IT'S LADIES DAY 'MOST EVERY GAME—BRONCS STAR

BRONCS FLUNG TO WIN BY WITHERS

BIG PITCHER IN FINE FETTLE FOR OPENER HERE.

NEW TEAM COPS, 3 TO 0

Minors Victims of Aggressive Exeas, Although Latter Are Unable to Hit in Customary Form —Enthusiastic Greeting.

Big Jim Withers, backed defensively by some meritorious action by his comrades, hurled a due article of ball yesterday for the new Bronco, and enabled them to open their season at Springbrook park auspiciously with a 3 to 0 victory over Terre Haute.

Lowering skies and a generally sultry atmosphere failed to keep a crowd numbering above the guarantee figure from attendance, and more life was manifested at the old stamping grounds than for some moons past, an enthusiastic greeting being extended the new Bronco as they trotted in the field. Sprinkled generously throughout the fans was more than the usual following of the fair fans, a thing which augurs well for the reception of the new Bronchos in itself, for it is conceded the women support a very important part in the success of any team in the city.

And, while the new Bronco did not uncork anything startling at bat or in the field, they displayed aggressive qualities which accounts for their winning combination. The Bronco weaknesses, Grand Rapids' foes yesterday brings the grade some telling points closer to the meeting line, which the Bronco expect to pass when they clash with Grand Rapids next Friday and Saturday, before. The locals appeared weak with the sob yesterday, hitting far below their usual form, but they won and are satisfied, since they are confident of slipping back into their slugging paraphernalia when the Grand Rapids visit, to the sun roundings at Springbrook.

Create Favorable Impression.

As a whole, the ex-Evas created a decidedly favorable impression by their work, which was snappy always, the outfield in particular pulling off some pretty work, Hoover's catch of three several plays was Snyder's running catch of Somerville's prospective extra base swat in the sixth with a man on first. If the sphere had escaped Lefty, at least one Minnie would have tallied, with a possibility of more.

Allied thusly by his backers, Withers hurled some clever ball, working out of pinches with exception the Minnie Minors whiffed before the big fellow's mighty swat, which was proved the limit of the offensive strength of the visitors.

The Bronco themselves profited to the extent of three runs off Purtell, Terre Haute's generosity, the giant Singer forcing in a run in the seventh while his over-anxious mates bored most opportunely for the locals. In the third Donovan poked a clean drive to center, Hoover's throw was wide, and, distributed by the yells of the coachers, hesitated long enough to allow Mike to reach second, while Johnny camped on the initial turn. Two passes to Singer followed, the performance were safe with at hand, Donovan scoring on the play. O'Brien's poke toward the keystone was trapped in Nevin gloved hand, and Johnny was pinned at third, Wilke with great advancing to third. Wilke, on Nevin's error, light and Grand scored, but O'Brien was caught going to second on the throw to the plate.

Lost Run in Seventh.

The third and last tally came in the seventh, Grant walked and O'Brien was safe on a bunt. Withers and Grant moved up on Snyder's error, Snyder flew out to short left, Hyrons strug out, and Grete flew out to left.

The Miners' best chance to score came in the fifth, Hoover's catch of one Hadley, With one gone, Baker drove to left center for a trio of sacks, Wetzel pounded to Huber's who cut Baker off at the plate. Bunt Hoover, who had reached second on an error, attempted to steal home, but was caught out, measured his out run. Score:

GOTCH TAKES VACATION.

Champion Prepares to Meet Rush of Final Training Lists.

HUMBOLDT, Ia., Aug. 15.—Frank Gotch is taking a vacation from the mat. His "schoolmaster," Edward Kosek, has given him two days' rest from the grind of training for a reward for his faithful work.

This partial let-on in training comes partly in wake of the danger of Frank's overdoing getting into trim for the fall campaign, and partly before the rest of the training around Town upon him in his last two weeks of work at his riverside camp.

Benefit Game at Gary.

The Tribune's Special Service.

LAFORTE, Ind., Aug. 15.—The Laporte ball team will go to Gary Thursday to play before a $2,000 crowd for the benefit of the Catholic hospital in that city. The receipts from the fifty cents of tickets have been sold and the promoters of the event hope to increase the total receipts to $2,000. Gary citizens are making an effort to raise $10,000 for the hospital.

NOTES OF THE GAME.

Perhaps the old signs did have some effect on the players' eyes. But—watch those sluggers.

Johnny Neff is a mighty clever catcher. He must be tapping the pill has the Grand Rapids pitchers.

