

SIGN PITCHER REAM

ROCHESTER MAN JOINS SOUTH BEND TEAM

GRANT LANDS TWO PLAYERS

Catcher Thomas of Fort Wayne Will Do Duty for Local Team
—Central League Manager Leaves Indiana.

Donny Thomas, the Rochester, Ind. pitcher, and George Thomas, a catcher, from Fort Wayne, Ind., were yesterday reported by Manager Grant to play with South Bend in the Central league.

Thomas is a known quantity and is considered one of the best pitchers in minor league baseball. He was with the Western league last season, and made good in nearly all the games which he pitched.

Catcher Thomas is sure to league again, but Manager Grant is so confident that he will develop into a first-class man that he was able to sign him to a contract.

Most of the South Bend players believe that he will be given about three weeks to which to read to see if he can make the grade with the team. Much of the practice will be with the State League team, but he will be given a chance to play with the Western association team, which will train at Notre Dame.

Manager Grant is confident that the Central league manager, E. B. Darns, of this city, carrying home, will be well satisfied with the outcome and produce more for the league.

The director of the league has said that the Central league will have a considerable population of nearly 50,000 to draw from that it will be impossible to lose money.

Several interurban lines which will be built in the near future, will be of great benefit to the league.

While President Darns, of the league, is a rival of the State League, he is a rival of the Western league, and he is a rival of the Central league.
