Catcher Thomas of Fort Wayne Will Do Duty for Local Team
—Central League Manager Leaves Indiana.

During the week, the Rochester, Ind. pitcher, and George Thomas, a catcher, from Fort Wayne, Ind., were secured by Manager Grant to play with South Bend in the Central league.

Thomas is a known quantity and is considered one of the best catchers in minor league baseball. He was with the Western league last season, and made good in nearly all the games which he played.

Catcher Thomas is sure to be a big factor in the team, and it is not probable that he will be sent to the States. Thomas is a left hand batter and is said to be an excellent hitter. Manager Grant now has 12 men under contract.

Most of the South Bend players believe that they will be given about three weeks to which to train in the States. Much of the practice will be with the State League team at Fort Wayne.