Hunt Wetzel can get most anything within his territory, but Hadley's teasingly nibbled right past the Stogie catcher to hold a chance to pot travelling.

Bobby Grogan is hitting the ball like a house afire. He polled two doubles yesterday.

Lefty Core is back on the job yesterday. Like old times, with the trot hinged, remember bellowed Hermann pedling the same old line of gossip.

Joe Connolly suffered a broken finger in the game with Springfield. And the big leaguers are said to be watching Joe.

Donovan tapped Pattison's drive in next shape in the third, and doubled Somerville's fly in the fifth, but Latter was standing flat footed to second when Mikes throw reached Dick Grete.

Hartford made a one-hand catch of a fielding long Texas leaguer in the eighth.

The wench in places reached the outfielders' knees. The infield was in pretty good shape, however. The groundskeeper deserves credit for overgrading before to-day's game.

President Carson, as director of the South Bend club, was on the job yesterday with his coat off. "Doc" says he is going to Hagerstown, where he claims he recently expired because of the terrible heat.

ALEXANDER THE GREAT SIGNS THREE YEAR PHILLIE CONTRACT

PHILADELPHIA, Aug. 15.—Grover Cleveland Alexander, nicknamed the Great, has signed a contract for three years with the Phillies, President Pulsel is stated. The amount named in the contract is said to be $6,000 a year and Pulsel intends to "shove" $2,500 a year. The salary makes the phenomenal young twirler the highest paid pitcher in either the American or the National leagues. Pulsel's big salary at the figure given. It will mean Cad Alexander will get close to $200 for each time he enters the box, if he is likely to take part in more than 30 games in a season, even counting the games where he is called in late.

EXTRA INDUCEMENT FOR THE FANNETTE

IT'S LADIES' DAY THROUGHOUT THE WEEK, NOW.

Except on Holidays and Sundays Women Admitted Free to Grandstand—Other Attractions, Too.

An invitation to Central league customs which is bound to be popular with the fair portion of the precinct will go into effect immediately, the league management having decided to make every day (but Sundays and holidays) ladies' day for the women.

Henceforth, fanetics will be admitted to the grandstand free of charge, and on Tuesdays and Fridays, formerly designated ladies' day, not a cent will be charged at gate or stand when a picture hat appears at the entrance to the Bronchs stronghold. President F. E. Carson is strong for the ladies' days, and as the local club management is anxious to "make good" the remainder of the season the worthy dentist can make any such pleasing rules which meets his fancy. A fitting additional phalanx of the fair sex will be seen at the Fannette (ladies' day, of course) and it is stated all but two of the members of the new Bronchs team are single will alone be a magnet which the women will be anxious to see.

Come now tomorrow! For every member of this handsome crew but that fortunate (or unfortunate) pair is as free as Eddie Wheeler was when L. D. Smith decided the ex-Bronchs manager ought to be at the top of Bishop instead of mopping in the cellar.

And the salary scare has blown away, so each hedging Bronchs is drawing his little semi-monthly regularly.

No Chance for Evansville.

EVANSVILLE, Ind., Aug. 15.—A telegram has been received here from W. M. Ravenaugh of the Southern baseball league says that there is no chance at present of Evansville getting into the Southern league.

Brooklyn Pays $1,000 for Hurler.

ATLANTA, Ga., Aug. 15.—Pitcher Walter Hiller of the Atlanta club of the Southern league, has been sold to the Brooklyn Nationals, whom he will join next season. The price is reported to be $1,000.

HIGH CLASS BALL.

Central league pairing are scoring exceptionally high class ball for their organizations this season, according to the bulletin of Bernard Mott, foremost Hoosier pitcher.

Elmer is out in the only Central league player who looks to some hold, but Mott is pitching his seventh game in succession, for he has been out of the game as a Central leaguer since early in the season.

Dayton crew make a creditable showing in the Central league, considering the stiff competition they have had by experience what great sport the league had attached this season when he couldn't stick in Central company, Springfield, Ohio, Mott's home town, commanded a good and curious interest this spring. Happy is as the unexpected for, because he refused to report to Madison in the W.-I. league at Fort Smith' behest.

ANNOUNCE BOXING SHOW.

Three-Match Programme Scheduled for Saturday at Indiana.

