LOCALS BOWL IN FORT WAYNE MEET

WILL ROLL SATURDAY AND SUNDAY NEXT WEEK.

EXPECT TO COP PRIZES

South Bend Pin Knights Will Have Hot Competition in Indianapolis Men Who Place in National Association.

Assurance that South Bend bowlers will roll March 25 and 26 in the Fort Wayne tournament, has been received by the local pin men in the form of the schedule of events for the tourney. Three South Bend fives, all from the Elks temple, will journey to Fort Wayne, and contain the names of many of those who represented City in the A. B. C. tournament at St. Louis. The local bowlers are confident of copping a fair share of the prize money, which has reached the $1,000 mark.

That a number of cracks will be pitted against them, however, is shown by the standing of the bowlers in the N. B. A. tourney at Buffalo, where Indianapolis pin knights finished high in the scramble for the cash. Indianapolis is the Fort Wayne meet. In the double Bunn and Pox, of Indianapolis, secured the third place with a total of 1,184, being topped by Keiser and Johnson, of New Haven, Conn., with 1,207, and Krichton and Zuchlschleier, of Hartford, with 1,195. Bunn and Pox finished a fourth was taken by a state capital team.

Schedule for Local Bowlers.

The five men teams from this city will bowl first in the Fort Wayne tourney, the Invincibles, Buckskins and Elks, No. 235, clubs being scheduled to roll at 8:30 p. m. Saturday, March 25. The doubles and singles shooters will be rolled off as follows: Sunday, March 26, 8:30 p. m., Casmier-Hart; Schmidt-Holland; Dolph-Richards; Dennis-Clark; Waters-Campbell; Stapp-Lanzer; Schneiter-Schneiter; Schmidt-Zimmerman. The doubles will be bowled in the singles: Sunday, March 26, 12:15 p. m., Dennis, Waters, Campbell, Richards, Stapleu, Lanzer; 12:45 p. m., Casmier, Hart, Holland, Clark, Delph, Schneiter, 1:15 p. m., Schmidt, Zimmerman and Smith.

High class bowling has featured the work of these Elk bowlers this season, Hart setting the pace in high scores and average. His total score for three games of more than 700 pins was made in the last Elks' season's play, at least, in South Bend.

Bowling has found immense favor in South Bend all winter, numerous leagues playing off schedules in a manner that promises to keep the leaders in bowling a close, although the Fort Wayne and Indianapolis tournaments are still to be held. The Indianapolis affair will be held in April, and while no definite arrangements have been made as yet, it is thought local bowlers will roll in that meet.

HOLY NAME SOCIETY MEETS ST. MARY'S A. C.

Basketball Game Scheduled for Tonight in St. Patrick's "Gym."

The Holy Name society basketball team will play the St. Mary's A. C. of Fort Wayne, which now claims the championship of northern Indiana, tonight at St. Patrick's "gym."

The Fort Wayne team is known to be a fast bunch of Germans and is the holder of the championship of Fort Wayne, having defeated all the teams of that city by large scores, including the Y. M. C. A.

The Holy Name society team has met some of the fastest teams in the part of the state, but went down to defeat at Fort Wayne early in the season, the score being 32 to 17.

The Holy Name society has been practicing hard all week and are confident of winning tonight. The team is in the best of condition and will line-up as follows: Zgodzinski, center; Schubert, Murphy, Curtiss forwards; Gulotto, Lochey, McQuade guards.

There will be a fast preliminary game between the Holy Name society five of Michawaka and the junior Holy Name society of South Bend. Both teams are evenly matched and have been playing close games with each other. Much interest is being shown in the third game Capt. Auer, of the juniors, predicts a victory as all his men are in good condition.

CLOSE RACE DEVELOPS IN Y. M. C. A. LEAGUE

Four Teams Tied for Lead in Sunday School Organization.

