In a contest marked by beautiful fielding by Kuhnert, Coffey and Fox and an exhibition of yellow umpiring by Kussel, South Bend defeated Dayton yesterday by a score of 5 to 3. Had a man of even fair ability handled the indicator the contest would have been one of the prettiest of the year but Kussel worked and when he is scheduled for duty a melo-drama could be turned into a roaring farce.

Because of his miserable work Kussel was hooted and jeered by the fans and when in the eighth inning "Doggie" Miller pushed him across the diamond, snatched the mask from his face and threatened him with dire punishment, he become the laughing stock of not only the fans and players. Had Kussel stood upon his dignity and refused to withstand the insults hurled at him by Miller, Fox, Ted and Jennet, by inflicting a few fines and putting Miller off the grounds, he would have partially restored himself into the favor of the crowd. But Kussel did nothing of the kind. He was too busy keeping behind "Aggie" Grant, who was pleading with Miller not to create a scene. When quiet had been restored, Pitcher Pat Mullen, of Dayton, walked to the coacher's box and in hurling a doll at the "ump" told him that if he did not give an even break, he would run him off the ground. Mullin was ordered off the grounds and was escorted to the gate by Patrolman Schock.

Pitchers Did Good Work.

Ferguson and Bonnet were on the firing line yesterday and both twirlers did excellent work. Ferguson, however, had the best of the battle because of the brilliant support given him by Groeschow, Coffey and Anderson, the trio pulling down hard and long line drives. Bonnet, on the other hand, was poorly supported and his errors are charged against the "Texas."

Dayton Made Two Runs.

Dayton scored only in the sixth inning when Groeschow gave Rapp a life by fumbling a grounder. "Doggie" Miller followed with a fine two bagger over third and then chased Rapp home when McConnell hit to center. The "Old Soldiers" threatened to score in the second, fifth, seventh and eighth innings but sensational catches spoiled the chance of a victory. Anderson was the star of the day. He made two of the finest catches ever seen at Springbrook and twice had to acknowledge the plaudits of the fans. His greatest catch was in the eighth when he dived under Ted's Texas leaguer behind second and landed in about six inches above terra firma. In the seventh inning, "Goat" robbed Fox for a triple by pulling down that mate's line hit to deep center with a one hand stab.

Eddie Coffey also had a hand in the game and three of his four putouts were made because of his dexterous foot.

Greens Make Scores.

South Bend scored in the third. Anderson reached first when Hayes dropped a fly ball behind the third sack. He stole second and went to third when Fox muffed Groeschow's fly to right. Grant hit for a single in the fourth and took second on Tieman's sacrifice, from which back he scored when Coffey hit for two bases.

Dayton went up in the air in the eighth and the Greens broke the ice in the ninth. Groeschow reached first on Kussel's error, given a life because Miller Coffey had to cover the initial sack. Grant bunted and was safe because of Sprinkle's inability to pick up the ball. Tieman hit to left and Coffey added to Hayes's troubles by forcing him to stole an error. Sprague and Grant had gone over the plate in the meantime, the latter stealing home. Anderson hit to center and scored Tieman. The official score was as follows:

So. Bend	AB	R	H	SH	PO	A	E

Caught Between Innings.

Ladies' day to-morrow.

Wheeling comes to-morrow for three games.

Evansville won and so the Greens did not move up in third place.

Hughey Dorahan is no longer an umpire. Marion put him out of the game.

For the sake of the game, give Scott Reid an umpire. Kussel is killing the attendance.

Seven players in yesterday's game were members of the Independent Greens. They are Grant, Sprague, Sager, Coffey, Fox, Rapp and Ted.

Charles Rapp, a local pitcher and Harry Teel, a catcher from Laporte played with Dayton yesterday. The former was a starter field and the latter was behind the bat. Coach Gregg stole a fine.

This is what the Laporte Argus Bulletin says of Ted:

"Mr. Teel, who at one time returned about the diamond as a wheeler and fanner, and who was the guardian of the second base for the Greens, has been formally released by Manager Gregg. Teel was not in playing form Sunday. He either suffered from prostration or some other worn of a bad attack for he was unable to either catch a ball, field his position, or hit the ball."

THE CENTRAL LEAGUE DIAMOND

Evansville and Fort Wayne Get New Pitchers.

The Grand Rapids Lumpmen play the concluding game of any club in the league and are deserving of a better standing in the percentage table than the Evansville Crickets.

Pitcher Easton, who jumped the Marion team two weeks ago, rejoined the team at Fort Wayne.

Kuhn has been released by Evansville but not decided where they will go. Rock Island has made Kuhn an offer but he has not decided whether he will accept it or return to the east.

Pitcher Sellers, of Mooresville, Ind., is in Fort Wayne, and will be given a trial by Manager Moore. Sellers was signed with Marion, but was not given a trial.

