GOLFERS TO COMPETE FOR INDIANA CHAMPIONSHIP

BRONCS DEFENSE IS BEATEN DOWN

ZANESVILLE GRABS GAME IN EASY FASHION.

DIXIE WALKER TOO MUCH

Infant's Twirler Mystery to South Bend and Only Three Hits are Picked From His Delivery, Walsh Getting Two.

The Tribune's Special Service.

ZANESVILLE, O., Aug. 7—August 6 was an off day in the schedule of the Central league but it proved an off day for the South Bend team only as the Potters romped away from them in easy style thanks to him at the right times and the five South Bend errors that cropped out in the critical moments to give the leaders a counter for every bingle. The score 7 to 1.

It was something out of the ordinary for the Benders to play the sort of game that they did yesterday as Aggie's bunch generally put up the hottest kind of a fight and have one of the tightest defenses in the circuit. In addition Ed. Smith who has always been pretty effective against the Tribers wasn't just right, although he started out in great style. As stated above it was purely an off-day for the men of South Bend and due to the work of the visitors was the play of the Infants. They showed a defense that was well nigh perfect and in the flawless fielding of the men behind Young Walsh they had a pitcher who in his mother's kitchen at the Bronchos found a combination that was entirely too much for them. Dixie allowed but three safe taps in the nine rounds and for one and one third rounds held Grant's gang without a hit. Four men got on bases in the first inning but were promptly swept away when Joe Smith pegged perfectly to second or the following Bronco couldn't connect satisfactorily.

Walsh Hits Hard.

The first hit that came the way of South Bend was a screaming drive to the left field fence by Walsh in the third sack who, it is whispered will go to a faster league before so very long demonstrated clearly why Grant is batting him in the clean up role for he cracked the pill on a line to left field that should have left the park but couldn't quite make the proper connection. Kroy's drive in the ninth was also a similar fast went through short field at a mile a minute and Walsh's other hit was also conspicuous on account of its resultlessness.

For a time it looked that the game was going to be a pitcher's duel between Ed. Smith and the future Senator who looked good to Mike Kahoe for in the first two innings the men batted out a few hits and made little stunts and then hiked back to the bench to watch the next victim. But it didn't last long for Smith didn't fill in the perfect manner that Young Walker did. After the Potters started they scored very regularly for the Bronchos were very fond of the bunting and throws might have helped wonderfully to have stopped the onward rush of the Tribers.

Core Shining Light.

The defense play of the visitors did have one bright spot. Lefty Core contributed to the cause of defense about half an acre of meadow in the right garden and pulled down a drive of Joe Herald that looked good for about three stations. It saved a run and — before the game had been tossed away by the visitors looked good to Mike Kahoe who knew how he carried his bat for the fans wouldn't quit their applause until he had doffed his lid. He then came to the bat and popped up a high fowl which Core drove home for a visiting player never comes amiss.

There were several such brilliant hits in the fielding of the Potters. Davy Lloyd nabbed six chances down around second base and about half of them were scorchers who were going through the sacks for a hit when he pounced on a couple of pretty difficult bounds; and always had them well over to first base in plenty of time. Alva Spangler was the main squeeze man for the visitors and had a few chances and didn't make a mistake in a one of them. He nipped them out of the ether, dug them out of Mother Earth, and reached out on the sides for them in a way that spoiled disaster to many an ambitious visitor. All the Potters had their touches and nothing went by.

Spangler Starts Trouble.

Spangler broke the ice in the third round when he poked one of Smith's fast ones over the infield. Smith promptly played the martyr, putting Walsh out on a fielder's choice and then Grant nabbed the first safety to kick up the dust at third and then he dug his spikes in the rubber when Houts dropped a Senator Bailey over shortstop for two sacks.

The Bronchos defense tottered in the fourth round when Core started off with a single, Smith bunted but a trifle hard and Koehler pegged to second but Carey dropped the ball and Spangler hooked it on to third. Smith scampered home and Core followed. Then Houts waited and was a dead head to first. Ware's fly to Kroy allowed Spangler to count. Bagley singled over short and Coffey juggled the ball and Houts count and Houts in the meantime crossed Chalmer Walsh and the ball went through and Bagley rolled it around on the plate long enough for Houts to slide over the plate. Bagley stopped at second but expired there when Lloyd grounded to Carey.

