BALL GAME A FEATURE.

Elaborate Preparations for Midsummer Fete at Country Club.

The Country club is prepared to take care of a large crowd next Wednesday, the day of its "Midsummer Fete." The creation of the new Japanese Garden will be a most elaborate undertaking, the beauty of it and the accompanying concert by Elkhart's band will be a treat. Clinton Ratzenberger, well known tenor, will sing Bluebird Eyes, one of the best of his engaging repertoire. The Malone orchestra will furnish music for dancing.

The day's festivities will begin at 3 o'clock in the afternoon, with a ride around the city in a coach by some of the lady members of the club with prizes. The ball game between the Indiana and Country clubs will be played at 3:30 o'clock. The line-up of the teams will be:

Indiana club.	Country club.
Walters (Capt.)	First Base. Mayer, jr
Johnson	Pitcher. Shaw
G. M. Studebaker	C. Tibbey, jr.
Nelson Riley	Left Short. Louis Bibel (captain)
Wheelock	Second Base. Morrison
Miller	Third Base. Anderson
J. M. Studebaker, jr.	Left Short. Davies
O'Brien	Right Short. Morgan
Rogers	Left Field. Mix
Brown—sub.	Right Field.

The difficulty concerning the eligibility of Col. G. M. Studebaker for the Indiana club team has been settled by the Country club team locked him over in a recent practice game of the Indiana club and decided he was an amateur. The Indiana club players received at the hands of Studebaker a leading valor during the game and decided to suppose him and keep him in the game they elected him captain. The intense rivalry of the teams has been increased, since they have become aware of the prize offered—a young lady's hand in marriage.

Fred Bierhart and John Haggerty will be the umpires in chief, five sub umpires will be ready at a minute's call. Charles Arthur Carlisle will be the official scorer and announcer.

The Country club has extended an invitation to the members of the Indiana club and their ladies, pledging them the same courtesies for the entire day as are accorded members of visitors' tickets. The Indiana club will accept the invitation.

After the ball game Dapper and Hoffman, of South Bend, will play Maher and Jernigan of Mishawaka for the championship in doubles of the Northern Indiana and Southern Michigan Tennis association.

The committee arranging for this "Midsummer Fete" intends to make it the event of the season, many members will have small attire.

GAS RANGE QUESTIONS ANSWERED
"How Can I Broil Steaks or Chops on a Single-Oven Gas Range?"
If your gas range has no broiling oven use a thick cast-iron frying pan, heated sizzling hot over a top burner, so that the meat will sear as soon as put in.
Trim most of the fat or suet from the chops or steak, and do not grease the pan. Turn the meat every few seconds but do not put fork in the lean part.
Never put the meat in a cold pan. The juices will be drawn out as the pan heats and the meat will be tough and poorly flavored. Season it after it is taken from the pan.
This method is called "Pan Broiling."

There is a growing sentiment that temperance is surest and best promoted by the use of Pabst Blue Ribbon, which contains less than 3½% of alcohol. The use of Pabst Blue Ribbon Beer satisfies the natural desire for a mild stimulant without creating a habit for strong drink. In countries where the most beer is consumed, intemperance is rarest.
