BRONCHOS MAKE FANS HAPPY BY WINNING OPENER

NINTH INNING TOO MUCH FOR DUGGER

EVANSVILLE PITCHER KEEPS BRONCHOS AT BAY.

CRAVEN IS SPEED PHENOM

Eddie Smith Wins Opening Game on Home Grounds Before 1,700 Rabid But Cold Fans—Score, 3 to 2.

Chilled on the outside, but warm and happy at heart some 1,700 fans braved the football weather yesterday afternoon and went to Springbrook park to show the Bronchos their loyalty. And the entire 1,700 was rewarded. The game was a thriller from any standpoint and the Bronchos won. The score was 3 to 2 and the winning run was made in the ninth inning.

The crowd saw a big happy gathering and there was good feeling from the minute the band struck up the first piece. Eddie Wheeler received a beautiful floral shoe shoe from "Hulk and Mike." "Hulk" being G. V. Hull, proprietor of a cigar store at 116 East Jefferson boulevard, and "Mike," M. F. Calnon, proprietor of a restaurant at 116 East Jefferson boulevard. Eustace Polodar, proprietor of the Philadelphia Candy kitchen, 114 North Michigan street, presented a handsome bouquet of flowery and a box of candy.

Flags for "Danger"

"Danger" signal was called out in front and a floral pennant was presented to him by the Pay So club. The pennant was in red carnations and the letters, "Pay So," were embedded in a beauty rose. Green, embedded in a carnation of white, Aggie stood the pennant against the visitors' bench but the charm refused to work.

McCarthy, the young shortstop, was presented with a beautiful bouquet of flowers and he responded at the plate and did the good thing on each occasions by stealing out.

The formalities were attended to by City Judge G. L. Parsbaugh and Dugger responded for the visiting team. Bulgavin, with the umpire called "play ball" at 2:15, "Cy" walked out to the stubbed mound and Judge Parsbaugh stepped behind the plate. Cy's first ball was a strike over the plate and Judge Parsbaugh desperately close to it. The Notre Dame rooters shouted, "Parsbaugh!"

Notre Dame' Roots.

The Notre Dame rooters had much to root about. With Parsbaugh, a former Notre Dame star, officiating at first ball, plus McCarthy covering at short for the Bronchos, and with Cantlove, also a former Notre Dame student, in right field for the Evansville club, the rooters were happy boys.

"Hilden" Craven has developed into a little "Honus" during the short real trip. The sandy sixth holder, who led the leagues in the sacrifice department last year, is the same all-round player he was in condition this year, but the little man was a speed phenom. The first time he got a bit which caused a sensation in the left field stand in anything the map of the ball park. He drove it like a flash. In the third he drew a pass and Cuddy sacrificed. Then Kerr hit a long fly to right field. Craven popped up to second and with his head down made the circuit of the bases. He slipped then dug back to second under the crowd laughed. In the fifth he singled and stole second and when Cuddy threw a little wild he took another base.

Brown Is Score Two.

The Bronchos scored twice in the second. Brown, who replaced Lajeunesse, was walked on by a fast double Wheeler to McCarthy to Cameron. In the second the visitors got one. Ledeen singled and came home on a scrtiche hit by Cantlove. Wells then hit to Lajeunesse again, muffed and stole second. Wells caught Lajeunesse, but McCarthy missed the tag. McCarthy scored Lajeunesse with a single.

Both teams had several chances to score after this, but none made good until the ninth. Connors opened it up with a long fly-to-center to center Kothler's hit was too slow for McBride to get to first. Wheeler hit to Cantlove and Connors was forced out, but Smith drove a hit through the infield, bringing in the winning run. The score:

Life fans.

Wheeler showed Sunday.

Cuddy played despite his injured ribs and doped in the old style.

"Buck" Connors met the ball every time up and his two-sacker was a hummer.

That double play in the first inning made the Bronchos look mighty good at the start.