Another run came in the sixth. Herald doubled with one out. Spangler flew out to Walsh, Smith grounded to Grant and Aggie bested the chance. Herald got on running and Grant made a fine play on the pitch which slowed Joe to count.

Two runs happened for the Potters in the seventh. Houts was first up and again received a pass which was honored at the initial station. Ware laid down a bunt after smashing a foul which was fair by a hair and Bagley applied another good bunt and moved the runners up a station. Lloyd's fly to Coffey enabled Houts to count and Hillinger's double scored the juvenile.

One for South Bend.

The only run for South Bend came along in the ninth. Kroy poled one through short field and it went far enough to enable the fly catcher to get to third. Koehler grounded out to Ware. Coffey hit to Dixie and was out at first. Spangler making a one handed catch of the ball and Kroy counted on the play. The score:

CINCINNATI HAS HOPES OF GETTING MR. KLING

Griffith Takes Up Trial of Great Catcher.

CINCINNATI, O., Aug. 7—President Murphy of the Cubs, who blew into the city yesterday morning, tiped off Manager Griffith's game.

"He's been after Chance right along to give Kling a trial, Murphy. "But nothing doing. Last week he went to see Hank," and since then Hank had several long distance conversations with the president of the Cubs. He said he that we can't afford to let Kling go to any other club. He has taken a stand and so have we, and I've cut it ourselves and to the other players that our team not to recede from our position.

"We're not missing Kling, as this boy Archer is catching the greatest ball I ever saw. He's a wonder, and no mistake. If Kling plays at all under the national agreement it must be with Chicago or Pittsburg."

"While I'm not making any predictions for the Cubs," added Murphy, "if I can believe the words of the members of our team, we will win another pennant. Of course, I don't mean that we will win it by a wide margin but that we will not fall a single player on the roster, who has any misgivings about the team breaking all big league records by winning four pennants in succession. Manager Chance advances several reasons for this confidence on the part of himself and his men to fly a quartette of flags.

RAIDERS NOT FOR SALE.

Grand Rapids Will Play Games at Reed's Park.

A report sent out from Grand Rapids, Mich. to the effect that the Central league franchise in that city would be sold or transferred to some other city by C. F. Brotherton, owner of the club, is discredited by President F. R. Carson, of the league, and other officials of the organization. The date patch was inspired by the granting of a permit to Reed's park, which would make it necessary for the Grand Rapids club to give up the city ball park, Brotherton expected such a decision and according to a statement made by him while in South Bend last Saturday, he made arrangements to play the remainder of his home games outside of the city limits.

This park will be put in first class condition and next week all Central league games scheduled for Grand Rapids will be played there, the grounds being leased with the support given him by Grand Rapids fans and expects to open next year.

MIKE HINES NOW INSANE.

Old Time Catcher Never Recovers From Injuries.

NEW BEDFORD, Mass. Aug. 7.—Michael P. Hines, 36 years ago catcher on the Boston Nationals, was adjudged insane in the Third District court. Hines, four years ago, fell from a building and since then he received their affected his mind. Hines, in 1882 on the Boston National team, was backstop for Whitney, at that time considered the speediest pitcher in the country. He was with the club until 1891.

MATCH FOR SPIKE KELLY.

Will Meet Unknown in Windup at Memphis Tenn.

"Spike" Kelly, the Chicago welterweight, who is either the management of William Balks, of South Bend, will meet an unknown in a 10 round windup before the Phoenix Athletic club of Memphis, Tenn., next week, it is reported. The agreement was signed by Balks, Kelly's manager, Holly and also it is to get a match of Young Fellows, of South Bend, before the same club.

EX-MAJOR LEAGUE PLAYERS DOING GOOD WORK WITH MINNEAPOLIS CLUB

OLLIE PICKERING — CATCHER JIMMY BLOCK — PITCHER WILSON

MINNEAPOLIS, Minn., Aug. 7.—Three ball players who have been seen in action in the big leagues are doing good work with the Minneapolis club of the American association. Ollie Pickering for years was a star outfielder, even when he was a member of the Cleveland team in 1907. Wilson, a pitcher for Milwaukee and then for Cleveland, is now in the minors not only pitching but back in Minneapolis later. Jimmy Block, catcher, is a Milwaukee born boy and before baseball fans read about him, he was a Milwaukee star.