A boxing show is scheduled for Saturday night, Aug. 19, at the Indiana theater, according to announcement of Harry Gilmore, of Chicago, who claims to be a nephew of the well known sporting man of the same name, who conducts a boxing stable in the Windy city. Cyclone Myers, of South Bend, and B. Gillmore are scheduled for the head-liner. The men will fight eight rounds at 128 pounds. In the semi-final Young Fletcher, of South Bend, and Jack Gillmore, of Chicago, Harbor, have been matched for six rounds at 128 pounds, while Eddie Mack, of Michigan City, and Kid Troubles, of Elkhart, will appear in the opening number in a four-round go at 125 pounds.

Eddie Hockstraw of South Bend will act as third man in the ring.

Flynn to St. Paul.

ST. PAUL, Aug. 15.—Jack Flynn, former first sacker for the St. Paul club of the American association, has been sent back to the local club from Pittsburg. He is one of the players who Pittsburg offered Barney Dreyfuss for Fletcher Marty O'Toole, who left here last night to join the Pirates.

Jensen to "A. A."

KEOKUK, Ia., Aug. 15.—Ray Jensen, the clever Keokuk second baseman, has been sold to Indianapolis by Kid Nichols. He was bought in Indiana in midseason from the Paragould club of the Northern Arkansas league. Jensen will report to the American association club at Indianapolis.

"O. A." Player Sold.

KEWANEE, Ill., Aug. 15.—Elmer Leber, right fielder of Kewanee's Central association team, has been sold to the Los Angeles club, Pacific Coast league, for immediate delivery. Purchase price was $1,000. Leber's home is in Pittsburg. He is 19 years old.

Connolly Goes to Cuba.

By Associated Press.

TERRE HAUTE, Ind., Aug. 15.—Joe Connolly, outfielder of the Springfield season for less than $500, was sold to-day to the Chicago Cubs for $1,500, delivery at end of the Central league season.

DASHES IN SPORT.

The Cubs steamed away in the east yesterday for their final invasion of the Atlantic seaboard this season, determined to attach their hold on the top rung in the National league. To-morrow they meet the Phillies, the Pirates as their hopeful rivals for the flag this season. Seven contests between these two mighty clubs are scheduled before the hell taps at the end of the season, and it looks like the Chicagoan message is not a wide swath in the east before clashing in these fateful series with the Pirates the latter can damage western Chicago's hopes for a great season.

Ed Walsh joined the White Sox Sunday, and says a lady presented Catcher Schalk with a set of gong a record in number of games caught in a season, securing the lone blight. In the meantime Jimmy Callahan, the "bonny" Scot, joined the White Sox Sunday.

The Sox narrowly escaped a whitewash yesterday, an error saving them from such an ignominious fate. Cleveland beat the White Sox 11 to 1.

Mitchell defeated Rey Philadelphia yesterday, 3 to 1, allowing but seven hits and striking out 13. Hunt Walsh got into the game, but lost, 4 to 1.

The Zanesville management was forced to sell Steve Wanlon to meet the payroll expense to-day. A bonny day for Aug. 26 is planned by Zanesville baseball fans.

BASEBALL FOR CITY IN FUTURE CERTAIN

COMMITTEEMEN SAY CLUB IS HERE TO STAY.

NEW TEAM IS CONFIDENT

Players Anticipate First Division Berth With Good Chance for Third Place—Win Favor With Local Fans.

Members of the Chamber of Commerce in charge of a baseball campaign for funds with which to buy the ball club now representing South Bend are anxious to correct the belief which prevails among a number of fans that the team is here only temporarily. This view of the situation is strenuous they say, as the team is here to stay, according to these men who are carrying on an energetic canvass beginning this morning, of the city to sell stock in a baseball company.

The city has President F. E. Carson's assurance that the league will retain the ex-Evas here for the remainder of the season. From the excellent impression the players made yesterday, interest in baseball is expected to increase by jumps for the remainder of the season. After a long and tedious hike the Bronchs find themselves in a position where they can enter the first division. Some of the boys are confident of pushing out Fort Wayne for third place, while the most optimistic count on giving Zanesville a hard, stern chase for runner-up honors.

A stronger bunch of individual players is rarely found in minor league baseball, and with this fighting spirit which the men infuse into their work they should be given the ardent support of the fans. Words of praise for the new team were heard on all sides to-day, the writers defenses of the Benders and their aggressive attack yesterday, coupled over a strong pitching, a better team than our other one." was one of the expressions heard frequently, and that is a real tribute, for Ed Smith had a mighty clever aggregation when he fought the Bronchs last year.

Carson's Office Popular.

President Carson's office was a popular resort for the players at to-day was pay day, and the bi-monthly envelopes were distributed by President Carson.

Owen Wagner, of Terre Haute, was expected here to-day, and perhaps the Miners will strike their pay to-day, although the custom is usually to await the return of the team for a home stand.

