Dr. Tucker

If It's Neuralgia

And those sharp, shooting,

agonizing pains drive you

almost crazy, take Dr.

Miller's Anti-Pain Pills

and get relief. They drive

out the pain by their

soothing effect upon the

nerves. When taken as di-

rected they are harmless,

and leave no bad after-

effects. That's the reason

they are so popular with

all who use them. Your

Druggist can tell you what

others in your locality

think of them.
