

FRIDAY, 13TH, IS UNLUCKY FOR S. B.

Local High Quintet Defeated
by Heavy Valparaiso
Crew at Y. M.

Friday, the 13th, proved an unlucky day for the local high school basketball quintet, when the heavy but speedy Valparaiso crew swamped them by the score of 34 to 8 at the Y. M. C. A.

The locals fought every minute, but were not able to stop the fast Valpo crew, which took advantage of the locals' off day and piled up point after point. For the Valpo crew Capt. Loring and the Hilpold shot showed some after passing and shooting, while nobody on the locals came up to their usual standard.

Preliminary Game.
As a preliminary of the big game the high school Seconds met the Y. M. C. A. All-stars in a fast and scrappy game, the lighter high school boys trimming the heavier lads by the score of 15 to 1. Melander was the basket artist for the seconds, while Capt. Minkow seemed to be the mainstay of the Y. M. crew.

AT THE ORPHEUM.
Concluding performances will be
given at the Orpheum today of the
vaudeville bill consisting of "Petti-
coats," a romantic comedy sketch,
Bert Howard, clever pianologist,
Tracy, Palmer and Tracey, in top-
ical songs and dances, the Kimwa
trio of Japanese jugglers, and the
Archie Nicholson duo of comedy in-
strumentalists.

Beginning tomorrow the bill fea-
tures the Beatrice Morrell sextet,
six charming girls in a classical mu-
sical program, Latour and Gold,
sketch artists, a mannikin revue,
Nadell and Follette, vaudeville en-
tertainers, and the Newmans, box-
ers, jugglers and cyclists.

AT THE AUDITORIUM.
"The Children in the House," in
which Norma Talmadge is featured,
supported by Jewel Carmen and the
"Triangle Kiddies," is the principal
attraction at the Auditorium today.
The piece is said to be full of thrill-
ing situations; an out-load of bank
robbers, plunging, after a flying bat-
tle with police, over a precipice
three hundred feet high and the res-
cue of four of the Triangle kiddies
from a burning house are a couple
of the exciting incidents. A two-reel
comedy called "Scars and Bars" and
the Pathe News of current events
round out today's bill. "The Lure
of the Circus," a new sensational
serial story featuring Eddie Polo,
starts tomorrow and the last ep-
isode of "The Brass Bullet" will also
be given, with Mutt and Jeff, "Pain-
less Love," a two reel comedy and
the Pathe News.

THEATERS
**CHINESE STORY WITH
FAMOUS JAPANESE STAR**
The name of Sessue Hayakawa,
while hard to pronounce, is now
the less familiar to the patrons of
pictured dramas. He has frequently
been seen at the LaSalle and re-
turns to the screen of that theater
today in "The City of Dim Faces."
This is a stirring, dramatic and
tragic story of underworld life in
Frisco's Chinatown. Filled with ad-
venture it concerns the love of half-
breed Chinaman for an American
girl. Her troubles and dangers are
many but she is finally rescued when
the better nature of the young Or-
iental sets the upper hand. It is an
enthralling story of sacrifice and the
scenes of the Chinese underworld
are unusually interesting.
Tomorrow: Bryant Washburn is
the star in "The Gypsy Trail."

AT THE CASTLE.
A sea island tale, where the white
man shipwrecked on a far-away
island, is found and loved by a na-
tive girl, is the pictured novelty of-
fered at the Castle today. Hedda
Nova, a prepossessing beauty of the
brunette type, plays the dark-skin-
ned beauty who finds an American
traveler cast upon the sands of her
island, and claims him as her own.
The primitive modes of living and
of dressing, the adventures of the trav-
eler with the savage tribe and all the
turn of the barbarian wilds has been
transferred on the screen for the en-
