared to back his horse to the limit, but the experts do not believe this and any Derby will be favorite all the time. So far as the Derby people are concerned they do not believe their horse can be beaten.

Geers Will Drive.

Geers drove Derby a mile at Detroit in 2:10¼ and at its close told Owner Smathers that the horse was never so good and will be best every time he goes out. Crowding will be barred. This has given Smathers a lot of confidence and there is unlimited money on tap at even to back Derby.

The stake money for the race, $50,000 a side, is all up and from the data at hand there will be at least 25,000 people to see the race. The winning horse gets 60 per cent of the gate receipts and all the stake money. His pay for the afternoon's work will be $50,000 and possibly more.

CITY LEAGUE CONTESTS.

Tippecanoe-Mossel Games Will be Preceded by Band Concert.

The lovers of baseball are offered two good attractions by the city league for to-morrow. The Mossels and Tippecanoes will play on the south end grounds and the Molternly & Dorsse will meet the Kamm & Schellinger team on the Mossel diamond. Both grounds have been put into good shape. The Mossel grounds have been cleared of weeds, while the new grounds in the south end have been well rolled. The grand stand has also been enlarged.

A special attraction is offered at the Mossel-Tippecanoe game, where Elbel's band will give a concert preceding the game. Frank Barber will umpire at the new grounds and Hugby Dehan will officiate at the Molternly & Dorsse-K. & S. game. The standing of the league teams is as follows:

	P.	W.	L.	Pct.
Tippecanoes	4	7	1	.875
Mossels	4	5	3	.714
K. & S.	4	2	2	.500
Mol. & Dorsse	4	0	4	.000

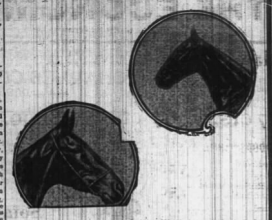
WANTS ANOTHER TEAM.

Cincinnati May be in American League in 1903.

Cincinnati, Aug. 2.—John R. Bruce, attorney for the American baseball league, and President Ban Johnson, of that league, held a long conference at Cincinnati yesterday. After the conference it was made public that formal application had been made for an American league franchise in Cincinnati. When interviewed Mr. Johnson said:

"The application was made about three weeks ago. I cannot make public the men behind the move, but they are among the leading business men and baseball enthusiasts in Cincinnati. The Cincinnati application will be acted on at the fall meeting of the American league. I believe that Cincinnati will have an American league club in 1903. Good grounds can be secured and the men behind it can get all the backing necessary."

BORALMA AND LORD DERBY, WHO WILL RACE FOR BIG PURSE TO-DAY.



To-day's contest for a purse of about $50,000 between Lord Derby and Boralma is the most important trotting event of the season. If Lord Derby wins, Ed. Geers, the driver, will get $1,500 for his few minutes' work.

Sad Tidings for some. Good news for many.

Sacrificing our good Books.

THE announcement that we are compelled to clear out our entire line of choice books because we need the room they occupy for other departments, will be sad tidings to the many who had set their heads on buying their winter reading supplies at cash savings, but will be good news to those who were but occasional buyers. Twill be the book sacrifice of the season! While not the largest line in the city, perhaps, yet they were all so very carefully selected that the slow sellers will be few and far between.

Our book prices were always low—generally 25 per cent below regular dealers and now we have again cut these prices another fourth, liberal buying in anticipation of many delightful evenings next winter ought to be the rule and the book counters crowded until every volume is sold. Buy your Christmas books now.

Every volume must quit the shelves—We have said it.