The race in the Sunday school league being rolled on the Y. M. C. A. has developed into a four cornered affair, with the other two trailing close behind the quartette of leaders. The Westminsters, First Baptist, First M. E. and St. Paul trios are tied for the lead with 11 won and 10 lost, while the Presbyterian and First Christian teams bring up the rear with 10 won, 11 losses, pins 12 lost, respectively. The standing of the league is as follows:

	W.	L.	PCT.
Westminster	11	10	.524
First Baptist	11	10	.524
First M. E.	11	10	.524
St. Paul	11	10	.524

CARSON'S SON TRAVELS.

Former High School Athlete Takes Scouge Carey's Place.

Clark Carson, son of Dr. F. B. Carson, president of the Central league, is traveling as a salesman for Stockcadens' Underwear Mills. Clark is a former high school and Y. M. C. A. athletic athlete. He is taking the place vacated by "Scouge" Carey, who recently reported to the Pittsburg National league club. Young Carson is making good as a salesman.

Will Choose Name of G. R. Club.

GRAND RAPIDS, Mich., March 18.—The issue of the Grand Rapids club for 1911 will be chosen next Monday, when the sporting writers of the three local dailies will gather in secret session.

IRISH BATTERY FOR BRONCS IS ASSURED

Lindsay and Shea Form the Combination of the Green.

If Dan Shea, the young Central aeroplating player, becomes a member of the local club, the Bronchos will have a battery which will daze the opposing Central league batters. Green under there, near-green above them, green in front of them, green behind them, the Central sluggers will sniff the atmosphere with gleaming nostrils as when our own Pat Lindsay and the Green Shea will be the battery for the Bronchos. True to the trait Shea dropped a letter which arrived here yesterday, St. Patrick's day.

If Shea is roped in by the Bronchos he will be a valuable acquisition. He is a piano player in the parlor. That is the first bit of information regarding the young man's winter occupation Smith has had, and was gleaned from the letter received from the youngster Friday. Shea said he was willing to come to South Bend, but was doubtful—he wants transportation and lives in Massachusetts—but he might not be able to get here until April 1, he said so many orders to tune pianos came in.

Now, if owner Bert Anzie would furnish him with some fine music on the morning the Bronchos did not indulge in morning practice, Shaw Dan can take a piano, he can probably play one. Vocal music would furnished by "Pat" Lindsay, with his fine baritone (hoarse from cold).

"DOC" SCHMICK HAS JOINED BRONC HERD

Another Pony Roped in by South Bend Cow Punisher Foreman.

"Doc" Schmick, the crack Bronchos first sacker, has signed the contract for 1911. The blue document arrived in yesterday's mail, and the South Bend management is now in possession of the printed agreements of nearly all of last year's players. Schmick's wife died recently at Anderson, S. C., where he has been living the past few months. Manager Smith expected the fast first sacker would be with the Bronchos last week, but he writes in a letter accompanying the contract he will report April 3, the official date for the players to flock in.

That "Doc" Schmick will develop into a valuable man this season is the opinion of Manager Smith. He is a grand fielder, and a fine hunter. He is a pitcher, but had played first base before he came to South Bend. He is especially proficient in nipping low throws to third, a big team-mates many times to their sorrow.

More low throws, the most difficult to handle, are sent in at first sacker than any other kind of wild heave, so Schmick's cleverness in that form is double appreciated by his infield mates. Low throws are hard to pick up, and can't grab them as any other angle, however, for "Doc" is death on anything from the ground up to a height within fair jumping distance.

WHEELER IN OPEN DEFI TO CENTRAL LEAGUE

Edward J. Is Fiery—"The More the Merrier" Says He.

TERRE HAUTE, Ind., March 18.—Edward J. is an open defi to his rival Central league managers, declares he welcomes any and all who to be made against his team this season and says he will be prepared. "Let 'em come," remarked the 1911 boss the other day when talking of the warfare planned by several of the Central clubs. "They can't come too strong for me, too many for me," went on the leader, "as I expect to have a team that will give them a run, win and win in the circuit. The Bronchos are my meat and if Fort Wayne wants to try the game it is welcome. The Evs will, of course, remain our rivals, but, as I said before, the more the merrier, and we don't fear any of 'em."