Joe Cantillon, manager of the Washington team, with his brother, owns the Minneapolis team, and that accounts for the shifting of some Washington players to the Minneapolis club. Players are very, very good, they say in Washington and if they are not up fast enough for American league company, they are sent to "Boy Mike" Cantillon at Minneapolis.

SAID OF SOUTH BEND.

The Grand Rapids papers continue to be amused over the base running of the South Bend team. This is the way the News of that city figures out the "hooking" of Hagerman:

"Will you have tea or coffee" asked the waitress, smiling sweetly at Hagerman, who was dining at the hotel last evening.

"Hitmee tea," growled Casey. "I've had enough Coffey for one day. Too much Coffey gets on the nerves."

Casey's prejudice against Coffey was due to the fact that the Center fielder of that niche who draws sentences from the South Bend management exhibited the most heartless disregard of the feelings of the Grand Rapids team in the Saturday game and in the afternoon game. He had previously pilfered second and gone to third in a strong-arm throw by Clark. Nervy taxe runnin-n the first timing put the game in the refrigerator for Manager Grant's energetic young men. Coffey, in the meantime, had the impertinence to steal home round, Walsh repeated the insult by swiping second. He scored on Core's single."

Local fans will get their first baseball for nine days and will also do well to remember that the Bronchos are playing in the Central league and that it is interesting from the start until the final curtain.—Zanesville Times-Recorder.

South Bend and Central league fans have forgotten about the great running abilities shown by Mike Kahoe when he was with the club. Local fans are focused to the huge stick work being done by the Benders this season.—Dayton Herald.

CENTRAL LEAGUE NOTES

Bunny Pearce's appearance in the Vel Hinego and the recent arrivals are the talk of the Central circuit.

Word has been received that Bert Noblitt has been released by Scranton. Inability to hit is said to be the reason.

According to reports coming from Zanesville the Potters are regarded as the most gentlemanly bunch of players in the circuit and they always receive a cordial welcome upon their arrival at the different hotels.

The two minute pace brought out four starters and was the first clash of The Eel with the free-for-all pacer, Chimalindo, the horse was favorite and justified the opinion in which he was held. The first heat saw Hedgewood Boy trail The Eel all the way. In the second Hedgewood Boy —c as far as The Eel's flank, but hung there until he broke. The Eel winning under a drive.

The third heat broke on the last turn in the second round, and Citation and Alleen Wilkes took up the chase. It was a spectacular finish, and The Eel won by a head from Citation. Time 2:08 1-4, Alleen Wilkes, 3d. The time is the season's record and within a quarter second of Joe Patchen's stallion record for two heats.

The 2:12 trot was proved a hard race, and the veteran Country Jay won after a hard fought battle with Citation. The 15-year-old gelding won the first heat by a neck, the second a little easier, and in the third, after racing the last sixteenth head and head with Citation was given the heat. It was the closest finish of the week, and was greatly applauded because of his pronounced betterment.

The other races were easily won. From here the horses go in three directions, a majority to Cleveland, Detroit and Toledo, the latter place Tuesday, and the rest to Grand Rapids, Mich., and Galesburg, Ill.

MORROW WINS EASILY.

Boston Harbor Boy Knocks out Anderson of Chicago.

BENTON HARBOR, Mich., Aug. 7.—Howard Morrow of Benton Harbor made short work of Mark Anderson, of Chicago, who was said to have been a tough nut to crack in Bell opera house after a round and a half of fighting. Anderson went down and out. Three times the Chicago boy hit the mat for the count of nine, each time to rise and continue the battle for a round or two. Fighting faster and cleverer than ever before, Morrow landed almost at will. In the first round Anderson held his own fairly well. At the opening of the second round Morrow landed the knockout blows Anderson guarded. The local boy landed a hard one to the jaw, Anderson dropping quickly.