In the sixth inning Kerr drew a pass. Wheeler got a hit. Connors came through with a single, and Wells was called out on strikes.

McCarthy secured a little worried by the large crowd and made two boots in the field. The errors were his first of the season and will probably be his last for a month.

A. A. Clark, proprietor of Kohler's restaurant, 106 North Michigan street, rounded up all the boys who were standing on the outside of the gate and treated them to sandwiches, coffee and pie.

At Evansville—In the opening game, the Bronchos were the best in all the different classes.

Pitcher Dugger, Evansville, pitched a fine game.

JEFF'S BROTHER IN CAMP.

Jack Helps Jim Get in Condition for Bout With Johnson.

By Associated Press.

BEN LOMOND, Cal., May 14.—Jim Jeffries has been urging on the comfortable work of his brother Jack, who arrived here recently, and who is expected to furnish the big fighter lively and gruelling ring work during the remainder of Jim's training.

It has been many years since Jack has donned the mitts for a scrimmage in the arena, but he is in fair shape for the work he has to do. He has been in for the last few days has hardened his muscles and strengthened his wind. He says he is now prepared to go on against Jim in light bouts and from now on the brothers are expected to box together regularly.

For the last two years Jack has been in Mexico. "I have studied Jim closely since I have been here," Jack said, "and I think I know his game. I know just with the way he was in other training periods. From every standpoint I honestly believe Jim is going to be better in this fight with Johnson than he was in any of his fights. He is strong and fast and he has every bit of the old dash he had in former years. I think Johnson is going to be a snap for him."

Ross Poly Aggregation Plays Kelley's Sluggers at Cartier Field—Man in Good Condition.

The Notre Dame baseball team will leave on the longest trip of the season to-morrow evening. They will go first to Kankakee for a game with St. Viateur's college, from which place they will go to Chicago to meet Armour. Games will be played with Marquette, Beloit and St. Joseph's college at Dubuque, Ia.

The team is in the best condition they have been in this year and should give a good account of themselves on the trip. They have played both Beloit and Marquette and of the two the former may give the most trouble. Beloit is a strong team and in the city the weather was most favorable and although the "varsity was easily a better game could have been expected if the day was more favorable. Last year the Beloit team was quite strong and had Sharon, the present Cub twirler, and gave the Notre Dame all that they wanted to take care of.

Capt. Kelley has the men in the best condition possible for the trip. Every day that the team has not had games he has had the men work out on the diamond. At present the men are able to stand the pellet better than any time this year. Kelley has a number who have been doing remarkable work, are Hamilton, Williams, Philipps, Quigley and Kelley. This aforementioned trio is playing Rose if ~~

INTEREST IN BOAT RACES.

Notre Dame Students Will Engage in Aquatic Contests.

A great deal of interest at Notre Dame has been aroused in the boat races that are to take place on St. Joseph lake commencement Monday. The last organization to take to boat racing is the senior class. Yesterday afternoon a large group of seniors met and selected a number of men who look good for the crew. "Big" Schmitt, the former captain of the varsity crew, is coaching the senior crew. The squad that reported at the lake a short time afterwards was composed of Dolan, Miller, Gutierrez, Herr, Schmitt, Cleary, Stimmit, Holleran, Ryan and Ryan. It is the opinion of men that the senior class is depending to uphold their honor in the regatta that is to take place during commencement.

Although most of these men have had some experience in rowing they are inexperienced in crew rowing and it will take considerable work to bring the men into the proper condition for the race in June. For the next four weeks St. Joseph lake should be a busy place for the boys in the three other classes and an organization of prep students will take part in the class race. Besides this there are several other crews that will be seen on the lake. The boat house is in fine condition at once the lakes will become a popular place. The crew has chosen all hours for their workouts. The seniors worked out at 5:30 this morning. At 4 and 5 o'clock in the afternoon there will be someone at the lake most of the time. An excursion will be run to Bankson lake the summer resort of the university on May 21.