THREE POTTER HOLD-OUTS.

Connolly, Swartling and Hillinger Buck on Salaries.

ZANESVILLE, O., March 18.—Connolly, Swartling and Hillinger are hold-outs. The pitcher, first sacker, and outfielder have refused to ship the contracts, and if they do not come across in a short time, they will be relegated to some other job. Those who are going to not be fast, as the pay for the season of 1911 is not stated to be a berth in the Tri-State league.

SPORT SPARKS.

The Wheeling Hoosiers' club will hold its first meeting tomorrow. New officers will be elected and arrangements will be made to dispose of 2,500 tickets at $1 each.

Manager Joe Reilly has gathered a galaxy of stars, according to reports from Wheeling, Steubenville and Canton. Although some are admitted to be "wanders," Joe has 26 men on his roster, many of whom have been signed at a good stiff price. Reilly is not worrying about the outfield, needing more money, so he will attempt to land another catcher and a couple of old brew pitchers, despite the fact the Potters now have the greatest hurling staff and strongest catching department in the world.

Manager Ed Ashenbrenner Connell, Jimmy Burke, William Robertson, Cleon Webb, former Central leaguers, have been signed as reserved by Indianapolis in secretary Farrell's last bulletin. Ashenbrenner, Connell and Burke deserted the hold-out army, but this announcement being made of his signing with the Oakland Pacific Coast league team.

Central leaguers who have signed are: Fort Wayne, Paul Sinzler; Dayton, Ed Ruelbach; Terre Haute, Joe Reilly; Grand Rapids, George Schaefer, Albert Schaal; Wheeling, Harry Hinkle; Warrior, John D. Lewis.

Secretary Farrell's last bulletin to clubs by phone or Pitcher Compton by Atlanta to Dayton: Crane, by Youngstown to Wheeling; Grey, Hagerty, Tate, by Wheeling to Youngstown; C. H. Innesly, Vincennes to Terre Haute; George P. Kitten, South Bend to Grand Rapids; Ashenbrenner.

The Dayton Journal says South Bend papers have announced "Ducky" Holmes as a hold-out. "Ducky" may have been in their class, but it has never been in Central circuit. Tate, Grey for Manager Smith's hold-out cables, Hagerty, Reilly, Hinkle, Lewis, Warrior, Ed. Wheeler, Jed, the bride's parents resumed their of the marriage, Mrs. Wheeler and Mrs. Wells are sisters.

Byrnes, an outfielder secured from Toledo, is a hold-out. Byrnes is a valuable outfielder but can not be certain he can stick with the Evs. He is a likely looking candidate, according to Eli Coffman, in Boston, the outfielder-infielder secured from the Florida-Georgia league. They all look good when they're for sale.

WOLGAST RETAINS HIS TITLE HONORS

PRINCIPALS OF COAST MATCH ARE ARRESTED.

Bout Allowed to go on With Understanding Arrests Would be Made if Prize Fight Was Staged.

LOS ANGELES, Cal., March 18.—World's Champion Lightweight Ad Wolgast stopped George Memsic in the ninth round of their scheduled 20 round bout in the arena at Vernon yesterday afternoon, Memsic practically knocked out when Referee Eyton stopped the fight and awarded the decision to Wolgast.

All the principals to the battle were placed under arrest last night charged with having participated in a prize fight.

The arrests were made several hours after the contest on order from District Attorney Frederick, those taken being Wolgast, Memsic, Promoter Tom McCarey, and Referee Eyton.

Before the fight started promoter and principals were warned that action might be taken if the men participated in a prize fight. But they took the chance. When the ninth round of the fight came on Memsic was helpless and unable to defend himself from the rain of blows that the champion was delivering he called a stop to hostilities. The referee stopped the fight and awarded the decision to Wolgast.