Will Curtis, of Fort Wayne, has the best record of any pitcher in the league. He has won four games from South and Marion, three from Evansville, two from Marion, Grand Rapids and Terre Haute and lost but two to Wheeling and one to Evansville and Wheeling. He has allowed 41 hits in the 21 games, for an average of 1.95 hits per game. Fifty-two scores have been made against him for an average of 2.47 runs per game. His pitching per cent is 926.

A pitcher named Frye has reached Evansville for trial with the Newsboys. He is a personal friend of Manager Bill Bryan playing with McGraw's team anywhere until the case is heard.

DAYTON BOYCOTT IS LIFTED.

Union Men Can Now Attend Baseball Games.

The Tribune's Special Service.

Dayton, O., July 16.—The boycott on the Dayton Street Car company was lifted to-day, after being in operation for over two years. This will result in an increased attendance at the Central league baseball games which are to be played at Dayton.

Ball Players Are Fined.

President Pulliam of the National Baseball league has announced that he had fined Catcher Bowerman, of New York, $100 for striking Fielder Clarke, of the Pittsburg team during the last visit of the latter team to New York. The fine must be paid within five days.

President M. E. Sutton, of the Western league has fined Capt. "Biff" Everett, of the Colorado Springs $100 and Umpire J. J. Kelly $25 for resigning in a huff July 6 at Des Moines. Short-stop Francks was warned that if he gives Minor is a dead ringer for Capt. Kettle, in size, nerve and vinegar, with the exception that he has no beard. With one arm to the bad, he moves the wooden without a tremor.

"Delbert says that the story of the Chicago-Detroit game at Chicago last South Bend with notice a signal system to tip off the opposing pitchers to the local batters is a pure out and out fake emanation in the mind of the particular scribe and that what he said the next day to the reporter who had misquoted him was enough to either any ordinary mortal.

"It was very plain that Manager Jack Grim, who sat on the bench, did not appreciate what the newsjam of his men. Two of them who made a particular nuisance of themselves were called properly when they went to the bench.

FAITH IN GRAND RAPIDS.

Business Men Meet With Vice-President Hulderman, of Central League.

The Tribune's Special Service.

Grand Rapids, Mich., July 16.—Vice-President Hulderman, of the Central league, is in the city in the interests of baseball and has made arrangements to keep the "Midgets" in Grand Rapids. A meeting of business men was held at the Pantlind hotel last night and much interest was shown in the baseball situation.

In addressing the meeting Vice-President Hulderman said: "The Grand Rapids team will remain in force. The team will return to this city. I am willing to take the franchise, myself, or President Bement is willing to go in with me and take it, or both of us will take it in partnership with local people, but we feel that it would be a better thing for the league as a whole and a better paying investment all around if local people would take hold of it. The Central league is not weak and it has not been playing bad baseball. The daily games will average far ahead of those played by the Anderson, Muncie and the Grand Rapids team is one of the best in the league.

"I admit that there are several players on the team that will probably have to be released, but there are four men on the team that cannot be beat at any stage. Grand Rapids I will gamble if I take the team, will finish the season in one of the first four places. There is a good stretch of the road left for playing, and I think there are 24 games left in the schedule for the Furniture Maker to play at home. From what I have learned in talking with local people, I am of the opinion I will have very little trouble in getting some of them to take the franchise. We have closed the deal in regard to securing the Reed's lake grounds. The first move will be to put the grounds in shape for the coming season, the grandstand moved and repaired, making it neat and comfortable and an attractive entrance near the street railway built. The park will be fitted up that the players will have opportunity to show their ability, the people have a pleasant and comfortable place to go to see the games and the grounds will be attractive. I had great faith in Grand Rapids before I came here. Since I have seen the city I have grown even more enthusiastic. Next year the city will prove very valuable to the Central league I am sure, and a money maker for those who hold stock in the team."

LEAGUE SCORES VICTORY.

Etherfield is Free While George Davis Is Without Plea.

The American league was a double victory yesterday in its first legal tilt in the New York courts. Ban Johnson, securing a dissolution of the injunction against Sherlock Etherfield of Griffith's team and obtaining a temporary injunction which will prevent George Davis playing with McGraw's team anywhere until the case is heard.

THE GREAT
JULY JUBILEE SALE

is now on in all its glory—easily outclassing any similar event ever launched in South Bend. People are surprised at the ample stocks—the entire absence of inferior goods so generally foisted upon the unsuspecting public at like sales.

Hundreds who attended the opening bought eagerly and expressed in forcible language their pleasure in being able to secure such bargains. They will come again, as will also their friends, for the news is too good to keep.

Such low prices never ruled in South Bend before—in fact so radical are the reductions in every department that people do not have to be told how very low they are—they know it at a glance.

We shall look for your very early visit—the pleasure of revelling in the low prices at this shopping mecca will be very much your own, we assure you.
