BRONCHOS IN SECOND PLACE, GAIN LAP ON BILLIKENS

TWO REAL GAMES WON BY BRONCHOS

POTTERS SHUT OUT TWICE BEFORE GOOD CROWDS.

SMITH AND LINDSAY PITCH

Fifteen Inning Air-Tight Encounter Ends in Wheeler's Sun-Hit. Tiny Absent on Account of Superb Pitching.

Two beautiful games were played for the benefit of South Bend fans Saturday and Sunday. Sunday's was the "beautifulest," but the Saturday's was the more exciting. A crowd of 2,833 saw Pat Lindsay shut out the Potters in an hour and 20 minutes Sunday. A fine Saturday turn out of 462 saw 15 innings of great baseball with an 8-6 South finish.

The Bronchos made only one run in each game, but it was enough to win both. The Bronchos made only five hits in each game; but it was enough to win. Both games were won after two were out. McCarthy, Notre Dame shortstop, figured in winning both games as it was his fielding that robbed the Potters of several hits. Watson the second catcher, caught most of both games and his work was a feature.

Brownlee ball was played by the Bronchos in Sunday's game. That had much to do with winning. Both Smith and Lindsay were in fine form. In the first inning the Potters got two smashing hits that fooled a bad day for Harry, but Harry fooled them. He was in serious difficulty at no time. In the last inning the Potters got to be moved them down, one-two-three. "Cap" Wheeler scored the winning run in the fourth inning. With one down, Eddie hit a hard one past Herzog, who was playing Wheeler to bunt. Cap, who had been three wide, Wheeler went to second. "Buck" Conneyer got the pinch hit when he banged a single over second on which "Cap" scored. The Bronchos threatened in several other innings, but did not damage.

Tucker Tells Tale.

The tickers told the tale of disappointment in Sunday's game. Tucker with five hits and one error's odd for 15 innings. In the 15th with two down Watson drew a pass. Ed Smith came to bat. Veneey got one ball and one strike. Smith then hit a liner to left field. Watson went to second. It went to two balls and two strikes and then Ed began to foul them. He fouled four or five and Veneey gave a third ball. With three and two, Ed hit a line shot two feet past Tucker's head. It was a perfect hit and Watson raced home.

Eddie pitched hard all the way and he was opposed by young Veneey, who showed speed, a good curve, control and fair control. He did not lessen a game in the game. Ed's best work was done in the Zanesville half of the 15th. To start the inning he hit Schmick. O'Brien followed with a single. Then Bitter, Billinger, Tucker made easy rolling which Ed fielded. Schmick was headed for third and Ed had an easy chance throw to Wheeler for the put-out. But he threw a trifle wild and Schmick and Billinger were both safe. Schmick was caught between third and second and one down. Manager Swartling came to bat and Ed struck him out. Herzog then hit to McCarthy, who threw him out at first. The score:

Kroy up, Wheeler and "Teddy" got their signals mixed and "Midge" was caught trying to make third. Kroy was passed and Wheeler got hit, but Coffey were out.

It rained hard in the 8th, 10th, and 12th innings. The game stayed and were awarded handsomely.

Wells suffered a split thumb in the third inning Saturday and was forced to retire.

Hoffman, Hofmeister, Campbell, and Lynn of the Potters are all members of the Elks lodge. Kenworthy was purchased by the Zanesville Elks from Columbus as the Elks and the Potters are on good terms.

Tenth inning tension is hard on the spectators.

Kenworthy played center field in place of Schmick, who was given a chance to rest, defining is due this afternoon. Both Kenworthy and Schmick are good men. Kenworthy is a good hitter and hit the ball hard. Kenworthy is about the hardest hitting pitcher in the league. Kenworthy will not need a utility outfielder with these two men. Kenworthy is a good outfielder and also is a regular outfielder.

Colonely, is one of the fastest men in the league in getting down to first base. And he made them put-outs at first by running to the bag the while knocking down the ball. Beautiful work, Colonely, at first.

In the first inning, Kroy threw out Kenworthy when Larry tried to go to third on O'Brien's hit.

Hillinger made the best throw of the game when he took Veneey's hard single and threw on a line to Holmes, who put out Pat.

Holmes fumbled in the eighth, striking out on a wide curve that pulled him clear across the plate.

His drive over the left field fence in the third inning was one of the features of the game. Taylor and Walters also starred for Niles.

"MOLECULE" BALL IS NEW ONE INVENTED BY JOHN HENRY MYERS

The "molecule" ball is the latest one and it was invented by none other than John Henry Myers. It happened in this way:

"Midge" Craven and John Henry got into an argument over the comet, "Midge," who has been employed across Notre Dame factory this winter, insisted that the comet was a quantity of high velocity and he declared the comet's momentum was measured by atoms. John Henry took exception to this point and asserted that the comet was a quantity and that its high velocity and speed was not a quantity and that atoms were not quantity, so therefore the comet's speed was measured by atoms.

"John Henry then struck his fist on the table and said atoms are the world and that everything was made up of atoms. "Midge said that he have blamed well an auto didn't made of atoms."

"Henry then said it might be called a molecule ball and "Midge" said that he thought for the best day when Myers went to to pitch against the Tots, he stepped out of the pitcher's box and turning to right field, yelled to "Midge" Craven:

"'Midge,' here goes the 'molecule ball.'"

And from the way John performed he certainly had the "molecule ball." Anyway that's the name of his new puzzler.

CIRCUIT SPARKS.

"Chief" Noah pitched for Bade Myers at Kewanee yesterday and although he lost the game he made a fine showing and record for the league by whiffing 14 men.

Barney Schriber got a beating at Omaha yesterday where Denver lost 10 to 1.

Hadley, Evansville shortstop, who was cut down by Eddie Coffey in the opening game, was able to get a shoe on for the first time yesterday and will soon be back in the game.

"Grand Rapids Press," Joe Baldy was pitched for Grand Rapids yesterday. Grand Rapids team did not make more noise in the field. The comparison with Terre Haute was all in the Hat's favor. "I know," declared Joe "but what can I do? I can't make the boys hit the ball. Mick Kahl never will say anything. I make all the noise I can without getting thrown. Danny Sheehan was never known to say more than two words at one time and he and my outfield is naturally quiet and anyway I can't hear them. If I could hear, I can be heard. You don't hear much infield and outfield coaching in the big leagues. It doesn't win ball games."

Marvelous what a change of manager does for a team. Last year Fred Pitcher Miller disciplined but another under Jack Hendricks, is a star finisher this season under Jimmy Burke. He won again last Monday and made it eight straight wins for the Billikens.

Tommy Dwyer, one of the pitchers for Bade Myers at Kewanee, is the manager Baldy of the Reds to be the best his club has gone up against so far this spring. At that Baldy helped pull one out of the fire at the expense of Dwyer's pitching. Dwyer's team was leading when the boss drove out a timely one.

Down in Dayton they have dished the Vets the hitless wonders because the gang took three straight games in each Sandy fashion with but 13 hits. Sandy is a good pitcher, but it looks that the warm weather has set the Dayton Sluggers going good and that team will soon proceed to climb.

Crystal continues as the hard luck team. Even the Cubs and Sunspeedes who have won from the little southpaw in series will admit that he apparently is unlucky but he has in once out to the good. It was the same way last year. Crystal is a good pitcher but Ryan scribe has predicted a good year for the Singer this season.