Memsic had had an advantage in the battle that he would interrupt the moment he saw the either was allowed decisive victory. But Eyton's action apparently curtailed little weight with the district attorney.

In defending his title Wolgast had an advantage in weight of about 10 pounds, despite the fact that the Los Angeles man put on his best speed in the first four sessions.

After sparring about the ring in the first round Memsic started in to do a good stiff slugging on his Wolgast felt into a clinch and Memsic threw him to the floor. The champion sat in a dazed manner for a few seconds and then slowly rose.

Neither boy had and advantage in the second round, but in the third it was all Wolgast. Memsic gradually lost his steam, and by the ninth it was apparent that the end was near.

In the seventh Wolgast knocked Memsic down for the count of one, but permit in the ninth and first round Wolgast immediately rushed, trying apparently for a knockout. He shot in a series of hard left and rights to the face and body. Memsic saw week and the boys was stopped. Wolgast being given the decision.

Abiest President in Minor Leagues According to Minor Owner.

TERRE HAUTE, Ind., March 18.—President L. D. Smith, of the Terre Haute Central league club, is glad to hear that President Carson, of the Central league has recovered from his illness and again had taken up the reins. The owner of the Coal Miners has for utmost faith in and respect for the league executive. Smith considers Carson the ablest president in minor leagues of the country.

The Tribune's Special Service.

ALEXANDRIA, La., March 18.—Cleveland baseball fans do not expect Jim McGuire's new Naps to win a pennant this season, but they are planning on them for a first division berth. Really you can't blame the fans, for did not McGuire's boys come down to Alexandria with a team that Ad Wolgast Three kids played together the last times, and they hit a regular pennant winning pace in the last few weeks of the campaign. Those same kids should well last fall are expected to repeat during the 1911 campaign. They are Nagle, Krapp and Kaler. Not a regular pennant stiff, but they are figured around .350. The kids will have more experience in big league ways, and the pitching staff should be bolstered up to the point of being a real major league team. The youngsters who came among major league caliber here in the practice games are Infielders Knaupp, Bronkie and Hohnhorst, Pitchers Kaler, Krapp and Smith, Catchers Smith and Nagle. The team will leave here March 25, and will work in two settings, stopping off on play exhibition games in several cities.

HOPPE BARRED FROM PARIS

Police Refuse to Modify Order Against American Billiardist.

By Associated Press.

PARIS, March 18.—The police have refused to modify the order forbidding Willie Hoppe, the young American billiard player, to give exhibitions here and it is believed he has left for the United States.

The trouble grew out of his playing in a match in which betting was done when he was here before.

Calvin Demarest, of Chicago, continues to play, but he is worried lest the police include him in the crackdown. Demarest's manager said he had Hoppe's number was caused by jealousy between local billiardists who own rival halls.

"BILL" SILVER SIGNS.

Will Oversee Care of Springbrook Diamond Again.

One more step toward preparation for the training season was taken by the local management yesterday when "Bill" Silver signed up an 1911 ground keeper for Springbrook park. Bill is one of the finest men in the world, and yesterday wandered around to Bert Anson's place to sign the contract for this season. Bill is quite a ball player, himself, despite his corpulence. He pitches occasionally in scrub games at Springbrook park, and can hit the ball a wallop, and one time last season held a group of hoosier rookies to two hits in nine innings. Bill hasn't since signed but he's sing on the gray matter, they say.

CENTRAL WILL BE FASTER

Redelle Does Not Consider Terre Haute Seriously.

EVANSVILLE, Ind., March 18.—The Central league will be 100 per cent faster this season than ever before, with Zanesville one of the clubs to be straightened out, if the plans Secretary Farrell has in mind for the league work out. Terre Haute will be the only match with President Carson at the helm this week.

Despite the cards from Terre Haute that Manager Redelle is "Sick" Redelle does not consider Terre Haute seriously. Redelle thinks the Coal Miners will be Wheeling's main rivals, states the Vet magnate, are Dayton, Zanesville, Fort Wayne and South Bend. Wheeling's dark horse, says.