Although committees engaged in the stock this morning were expected to make reports at noon to-day, they had not completed their morning schedules. The committee from Fred L. Dennis committee was group at the Oliver hotel, at noon $1,000 had been raised by the general of the canvassing forces and his team. The men begin work again this afternoon at 1:30 o'clock, and continued the canvass until 6 o'clock. The Dennis group teams comprised of three to five workers were engaged in the canvass.

CARNIVAL COMPANY GONE.

Interurban Officials Refuse to Lease Grounds for Second Week.

The engagement of the Allen Amusement company at Springbrook park was brought to an abrupt close by action of the officials of the Northern Indiana Traction line, closing the gates for Fletcher Marty O'Toole, who left here last night to join the Pirates.

Assault Case Appealed

Andrew Simon and John Nemeth, who were found guilty of assault and battery upon Mike Polnath by Judge G. A. Farabaugh have appealed their cases to the circuit court. The fight occurred in June. Simon was fined $10 and costs, 15 days and Nemeth $10 and costs. The men are represented by Barry Scanlon and John W. Kitch.

JACK M'INNES, FIRST BASEMAN

Jack McInnes, "Stuffy" as his teammates call him, is developing into one of the greatest first basemen the game has known, under the tutelage of the wily Connie Mack, leader of the Athletics. He is now ranked with the leading batters of the league. Not once this season has he dropped below eighth place in the American league batting list. He has become one of the idols of Philadelphia fans.

SEVEN IN NARROW ESCAPE

Automobile Driven by Little Girl Balks on Railroad Crossing.

Seven people in an automobile belonging to Oscar Weiss, 128 North Hickory street, had narrow escapes from serious injury and probably death last night, when the machine crashed through the gates at the Lafayette street crossing of the Lake Shore railroad and directly in the path of the Chicago flyer. In the presence of mind of the engineer, who stopped the train a few feet from the car, prevented a serious mishap.

Mr. Weiss's daughter was running the machine, and, according to witnesses her the mechanism and just before approaching the tracks, the girl apparently lost control. The car crashed through the lowered gates and the engine of the train stopped in the middle of the track.

WILD WEST CIRCUS SETS CANVAS HERE

FRONTIER LIFE IS RECALLED BY SHOW.

Annie Oakley, Capt. Bogardus and Other Celebrities Appear in Two Performances.

Breaking dawn to-day saw the fourth circus of the season entering South Bend and shortly after the Young Buffalo wild west show de trained from its long train of cars in the Lake Shore yards. The show was at Laporte yesterday. Its spread of canvas was set to-day on ground near the Lake Shore and Grand Trunk crossing, where performances were scheduled for the afternoon and evening.

A free street parade given at 11 o'clock, was a pretty spectacle and attraction. Col. Rickart and his 20-odd team was a feature of the pageant. Accompanying the show according to the claims of the management, are some of the greatest attractions to be found in wild west presentations. Annie Oakley, the famous queen of world greatest women rifle shots, Capt. Bogardus, champion rifle shot of the world, and Ambrose Moses, who has the reputation of being the greatest rifle shot in South Africa, appeared only with a lasso and there capturing many wild beasts. Yuang Burns, "Montana Jack" "Dot-ie Nose Ben," Buffalo Vernon and "Zinc Tooth Bill" compose a quintette of whom the management is very proud. The show has a number of cowboys gathered in one aggregation, Julia Allen, "Prairie Rose" and Maude Burbank are three famous equestrienses whom the show presents.

AN EPILEPTIC VICTIM

Mrs. Alice Goodwin Had Epilepsy for Three Years and Treated With The United Doctors.

Mrs. Alice Goodwin, a farmer's wife, living near Montpelier, Indiana, has been a victim of epilepsy for three years. Her letter, which is given below, will be of interest to every epileptic, was written to the United Doctors, who are in the South Bend Institute, the second floor of the Trogg Building, on Main street, opposite the Post Office.

"Montpelier, Ind., July 15, 1911. Being a victim of that terrible disease known as Epilepsy, I wish to tell you what your treatment has done. It will be of some benefit to those suffering from this awful malady.

I had epileptic attacks for three years previous to last Feb. when I commenced your treatment. I took 10 treatments, and up to the present time I have not had a single seizure. And my nervous condition generally is much improved. I have nothing but praise and commendation for the United Doctors and their wonderful system of treatment.

I can conscientiously recommend them to all suffering from this terrible ailment. Mrs. Alice Goodwin."
