VARSITY'S VICTORY

PICKED TEAM IS DEFEATED

Collegiate Put Up Clever Exhibition of Base Ball—Gilson and Lynch in the Game—Bailey in Good Condition—General Sporting News.

The third of a series of practice games between the Notre Dame varsity and a picked team of this city was played on the university campus yesterday afternoon and the result was a victory for the collegians by a score of 8 to 4. While the contest was not marked by any brilliant playing the game was by far the best exhibition of base ball seen on a local diamond this year.

Notre Dame won by batting Gaffney rather hard in the first and second innings, scoring six runs on five hits and four errors by Fleming and Bailey, each having two to his credit. After the second Gaffney settled down and allowed only three hits in the next three innings. In the sixth he was succeeded by Bailey and in the three innings that he pitched he allowed no runs. He has so had the collegians completely at his mercy. He was hit safely only two times, one hit being a scratch, for the ranked kind.

Gilson and Holland pitched the game for Notre Dame, the former twirling for seven innings and showing up in form. The picked team in creditable shape, however, and had Gilson and Gaffney will disposed of to can, the score sheet. Gilson struck out five men.

Gaffney was wild during the early part of the contest and after allowing McDonald and Fleming hits he passed Foley and Furler to first on four wild pitches. Lynch reached his base by bunting to Gaffney who made an error on the throw to first, allowing Fleming and Lynch also scored on errors. Two errors by Fleming, one error by Bailey two hits, a double by Foley and a single by Furley, and a base on balls to Fleming yielded three more runs. Brown made a double in the fourth and scored on H. Fleming's error of Arndt's easier off Lynch's short hit. The last three runs came in the sixth on Furley's hitting for three bases and crossing the plate on Ladish's error.

The picked team was blanked until the fourth when Grant secured his base by smashing out a corking single over second. Bryan drew a base on balls, but Anderson forced him out at second by hitting to short. Ladish hit to Fleming who threw wild to McDonald and both Grant and Anderson scored. Anderson was forced out at third on the error, but McDonald threw him out. In the sixth Arndt and Grant stopped first base from Gilson with their back and took a base. Gaffney singled and Bryan drove the ball into deep center, scoring Arndt and Gaffney. Anderson and Ladish fanned. Bailey, however, hit safe to center and Lynch out Gilson at the plate, Taylor to Dwyer. Gilson of the Notre Dame.

BOYCOTT IS ENDED.

Wisconsin to Give Chicago Games—Begins Defeat Michigan.

Madison, Wis., April 21.—The athletic conflict has ordered Manager Anderson of the base ball team, to accept the two games with Chicago, as scheduled by former Manager Ford, who has left the university. The first Chicago-Wisconsin base ball game will be played in Chicago April 29 and will be the first game played on the short trip.

Manager Fisher, of the football team, is willing to accept the University of California offer for a Thanksgiving game and so is Captain Clark and other members of the football team. It is stated, however, that the faculty committee may object to such a long trip. The tendency at Wisconsin is not greatly to put a proper curb on athletics and to prevent this policy the authorities have prohibit such a game. The final decision rests with the athletic council, and that body has as yet taken no official action in the matter.

The Wisconsin university base ball team defeated the crack Michigan team yesterday with a score of 8 to 4. The outcome of the game was wholly unexpected, except in those who have followed very carefully the work of Coach Huntington. He taught the Badger men how to handle the stick and this was a big feature of the game, giving the Wisconsin outfielder Michigan's pitcher a good deal of trouble. Batting was strong, as the Wolverines' field work was better than that of Wisconsin. Lehr, Michigan's crack pitcher, had to be retired at the close of the first inning, the Ann Arbor coaches thinking him too easy for the cardinal men. Yale took his place, but could not hold his own, being hit hard.

The trials were the last of the series of meets to represent the university in the Chicago-Notre Dame track meet next Thursday. The men worked under the direction of Trainer J. J. Engleman and Capt. Powers and they expressed themselves as being more than satisfied with the showing made. The events resulted as follows:

FIRST HORSELESS CARRIAGE.

Novel Vehicle Attracts Much Attention in South Bend.

The first horseless carriage ever run over the pavements of South Bend was occupied by Messrs. J. C. and F. G. Eberhart, of Mishawaka, and attracted more attention than a throwing circuit parade on Thursday afternoon. At every place the vehicle stopped great crowds of curious people and boys congregated and on Washington street the demonstration became so great that street car tracks were blockaded by buggies and people.

The carriage was manipulated by F. G. Eberhart. It was run from Mishawaka in a comparatively short space of time and the vehicle behaved very perfectly. J. C. Eberhart, owner of the vehicle, expressed himself as well pleased with his carriage and said he considered the invention a winner. There are at present three horseless carriages in this county. One is owned by E. V. Egger, of Mishawaka, one by Mr. Eberhart and one by the Studebaker Bros. Manufacturing company of this city.
